CORPORATE PROFILE

Progen Holdings Ltd ("Progen" or the "Company", together with its subsidiaries, the "Group") is an investment holding company and forms part of the Progen Group of Companies. The Company has more than two decades of experience in the design, supply, installation and maintenance of air-conditioning and mechanical ventilation systems. The Group comprises subsidiaries in Singapore and Malaysia.

The Group was founded more than three decades ago when Mr Lee Ee @ Lee Eng started the first company in the Group, Progen Pte Ltd, to supply and install air-conditioning systems. Since then, the Group has grown to become one of the leading corporations in the industry. With the different subsidiaries, Progen is a one-stop service provider that provides a full spectrum of services from delivering proficient before-sales consultation to offering quality after-sales service and top maintenance service to our clients in the public and private sectors, in relation to a wide variety of cooling systems for industrial, commercial and residential developments.

Progen's wealth of engineering experience, proficiency and skills as well as strong market positioning have made it one of the top players in the industry. Our team of engineers designs systems that meet the precise needs of customers, and together with our aftersales service consultants, assist clients in minimising long-term maintenance costs and maximising the working life of their systems.

In recent years, the Group has undertaken research and development activities to study the possibilities of increasing efficiencies of the cooling systems commonly used in the local market. Through its wholly owned subsidiary, Progen Pte Ltd, the Company has collaborated with Nanyang Technological University (NTU), School of Mechanical & Aerospace Engineering to research into areas related to this aspect. Such collaborative research works have concluded and the Group has been granted full rights to market and commercialise the researched product.

Priding ourselves on our professionalism and engineering expertise, Progen will strive to continue to be in a league of its own for many years to come.

CHAIRMAN'S STATEMENT

For the financial year under review, the Group's revenue decreased by \$\$1.1 million from \$\$3.3 million (FY2017) to S\$2.2 million (FY2018). The Group registered a net loss after tax of S\$2.5 million for FY2018 compared to S\$4.7 million for FY2017. The decrease in revenue was mainly due to the delay in commencement of some projects and the completion of some projects in FY2018.

The Group's loss per share for FY2018 was 0.746 Singapore cents per share compared to 1.733 Singapore cents per share for FY2017 and the Group's net asset value dropped to 8.643 Singapore cents per share as at 31 December 2018 from 11.424 Singapore cents per share as at 31 December 2017.

The Group's operating conditions and environment continue to be challenging with fierce competition. The Group shall remain cautious with new projects and tighten its credit risk management with the view of improving efficiency and profitability. We shall continue to tap on our established track records and networks together with our acquired experiences and expertise to enhance shareholders' value.

On behalf of the Board, I would like to thank all shareholders, our valued customers and business associates for your strong support even in difficult economic conditions. We are also grateful and appreciative to the contributions and commitments from the management and staff during these difficult times. Lastly, I would like to express my gratitude to my fellow board of directors.

BOARD OF DIRECTORS

DR TAN ENG LIANG

INDEPENDENT DIRECTOR AND NON-EXECUTIVE CHAIRMAN

Dr Tan was appointed to our Board of Directors on 24 October 1997 and was last re-appointed on 27 April 2018. Dr Tan was appointed as Non-Executive Chairman on 1 March 2014. He is also the Chairman of the Audit & Risk Committee and Investment Review Committee, and a member of the Nominating Committee and Remuneration Committee.

Dr Tan was a Member of Parliament from 1972 to 1980, the Senior Minister of State for National Development from 1975 to 1978, and Senior Minister of State for Finance from 1978 to 1979. He also served as the Chairman of the Urban Redevelopment Authority from 1974 to 1978, Chairman of the Singapore Sports Council from 1975 to 1991, Deputy Chairman of Singapore Manufacturers' Association in 1972 and Deputy Chairman of Singapore Institute of Standards and Industrial Research (SISIR) from 1973 to 1975. Dr Tan has a Doctorate from Oxford University, England. Dr Tan was awarded the Public Service Star (BBM), Public Service Star - Bar (BBM(L)) and the Meritorious Service Medal (PJG) by the Singapore Government in 1971, 1985, and 1991 respectively.

Dr Tan currently sits on the board of Tung Lok Restaurant (2000) Ltd. He also serves as Vice President in the Singapore National Olympic Council. Dr Tan's past directorships in the last three years include SunMoon Food Company Limited.

MR LEE EE @ LEE ENG

MANAGING DIRECTOR

Mr Lee, our Managing Director, is the founder of the Group and was appointed to our Board of Directors on 13 July 1996 when the Company was incorporated. He is also a member of the Nominating Committee and Investment Review Committee.

Mr Lee has more than 40 years of experience in the air-conditioning, refrigeration and climate control industry. He started his career in Amcol Pte Ltd in 1970 and later served as Engineering Sales Manager in Sime Darby (S) Pte Ltd and as Dealer Development Manager in York International. Mr Lee spent 10 years in private companies before setting up his own business, Progen Pte Ltd in 1981.

BOARD OF DIRECTORS

MR CH'NG JIT KOON

INDEPENDENT NON-EXECUTIVE DIRECTOR

Mr Ch'ng was appointed to our Board of Directors on 24 October 1997 and was last re-appointed on 27 April 2016. He is the Chairman of the Remuneration Committee and a member of the Audit & Risk Committee, Nominating Committee and Investment Review Committee.

Mr Ch'ng was a Member of the Singapore Parliament from 1968 to 1996. At the time of his retirement in January 1997, he was the Senior Minister of State, Ministry of Community Development. Mr Ch'ng holds a Bachelor of Arts (Economics and Political Science) degree from Nanyang University, Singapore (now Nanyang Technological University). Mr Ch'ng was awarded the Distinguished Service Order (DUBC) at the National Day Awards in 2015.

Mr Ch'ng is currently the Non-Executive Chairman of Pan-United Corporation Ltd and sits on the board of Santak Holdings Limited. He also serves in several community organisations. Mr Ch'ng's past directorships in the last three years include Ho Bee Land Limited.

MR CHEE WAI PONG

INDEPENDENT NON-EXECUTIVE DIRECTOR

Mr Chee was appointed to our Board of Directors on 16 January 2013 and was last re-elected on 27 April 2017. He is the Chairman of the Nominating Committee and a member of the Audit & Risk Committee and Remuneration Committee.

Mr Chee joined the Legal Service and was appointed a Deputy Public Prosecutor/State Counsel from 1971 to 1973. He was appointed a Magistrate and then District Judge and the State Coroner between 1973 and 1976. Mr Chee then joined M/s Osborne Jones & Co as a Partner from August 1976 to December 1978 and was a Partner of M/s Ng Ong & Chee from January 1979 to December 2006. Mr Chee started his own practice under the name and style of Chee Wai Pong & Co on 1 January 2007. He has a Bachelor of Law Degree (LL.B. Hons) from the University of Singapore.

Mr Chee currently sits on the board of Tung Lok Restaurant (2000) Limited. He is the honorary legal advisor to the Medical Alumni and Ling Kwang Home for Senior Citizens. He is also a member of the Management Committee of the Students Care Service at Hougang HQ and a member of the Advisory Committee of the Students Care Service at Yishun Centre. Mr Chee also serves as a Disciplinary Panel Member of the Council of Estate Agency. His past directorships in the last three years include SunMoon Food Company Limited.

BOARD OF DIRECTORS

MR JOHNLIN YUWONO

NON-INDEPENDENT NON-EXECUTIVE DIRECTOR

Mr Johnlin was appointed to our Board of Directors on 8 May 2002 and was last re-elected on 27 April 2018. He is also a member of the Audit & Risk Committee and Remuneration Committee.

Mr Johnlin has been a Director of several listed and/or private companies across industries such as that of manufacturing, real estate, banking and other financial services. He also has business interests in many countries, including member countries of the ASEAN, the PRC, Hong Kong, Taiwan and the

Mr Johnlin holds a Bachelor of Science degree in Aeronautical Engineering from the State University of California, USA.

MR FRANCIS LAU CHOO YEW

NON-INDEPENDENT NON-EXECUTIVE DIRECTOR

Mr Lau was appointed to our Board of Directors on 9 February 2015 and was last re-elected on 27 April 2017.

Mr Lau holds an Honours Degree in Bachelor of Building from the University of New South Wales, Australia and is also a Chartered Quantity Surveyor, Chartered Builder and Registered Quantity Surveyor with professional institutions of Australia, United Kingdom, Malaysia and Brunei Darussalam. He has received several awards in the region including Outstanding Entrepreneur for the Asia Pacific Entrepreneurship Award in Brunei in 2008, 2010, 2012 and 2014 and Overseas Enterprise Award for SME One Asia Awards in Singapore in 2013.

Mr Lau is currently the Managing Director of LCY Development Sdn. Bhd. and holds directorships in several private companies in Australia, Brunei, Malaysia and Singapore that specialises in property development and investment.

MANAGEMENT PROFILE

MR DONG FAGEN is the Project Director. He joined the Group as the Import and Export Manager in 1995. Mr Dong holds a Diploma in Mechanical Engineering from Shanghai Jiaotong University, China, and is presently in charge of the project department of the Group.

MS CINDY LEE is the Admin and Corporate Affairs Director. She joined the Group as an Accountant in 1999. Ms Lee graduated from Nanyang Technological University with a Bachelor's Degree in Accountancy and is currently a member of the Institute of Singapore Chartered Accountants. She is currently in charge of the administrative matters and corporate affairs and oversees the finance department of the Group.

MR ANDY LEE YUNG LI is the Senior Manager. He joined the Group in 2009 as Project Manager. Mr Lee graduated with a Bachelor in Electrical Engineering from University of Newcastle, Australia. He is presently responsible for product innovation and development and oversees a few projects in the Group.

MS HAN JING is the Marketing Director. She has been with the Group since 1998. Ms Han graduated with a Master's Degree in Mechanical Engineering from National University of Defense Technology, China in 1984 and is currently responsible for the marketing and business development for the Group.

Guideline	Code and/or Guide Description	Company's Compliance or Explanation
Board Com	position and Guidance	
2.1 2.2 3.3	Does the Company comply with the guideline on the proportion of Independent Directors on the Board? If not, please state the reasons for the deviation and the remedial action taken by the Company.	Guideline 2.1 of the Code is met as the Independent Directors make up half of the Board.
2.3 4.3	Has the independence of the Independent Directors been reviewed in the last financial year?	The Board takes into account the existence of relationships or circumstances, including those identified by the Code, that are relevant in its determination as to whether a Director is independent. In addition, the NC reviews the individual directors' declaration in their assessment of independence. The NC has reviewed and confirmed the independence of the Independent Directors in accordance with the Code. The Independent Directors have also confirmed their independence in accordance with the Code.
	 (a) Is there any Director who is deemed to be independent by the Board, notwithstanding the existence of a relationship as stated in the Code that would otherwise deem him not to be independent? If so, please identify the Director and specify the nature of such relationship. (b) What are the Board's reasons for considering him independent? Please provide a detailed explanation. 	There are no Directors who is deemed independent by the Board, notwithstanding the existence of a relationship as stated in the Code that would otherwise deem him not to be independent.
2.4	Has any Independent Director served on the Board for more than nine years since the date of his first appointment? If so, please identify the Director and set out the Board's reasons for considering him independent.	Notwithstanding that Dr Tan Eng Liang ("Dr Tan") and Mr Ch'ng Jit Koon ("Mr Ch'ng") have served beyond nine years since the date of their first appointments to the Board, the Board is of the view that Dr Tan and Mr Ch'ng are independent as each of them has: • contributed constructively throughout his term in the Company; • sought clarification and amplification as he deemed necessary, including through direct access to key management personnel; and • provided impartial advice and insights, and has exercised his independent judgement in doing so. The following assessments were conducted and deliberated by the Board before the arriving at the conclusion: • review of Board and Board Committee meetings minutes to assess questions and voting actions of Dr Tan and Mr Ch'ng; • Dr Tan's and Mr Ch'ng's declarations and individual evaluations; and • peer and board committee performance assessment done by the other Directors.

Guideline	Code and/or Guide Description	Company's Compliance or Explanation				
2.5	What are the steps taken by the Board to progressively renew the Board composition?	The Board is of the opinion that it would be most effective to draw on the wealth of experience from the longer serving director while concurrently taking progressive steps to review and conside opportunities to refresh the Board as and when deemed required. To meet the changing challenges in the industry and countries which the Group operates in, such reviews, which includes considering factors such as the expertise, skills and perspectives which the Board needs against the existing competencies would be done on an annual				
2.6	(a) What is the Board's policy with regard to diversity in identifying director nominees?	basis to ensure that the Board dynamics remain optimal. The Board's policy in identifying director nominees is primarily to have an appropriate mix of members with complementary skills, core competencies and experience for the Group, regardless of gender.				
	(b) Please state whether the current composition of the Board provides diversity on each of the following	The current Board composition provides a diversity of experience and knowledge to the Company as follows:				
	- skills, experience, gender and	Table 2.6 – Balance and Diversity of the E	Board

Guideline	Code and/or Guide Description	Company's Compliance or Explanation
Chairman a	and Chief Executive Officer	
3.1	Are the duties between Chairman and CEO segregated?	The roles of the Chairman and the Managing Director are separate to ensure a clear division of their responsibilities, increased accountability and greater capacity of the Board for independent decision making. The Chairman is not related to the Managing Director. Dr Tan Eng Liang, the Non-Executive Independent Chairman, leads the Board and facilitates its effectiveness on all aspects of its role. Dr Tan, in consultation with the Managing Director, schedules and sets the agenda for Board meetings. In addition, he sets guidelines on and ensures quality, quantity, accurateness, and timeliness of information flow between the Board, Management and shareholders of the Company. He encourages and builds constructive relations between the Board and Management, and facilitates the effective contribution of the non-executive directors. He also undertakes a leading role in ensuring the Company's compliance with corporate governance guidelines. Mr Lee Ee @ Lee Eng, the Managing Director, is responsible for the execution of the Company's strategies and policies made by the Board, and the management of the Company's daily operations.
3.4	Have the Independent Directors met in the absence of other directors?	The Independent Directors have met at least once in the absence of the other directors in FY2018.
Board Men	nbership et al.	
4.1	What are the duties of the NC?	 The NC is guided by key terms of reference as follows: to review, assess, make recommendations to the Board on the appointment of directors, including making recommendations on the composition of the Board and provide all newly appointed directors a formal letter setting out his/her duties and obligations; to regularly review the Board structure, size and composition having regard to the scope and nature of the operations, the requirements of the business, the diversity of skills, experience, gender and knowledge of the Company and the core competencies of the directors as a group; and make recommendations to the Board with regards to any adjustments that may be deemed necessary; to review, assess and recommend nominees or candidates for appointment or re-election to the Board, and to consider his/her competencies, commitment, contribution, performance and whether he/she is independent; to make plans for succession, in particular for the Chairman of the Board and Managing Director; to prepare and recommend, for approval of the Board, written guidelines on the division of responsibilities of the Chairman of the Board and the Managing Director;

Guideline	Code and/or Guide Description	Company's Compliance or Explanation
		 to determine, on an annual basis whether a director is independent; to recommend directors who are retiring by rotation to be put forward for re-election; to decide whether or not a director is able to and has been adequately carrying out his/her duties as a director of the Company, particularly when he has multiple board representations and/or other principal commitments; to recommend to the Board internal guidelines to address the competing time commitments faced by directors who serve on multiple boards and the maximum number of listed company board representations which any Director may hold; to assess the effectiveness of the Board as a whole, and Board Committees and the contribution of each individual director to the effectiveness of the Board; and to review the training and development programs for the Board.
4.4	(a) What is the maximum number of listed company board representations that the Company has prescribed for its directors? What are the reasons for this number?	The Board has not capped the maximum number of listed company board representations each Director may hold.
	(b) If a maximum has not been determined, what are the reasons?	Although several directors hold directorships in other listed companies, the NC is of the view that such multiple board representations do not hinder them from carrying out their duties as directors of the Company. These directors, through their directorships in other listed companies would also widen the experience of the Board and give it a broader perspective. The NC does not think that it is necessary to set the maximum number of listed board representations that any Director may hold as all the Directors are able to devote sufficient time and attention to the Company's affairs in light of their commitments.

Guideline	Code and/or Guide Description	Company's Compliance or Explanation				
	(c) What are the specific considerations in deciding on the capacity of directors?	The considerations in assessing the capacity of Directors incluthe following:				
		 Expected and/or competing time commitments of Directors Geographical location of Directors; Size and composition of the Board; and Nature and scope of the Group's operations and size. The measures and evaluation tools in place to assess the performance and consider competing time commitments of the Directors include the following:- Declarations by individual Directors of their other listed company board directorships and principal commitments; Annual confirmations by each Director on his/her ability of devote sufficient time and attention to the Company's affair having regard to his/her other commitments; and Assessment of the Directors' performance based on the criteriset out in Section 5 of this report. 				
	(d) Have the Directors adequately discharged their duties?	y The NC has reviewed the time spent and attention given by each of the Directors to the Company's affairs, taking into account the multiple directorships and other principal commitments of each of the Directors (if any), and is satisfied that all Directors have discharged their duties adequately for FY2018.				
4.5	Are there alternate Directors?	The Company currently does not have any alternate director.				
4.6	Please describe the board nomination process for the Company in the last financial year for (i) selecting and	Table 4.6(a) – Process for the Selection and Appointment of				
	appointing new directors and (ii) reelecting incumbent directors.	1. Determination of selection criteria • The NC, in consultation with t Board, would identify the curre needs of the Board in terms skills/experience/knowledge complement and strengthen t Board.				
		2. Search for suitable candidates • The NC would consider candidate proposed by the Directo key management personnel substantial shareholders, and mengage external search consultar where necessary.				
		3. A s s e s s m e n t of shortlisted candidates - The NC would deliberate on t competencies of each shortlist candidate against the needs of t Board to select a candidate for t directorship role.				
		4. Appointment of the NC would recommend to selected candidate to the Board for consideration and approval.				

Guideline	Code and/or Guide Description	Company's Compliance or Explanation				
		Table 4.6(b) – Process for the Re-election of Incumbent Directors				
		1.				
		2.	Re-appointment of director	 Subject to the NC's satisfactory assessment, the NC would recommend the proposed re-appointment of the director to the Board for its consideration and approval. 		
		Rule 720(4) of the Listing Manual Section B: Rules of Catalis the SGX-ST ("Catalist Rules") and Article 109 of the Compar Constitution, requires one-third of directors to retire from of and submit themselves for re-nomination and re-election at Annual General Meeting ("AGM"), at least once every three yell n addition, Article 119 provides that a director newly appoin by the Board must submit himself for re-election at the Afollowing his appointment.				
		The NC is of the view that each individual director has contributed to the effectiveness of the Board as a whole and has recommended the re-elections of Mr Ch'ng Jit Koon ("Mr Ch'ng") and Mr Che Wai Pong ("Mr Chee") pursuant to Rule 720(4) of the Catalist Rule and Article 109 as aforementioned. Mr Ch'ng and Mr Chee do not have any relationships including immediate family relationships between themselves and the Directors, the Company and its 10% shareholders. The detailed information of these directors, including information as required under Appendix 7F of the Catalist Rules can be found on page 31 to 34. Mr Ch'ng will, upon re-election as a Director of the Company remain as the Chairman of the RC, and a member of the ARC NC and IRC. Mr Chee will, upon re-election as a Director of the Company, remain as the Chairman of the NC, and a member of the ARC and RC. Both Mr Ch'ng and Mr Chee will be considered independent for the purposes of Rule 704(7) of the Catalist Rules				
			_	and abstained from participating in the indation on their respective nominations.

REMUNERA	REMUNERATION MATTERS				
Developing	Developing Remuneration Policies Level and Mix of Remuneration				
7.1	What is the role of the RC?	The RC is guided by key terms of reference as follows: 1. to review and recommend to the Board, in consultation with the Chairman of the Board, a framework of remuneration and to determine the specific remuneration packages and terms of employment for each of the directors and key management			
		 personnel of the Group; to recommend to the Board, share-based incentives or awards or any long term incentive schemes which may be set up from time to time, reviewing whether directors and key management personnel should be eligible for such schemes, evaluating the cost and benefits of such schemes and to do all acts necessary in connection therewith; to carry out its duties in the manner that it deemed expedient, subject always to any regulations or restrictions that may be imposed upon the RC by the Board of Directors from time to time; and to ensure all aspects of remuneration are covered. 			
7.3	Were remuneration consultants engaged in the last financial year?	No remuneration consultants were engaged by the Company in FY2018.			
		The Company is of the view that the annual review by the RC, which includes the referencing of Directors and key management personnel's remuneration against comparable benchmarks and giving due regard to prevailing market conditions as well as the financial, commercial health and business needs of the Group, is currently sufficient to ensure the continued relevance of such remuneration packages to the Group's strategic business objectives and alignment with market practices.			
8.4	Are "claw-back" provisions provided for in the service agreements of Executive Directors and key management personnel?	The Company currently does not have any contractual provisions which allow it to reclaim incentives from the Executive Director and key management personnel in certain circumstances. The Board is of the view that as the Group pays performance bonuses based on the actual performance of the Group and/or Company (and not on forward-looking results) as well as the actual results of its Executive Director and key management personnel, "clawback" provisions in the service agreements may not be relevant or appropriate.

9.3	(a) Has the Company disclosed each key management personnel's remuneration, in bands of \$\$250,000 or more in detail, as well as a breakdown	The breakdown for the remuneration of the Company's top 6 key management personnel (who are not Directors or the Managing Director) for FY2018 is as follows:
	(in percentage or dollar terms) into base/fixed salary, variable or performance-related income/bonuses, benefits in kind, stock options granted, share-based incentives and awards, and other long-term incentives? If not, what are the reasons for not disclosing so?	Table 9.3 – Remuneration of Key Management Personnel Below \$250,000 Han Jing Dong Fagen Cindy Lee Andy Lee Lee Bee Bee Desmond Ling
		The Company has not disclosed the breakdown of the remuneration paid to its top 6 key management personnel as it is not in the best interests of the Company and the employees to disclose such details due to the sensitive nature of such information. Currently, the Company does not have any employee share option
	(b) Please disclose the aggregate remuneration paid to the top five key management personnel (who are not Directors or the CEO).	scheme or other long-term employee incentive scheme. The total remuneration paid to the top 6 key management personnel for FY2018 was S\$541,000.
9.4	Is there any employee who is an immediate family member of a Director or the CEO, and whose remuneration exceeds \$\$50,000 during the last financial year? If so, please identify the employee and specify the relationship with the relevant Director or the CEO.	Save for Cindy Lee and Andy Lee who are the daughter and son of the Company's Managing Director, Mr Lee Ee @ Lee Eng, there is no other employee of the Group who is an immediate family of a Director or Managing Director whose remuneration exceeds S\$50,000 in FY2018. The remunerations of Cindy Lee and Andy Lee for FY2018 were within the bands of S\$100,000 to S\$150,000.
9.5	Please provide details of the employee share scheme(s).	The Company does not have an employee share scheme in FY2018 as the Company is of the view that performance bonuses are sufficient to reward high-performing employees for the time being given the current nature and scope of the Group's operations and size. The RC will periodically review the Company's remuneration tools and assess if share-based incentive schemes should be adopted going forward, giving due consideration to factors such as the prevailing market practice, size and scope of the Group's operations and relevant tax implications.

Guideline	Code and/or Guide Description	Company's Compliance or Explanation
received by Execkey management determined by criteria. (b) What were the peused to determine under the short	(a) Please describe how the remuneration received by Executive Directors and key management personnel has been determined by the performance criteria.	The remuneration received by the Executive Director(s) and key management personnel takes into consideration his or her individual performance and contribution towards the overall performance of the Group for FY2018. Their remuneration is made up of fixed and variable compensations. The fixed compensation consists of an annual base salary, fixed allowance and annual wage supplement. The variable compensation is determined based on the level of achievement of corporate and individual performance objectives.
	(b) What were the performance conditions used to determine their entitlement under the short term and long term incentive schemes?	The following performance conditions for short-term incentives such as performance bonus were chosen for the Group to remain competitive and to motivate the Executive Director(s) and key management personnel to work in alignment with the goals of all stakeholders:
		Table 9.6(b) – Performance Conditions for Short-term Incentives (such as performance bonus)
		 Leadership People development Commitment Teamwork Current market and industry practices Macro-economic factors
	(c) Were all of these performance conditions met? If not, what were the reasons?	Yes, the RC has reviewed and is satisfied that the performance conditions were met for FY2018.

Guideline	Code and/or Guide Description	Company's Compliance or Explanation		
ACCOUNTA	BILITY AND AUDIT			
Risk Management and Internal Controls				
11.3	(a) In relation to the major risks faced by the Company, including financial, operational, compliance, information technology and sustainability, please state the bases for the Board's view on the adequacy and effectiveness of the Company's internal controls and risk management systems.	The Managing Director meets with key management personnel on a weekly basis to discuss operational, business and strategic matters. During these meetings, key projects and operational risks are identified and discussed, along with proposed mitigating measures to address these risks to ensure residual risks are mitigated to an acceptable level. Follow-ups are then performed in subsequent meetings to ensure mitigating actions are executed. Any significant issues identified from these meetings are brought to the attention of the Board and ARC.		
		The Board and the ARC are of the view that the Company's internal controls (including financial, operational, compliance and information technology controls) and risk management systems were adequate and effective for FY2018.		
		The bases for the Board's view are as follows:		
	(b) In respect of the past 12 months has	 Assurance has been received from the Managing Director and Finance Manager (refer to Section 11.3(b) below); Internal audits have been performed by the internal auditors ("IA") and significant matters highlighted to the ARC and key management personnel were appropriately addressed; Key management personnel regularly evaluates, monitors and reports to the ARC on material risks; Discussions were held between the ARC and the EA in the absence of the key management personnel to review and address any potential concerns; Risk appetite statements with tolerance limits have been approved by the Board to contain risks within acceptable levels; and ARC has spoken with the IA and EA and noted that there were no exceptional matters to be reported. The Company is gradually placing emphasis on sustainability and have started implementing appropriate policies and programmes.		
	(b) In respect of the past 12 months, has the Board received assurance from the CEO and the CFO as well as the IA that: (i) the financial records have been properly maintained and the financial statements give true and fair view of the Company's operations and finances; and (ii) the Company's risk management and internal control systems are effective? If not, how does the Board assure itself of points (i) and (ii) above?	Yes, the Board has obtained such assurance from the Managing Director and Finance Manager in respect of FY2018. The Board has relied on the independent auditor's report as set out in this Annual Report as assurance that the financial records have been properly maintained and the financial statements give a true and fair view of the Company's operations and finances. The Board has additionally relied on IA's internal audit reports issued to the Company for FY2018 as assurances that the Company's risk management and internal control systems are effective.		

Guideline	Code and/or Guide Description	Company's Compliance or Explanation
Audit Com	mittee	
12.1 12.4	What is the composition and the role of the AC?	All members of the ARC are non-executive directors who do not have any management and business relationships with the Company. Majority of the ARC members are independent and do not have relationships with any substantial shareholder of the Company. None of the ARC members were previous partners or directors of the Company's external audit firm within the last twelve months and none of the ARC members hold any financial interest in the external audit firm
		The ARC is guided by the following key terms of reference:
		 to review with the EA their audit plan, their evaluation of the system of internal accounting controls, their audit report and their management letter and the Management's response; to ensure co-ordination where more than one audit firm is involved; to review the half-yearly and annual financial statements before submission to the Board for approval; to review any formal announcement relating to the Company's financial performance; to discuss problems and concerns, if any, arising from the interim and final audits, in consultation with the EA and IA where necessary; to meet with the EA and with the IA without the presence of Management, at least annually, to discuss any problems and concerns they may have; to review the assistance given by Management to the EA; to review annually the scope and results of the external audit and its cost effectiveness as well as the independence and objectivity of the EA. Where the EA also provide non-audit services to the Company, to review the nature and extent of such services, in order to balance the maintenance of objectivity and value for money, and to ensure that the independence of the EA would not be affected; to review the internal audit programme and the adequacy and effectiveness of the Company's internal audit function, as well as to ensure coordination between the IA and EA and the Management; to review the adequacy and effectiveness of the Company's internal control system, including financial, operational, compliance and information technology controls and to report
		to the Board annually; 11. to review the scope and results of the internal audit procedures including the effectiveness of the internal audit function and ensure that the internal audit function is adequately resourced and has appropriate standing within the Company;

Guideline	Code and/or Guide Description	Company's Compliance or Explanation
Guideline	Code and/or Guide Description	 12. to review and discuss with the EA, any suspected fraud or irregularity, or suspected infringement of any law, rules or regulations, which has or is likely to have a material impact on the Company's operating results or financial position, and Management's response; 13. to investigate any matter within its Terms of Reference, with full access to and co-operation by Management and full discretion to invite any director or executive officer to attend its meetings, and reasonable resources to enable it to discharge its functions properly; 14. to review arrangements by which staff of the Company, may in confidence, raise concerns about possible improprieties in matters of financial reporting or other matters and ensure that arrangements are in place for such concerns to be raised and independently investigated and for appropriate follow up actions to be taken; 15. to report to the Board its findings from time to time on matters arising and requiring the attention of the Board; 16. to review interested person transactions falling within the scope of the Catalist Rules; 17. to recommend to the Board the appointment, re-appointment and removal of the EA and approve the remuneration and
		17. to recommend to the Board the appointment, re-appointment
		and monitoring of the risk management system; 21. to determine the Company's level of risk tolerance; 22. to develop and guide the Board in establishing a process of effectively identifying and managing the implications of risks tolerance in internal controls and strategic transactions to be undertaken by the Company; 23. to oversee and advise the Board on the current risk exposures, overall risk tolerance, and overall risk strategy of the Company;
		24. to annually review the adequacy and effectiveness of the Company's risk management system, including the overall risk assessment processes;25. to review periodically the risk limits established by the Company and where applicable, report on any material breach of such limits and the adequacy of proposed action(s) to be taken, and if necessary, make recommendations on further
		action to be taken; 26. to recommend to the Board the statements to be included in the Company's annual report concerning the adequacy and effectiveness of the Company's internal control and risk management systems;

Guideline	Code and/or Guide Description	Company's Compliance or Explanation
		 27. to monitor the independence of the risk management function throughout the organisation; 28. to review and monitor Management's responsiveness to EA's and IA's findings and proposed mitigating efforts undertaken by Management; 29. to undertake such other reviews and projects as may be requested by the Board; and 30. to undertake such other functions and duties as may be required by statute, the Code of Corporate Governance or the Catalist Rules.
		In the review of the financial statements for FY2018, the ARC has discussed with the Management and the EA on the following key audit matters that have been identified for FY2018:
		 Revenue recognition on construction contracts; Fair value of investment property; and Recoverability of loan to an associated company.
		The ARC has considered the approach and the procedure carried out by the EA during their audit. Following the discussions, the ARC is satisfied that those matters have been properly dealt with and properly supported by audit evidence.
12.2	Are the members of the AC appropriately qualified to discharge their responsibilities?	Yes. The Board considers Dr Tan Eng Liang, who has extensive experience in many other listed companies as AC chairman and/or AC member, well qualified to chair the ARC. Mr Ch'ng Jit Koon is well qualified as ARC member, considering his extensive experience in many listed companies, statutory boards and community entities as member of the AC, member of Board of Trustees and/or member of Board of Governors. Mr Chee Wai Pong and Mr Johnlin Yuwono have years of experience running their own companies, are also appropriately qualified as ARC member.
12.5	Has the AC met with the auditors in the absence of key management personnel?	Yes, the ARC has met with the IA and the EA at least once in the absence of key management personnel in FY2018.
12.6	Has the AC reviewed the independence of the EA?	The ARC has reviewed the non-audit services provided by the EA and is satisfied that the nature and extent of such services would not prejudice the independence of the EA, and has recommended the re-appointment of the EA at the forthcoming AGM.
	(a) Please provide a breakdown of the fees paid in total to the EA for audit and non-audit services for the financial year.	Please refer to Note 23 of the Notes to the Financial Statements on page 82 of this Annual Report.
	(b) If the EA have supplied a substantial volume of non-audit services to the Company, please state the bases for the AC's view on the independence of the EA.	The non-audit services rendered during FY2018 were not substantial.

Guideline	Code and/or Guide Description	Company's Compliance or Explanation
12.7	Does the Company have a whistle-blowing policy?	Yes. The Company has put in place a whistle-blowing framework, endorsed by the ARC, which provides the mechanism where employees of the Company may, in good faith and in confidence, raise concerns or observations about possible improprieties in financial reporting or other matters directly to members of the ARC. Copies of the whistle blowing policy and procedures, including the contact details of the members of the ARC, have been made available to all employees. It has well defined process which ensures independent investigation of possible improprieties with appropriate follow up action and provides assurance that complainants will be protected from retaliatory action within the limit of laws. The Board will review the whistle-blowing policy and determine if it should be extended to external parties in due course.
12.8	What are the AC's activities or the measures it has taken to keep abreast of changes to accounting standards and issues which have a direct impact on financial statements?	In FY2018, the ARC has been briefed by the EA on changes or amendments to accounting standards which have a direct impact on financial statements.
Internal A	<u>udit</u>	
13.1 13.2 13.3 13.4 13.5	Please provide details of the Company's internal audit function, if any.	The Company's internal audit function is outsourced to Wensen Consulting Asia (S) Pte. Ltd. ("Wensen") that reports directly to the ARC Chairman on audit matters and to the Managing Director on administrative matters. The ARC is responsible for the hiring, removal, evaluation and compensation of the accounting or auditing firm or corporation which the internal audit function of the Company is outsourced to.
		The ARC reviews and approves the internal audit plan to ensure the adequacy of the scope of audit. The ARC is satisfied that Wensen is independent, effective and adequately qualified (given, <i>inter alia</i> , its adherence to standards set by nationally/internationally recognised professional bodies) and resourced, and has the appropriate standing in the Company to discharge its duties effectively.
SHAREHOL	DER RIGHTS AND RESPONSIBILITIES	
Sharehold	er Rights	
14.2	(a) Are shareholders informed of the rules, including voting procedures, that govern general meetings of shareholders?	Shareholders are entitled to attend the general meetings of shareholders and are afforded the opportunity to participate effectively in and vote at general meetings of shareholders. An independent polling agent is appointed by the Company for general meetings who will explain the rules, including the voting procedures, that govern the general meetings of shareholders.

Guideline	Code and/or Guide Description	Company's Compliance or Explanation
14.3	Are corporations which provide nominee or custodial services allowed to appoint more than two proxies?	The Company's Constitution allows a shareholder to appoint up to two proxies to attend and vote in the shareholder's place at the general meetings of shareholders. Pursuant to the introduction of the multiple proxies regime under the Singapore Companies (Amendment) Act 2014, indirect investors who hold the Company's shares through a nominee company or custodian bank or through a Central Provident Fund agent bank may attend and vote at general meetings.
Communic	ation with Shareholders	
15.1	Does the Company have an investor relations policy?	The Company currently does not have an investor relations policy but considers advice from its corporate lawyers and professionals on appropriate disclosure requirements before announcing material information to shareholders. The Company will consider the appointment of a professional investor relations officer to manage the function should the need arises.
15.2 15.3 15.4	(a) Does the Company regularly communicate with shareholders and attend to their questions? How often does the Company meet with institutional and retail investors?	In line with the continuous disclosure obligations under the relevant rules, the Board informs shareholders promptly of all major developments that may have a material impact on the Group in a timely manner. Half-year and full year results and other major developments of the Company are published through the
	(b) Is this done by a dedicated investor relations team (or equivalent)? If not, who performs this role?	SGXNet and/or press releases, as required by the Catalist Rules. The Company ensures that price-sensitive information is publicly released, and is announced within the mandatory period. In addition, if the need arises, the Company may organise media/ analyst briefings to enable a better appreciation of the Group's performance and developments, which will also act as platforms to solicit and understand the views of shareholders and investors The Company does not have a dedicated investor relations team. Cindy Lee, the Company's Admin and Corporate Affairs Director is
		responsible for the Company's communication with shareholders Apart from the SGXNET announcements and its annual report, the Company may release press releases or organise media/analyst briefings to keep shareholders informed of corporate developments.
15.5	Does the Company have a dividend policy?	The Company does not have a fixed dividend policy. In considering the declaration of dividends, the Company will have to take into consideration the Group's profit growth, cash position, cash flows, projected capital requirements for business growth and other factors as the Board may deem relevant.
	Is the Company paying dividends for the financial year? If not, please explain why.	The Board has not declared or recommended dividends for FY2018, as the Company has deemed it more appropriate to retain the cash in the Group for its operating cashflow purpose and future growth plans.

Guideline	Code and/or Guide Description	Company's Compliance or Explanation
CONDUCT	OF SHAREHOLDER MEETINGS	
16.1 16.3 16.4 16.5	How are the general meetings of shareholders conducted?	The Company requires all Directors (including the respective chairman of the Board Committees) to be present at all general meetings of shareholders, unless of exigencies. The EA is also required to be present to address shareholders' queries about the conduct of audit and the preparation and content of the independent auditor's report.
		All resolutions will be put to vote by poll, and their detailed results will be announced via SGXNET after the conclusion of the general meeting.
		All minutes of general meetings will be made available to shareholders upon their request within 30 days after the general meetings.

COMPLIANCE WITH APPLICABLE CATALIST RULES			
Catalist Rule	Rule Description	Company's Compliance or Explanation	
712, 715 or 716	Appointment of Auditors	The Company confirms its compliance to the Catalist Rules 712 and 715.	
1204(8)	Material Contracts	There were no material contracts entered into by the Group involving the interest of the CEO, any Director, or controlling shareholder, which are either still subsisting at the end of FY2018 or if not then subsisting, entered into since the end of the previous financial year.	
1204(10)	Confirmation of adequacy of internal controls	The Board and the ARC are of the opinion that the internal controls are adequate to address the financial, operational, compliance and information technology risks which the Group considers relevant and material to its current business scope and environment based on the following:	
		 internal controls and the risk management system established by the Company; work performed by the IA and EA; assurance from the Managing Director and Finance Manager; and reviews done by the various Board Committees and key management personnel. 	
1204(17)	Interested Persons Transaction ("IPT")	The Group has procedures governing all IPTs to ensure that they are properly documented and reported on a timely manner to the ARC and that they are carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority shareholders.	
		There were no IPTs transacted during FY2018.	

COMPLIANCE WITH APPLICABLE CATALIST RULES					
Catalist Rule	Rule Description	Company's Compliance or Explanation			
1204(19)	Dealing in Securities	The Company has adopted a code of conduct to provide guidance to its officers in relation to dealings in the Company's securities. The Company, directors, officers and staff of the Group are not allowed to deal in the Company's securities during the period commencing one month before the announcement of the Company's full year or half-year results and ending on the date of the announcement of such results and at any time they are in possession of unpublished material price sensitive information in relation to these securities. Officers are also advised not to deal in the Company's securities on short-term considerations.			
1204(21)	Non-sponsor fees	There were no non-sponsor fees paid to its continuing sponsor, PrimePartners Corporate Finance Pte. Ltd. during FY2018.

SUSTAINABILITY REPORT

This Sustainability Report is issued by Progen Holdings Ltd (the "Company" and together with its subsidiaries, the "Group") and focuses on the environmental, social and governance ("ESG") factors that are identified as material on the businesses of the Group. This Sustainability Report has been prepared in accordance with Rule 711B and Practice Note 7F: Sustainability Reporting Guide of the Listing Manual (Section B: Rules of Catalist) (the "Catalist Rules") of the Singapore Exchange Securities Trading Limited (the "SGX-ST") and is guided by the Global Reporting Initiatives ("GRI") standards (2016) ("GRI Standards"). It has been prepared for the financial year ended 31 December 2018 ("FY2018"). The Company has chosen the GRI Standards as it represents the global best practices for reporting on economic, environmental and social topics.

Determination of the Sustainability Report content is based on the four GRI Standards principles, namely:

- Stakeholder Engagement
- 2. Sustainability Context
- 3. Materiality
- 4. Completeness

This is the second year that our Company is issuing this Sustainability Report and we have undertaken the phased approach set out in Practice Note 7F: Sustainability Report Guide as specified in the Catalist Rules of the SGX-ST. We endeavor to progressively improve our sustainability reporting in terms of both quality and depth in the years to come.

MANAGEMENT APPROACH

Our sustainability strategy is developed and directed by the senior management of the Company in consultation with the Board of Directors. The management had listed various ESG factors before choosing, with the concurrence of the Board, those that materially impact our business, strategy, business model and key stakeholders to be monitored for the financial year ended 31 December 2017 ("FY2017"). For FY2018, the Company reviewed the material ESG factors identified for FY2017 and confirmed that there are no changes to the material ESG factors identified for reporting. We will continue to evaluate our material ESG factors on an annual basis to ensure that the reported topics remain relevant and material.

The following sections discuss the material ESG factors identified.

ENVIRONMENTAL

Energy Conservation

The Group recognises that its business operations may directly or indirectly contribute to climate change and global warming and is committed to take measures in conserving energy and resources to ensure that its operations have minimal negative environmental impact.

Indirect Impact

After the Air-Conditioning and Mechanical Ventilation Systems are handed over to our customers, we expect the systems to operate for at least seven years or more. Thus, the systems' impact on the environment stretches over a long period after the sale is made. Other than complying with environmental laws and regulations, we strive to introduce and promote environmental-friendly solutions to our customers. We assist customers to design, install and implement systems that qualify for certification under the Building and Construction Authority (BCA) Green Mark Scheme.

Direct Impact

The Group's headquarter building is designed with green features including energy efficient air-conditioning system, energy saving lighting system and water efficient fittings. Office air conditioners are set permanently at energy saving temperature of 24 to 26 degree Celsius and lights are switched off at sectors/rooms that are not in use.

Within the office, we have implemented two-sided printing and the use of recycled paper whenever possible.

For FY2018, there were no violation of laws and regulations in the environmental aspect resulting in fines or sanction and we target to maintain this track record.

SOCIAL

Talent Retention

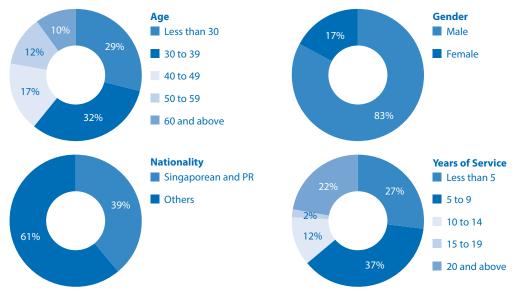

Employees are an important asset in our business. Remuneration packages are reviewed annually to ensure that compensation and benefits are in line with the market to facilitate recruitment and retention of talents. In line with our commitment towards creating a positive work environment, we reward our employees based on their capabilities and performance.

For FY2018, the turnover rate for permanent staff was 9%. For FY2019, the Group targets to maintain turnover rate of below 10% for permanent staff.

SUSTAINABILITY REPORT

Employment Diversity and Equality

The Group does not discriminate employees based on their race, age, gender, religion, ethnicity or nationality. The demographics of employees as at 31 December 2018 are as follows:

The Company targets to maintain its current employment diversity and equality.

Occupational Health and Safety

The Group is committed to providing a healthy and safe working environment by managing our health and safety risks through various Occupational Health and Safety (OHS) Management programs. The objectives and targets of these programs are to minimise accidents at workplace, create safety awareness to all employees to minimise hazardous working environment and ensure conformance to regulatory requirements.

Regular reviews are carried out to evaluate adequacy of existing safety standards and practices. All employees are periodically briefed on the relevant health and safety measures and the practical precautions to be taken. All work-related injury, regardless of its severity, are to be recorded and corrective action plans are to be implemented to prevent recurrence.

For FY2018, there were no incident of reportable accident and no penalty or fine imposed by the relevant authorities for non-conformance to regulatory requirements and we target to maintain this track record.

GOVERNANCE

Corporate Governance

The Group is committed to maintaining high standards of corporate governance and places importance on its corporate governance processes and systems so as to ensure greater transparency, accountability and maximisation of long-term shareholder value.

Please refer to our Corporate Governance Report on pages 9 to 34 of this annual report for details of our corporate governance practices.

Business Ethics

The Group does not engage in bribery or any form of financial crime. Employees are reminded never to offer, promise or give bribes in connection with our business and must never ask for or accept bribes. There have been no reported incidents of bribery nor any form of financial crime. We strive to continuously uphold all laws aimed at countering corruption and we target to maintain this track record.

Whistle-Blowing Framework

To reinforce a culture of good business ethics and governance, the Group has put in place a whistle-blowing framework, endorsed by the Audit & Risk Committee, which provides the mechanism where employees of the Group may, in good faith and in confidence, raise concerns or observations about possible improprieties in financial reporting or other matters directly to members of the Audit & Risk Committee.

For FY2018, there were no incidences of non-compliance with laws and/or regulations resulting in penalty or fines imposed by the relevant authorities and we target to maintain this track record.

BOARD STATEMENT

Our Board considers sustainability issues to be an important part of strategic planning. In the preparation of this Sustainability Report, the Board of Directors has reviewed and considered the material ESG factors and has overseen the management and monitoring of these material ESG factors. We will continue to monitor, review and upgrade our material ESG factors from time to time and improve our Sustainability Report whenever practicable in the future in order to create long-term value for our stakeholders.

DIRECTORS' STATEMENT

The directors present their statement to the members together with the audited consolidated financial statements of Progen Holdings Ltd (the "Company") and its subsidiaries (collectively, the "Group") and the balance sheet and statement of changes in equity of the Company for the financial year ended 31 December 2018.

OPINION OF THE DIRECTORS

In the opinion of the directors,

- the accompanying balance sheets, consolidated statement of comprehensive income, statements of changes in equity, and consolidated cash flow statement together with the notes thereto are drawn up so as to give a true and fair view of the financial position of the Group and of the Company as at 31 December 2018 and the financial performance, changes in equity and cash flows of the Group and the changes in equity of the Company for the year ended on that date, and
- (b) at the date of this statement, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due. Its wholly owned subsidiary has committed to provide financial support to the Company from its credit facility as and when the need arises.

DIRECTORS

The directors of the Company in office at the date of this statement are:

Tan Eng Liang Lee Ee @ Lee Eng Ch'ng Jit Koon Chee Wai Pong Johnlin Yuwono Francis Lau Choo Yew

ARRANGEMENTS TO ENABLE DIRECTORS TO ACQUIRE SHARES AND DEBENTURES

Neither at the end of nor at any time during the financial year was the Company a party to any arrangement whose objects are, or one of whose objects is, to enable the directors of the Company to acquire benefits by means of the acquisition of shares or debentures of the Company or any other body corporate.

DIRECTORS' INTERESTS IN SHARES AND DEBENTURES

The following directors, who held office at the end of the financial year, had, according to the register of directors' shareholdings required to be kept under section 164 of the Singapore Companies Act, Cap. 50, an interest in shares of the Company and related corporations (other than wholly owned subsidiaries) as stated below:

		Direct interest			Deemed interes	emed interest		
	1.1.2018	31.12.2018	21.1.2019	1.1.2018	31.12.2018	21.1.2019

Francis Lau Choo Yew	620,600	620,600	620,600	_	_	_		

DIRECTORS' STATEMENT

Except as disclosed in this statement, no director who held office at the end of the financial year had interests in shares, share options, warrants or debentures of the Company, or of related corporations, either at the beginning of the financial year, or date of appointment if later or at the end of the financial year and at 21 January 2019.

DIRECTORS' CONTRACTUAL BENEFITS

Except as disclosed in the financial statements, since the end of the previous financial year, no director of the Company has received or has become entitled to receive a benefit by reason of a contract made by the Company or a related corporation with the director, or with a firm of which the director is a member, or with a company in which the director has a substantial financial interest.

OPTIONS

The Company does not currently have an Employees' Share Option Scheme. The previous scheme had lapsed on 31 July 2010 and has since been discontinued.

AUDIT & RISK COMMITTEE

The audit & risk committee ("ARC") carried out its functions in accordance with section 201B (5) of the Singapore Companies Act, Cap. 50. The functions performed are detailed in the Report on Corporate Governance.

The ARC recommends to the Board of Directors the nomination of Ernst & Young LLP as external auditor at the forthcoming annual general meeting of the Company.

BOARD'S OPINION ON INTERNAL CONTROLS

Based on the reports submitted by the internal auditor and the various management controls put in place, the Board with the concurrence of the ARC is of opinion that the internal controls and risk management systems of the Company are adequate in addressing its financial, operational, compliance and information technology risks.

AUDITOR

Ernst & Young LLP have expressed their willingness to accept re-appointment as auditor.

On behalf of the board of directors:

Lee Ee @ Lee Eng Director

Tan Eng Liang Director

Singapore 27 March 2019

For the financial year ended 31 December 2018

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PROGEN HOLDINGS LTD

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

OPINION

We have audited the financial statements of Progen Holdings Ltd (the "Company") and its subsidiaries (collectively the "Group"), which comprise the balance sheets of the Group and the Company as at 31 December 2018, the statements of changes in equity of the Group and the Company and the consolidated income statement, consolidated statement of comprehensive income and consolidated cash flow statement of the Group for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group, the balance sheet and the statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Companies Act, Chapter 50 (the Act) and Financial Reporting Standards in Singapore (FRSs) so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 31 December 2018 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group and changes in equity of the Company for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled our responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Revenue recognition on construction contracts

The Group is involved in construction projects and recognise the related contract revenue by reference to the stage of completion of the contract activity (i.e. performance obligation) at the end of each reporting period. The stage of completion is measured by reference to the actual cost incurred to date relative to the total budgeted cost to the completion of the contract activity (i.e., input method). Significant management judgements are used in this assessment and they can significantly impact the results of the Group. For these reasons, we have determined this to be key audit matter.

For the financial year ended 31 December 2018

As part of our audit, we obtained an understanding of the Group's processes and procedures for recognizing revenue from construction contracts, evaluated the effectiveness of management's controls over the revenue recognition process and assessed management's basis of recognising revenue over time. We reviewed the contractual terms and conditions and management's budgeted costs of individually significant projects. We evaluated management's application of the input method in determining the stage of completion of the construction contracts by reviewing the latest costs budgets and actual costs incurred to the reporting date. We tested management's revenue calculations taking into consideration the estimated stage of completion and information on variation orders for the construction contracts. We assessed management's basis in determining whether there is a need to make provisions for onerous loss-making construction contracts. In connection with this, we discussed with management and the relevant project personnel to understand the progress of the projects and if there were any ongoing disputes with the Group's customers, and compared the contract revenue against the estimated total contract costs. We also evaluated the presentation and disclosures in relation to the significant accounting policies for revenue construction contracts, judgment and methods used in estimating revenue, contract assets and contract liabilities and transaction price allocated to remaining performance obligations in Note 21 Revenue.

Fair value of investment property

The Group's investment property is carried at fair value of \$24.0 million, which represents 66% of the Group's total assets as at 31 December 2018. The management determined the investment property's fair value with the assistance of an independent real estate valuation expert ("external appraiser"). The valuation process involves significant judgement in the selection and application of the appropriate valuation techniques, key inputs and estimates. For these reasons, we have determined this to be a key audit matter.

As part of our audit, we considered the objectivity, independence and competency of the external appraiser, and discussed and obtained an understanding of the valuation techniques used by the external appraiser. We evaluated the reasonableness of key inputs used in the valuation, such as property expenses by comparing them against historical and external data. We also involved our internal specialist to assess the appropriateness of the valuation model used, and to review the key estimates relating to price per square feet of the property by making comparison to observable transaction data involving properties with comparable characteristics such as nature, size, location and remaining lease terms. We also considered the adequacy of the related disclosure in Notes 5 Investment Property and 29(c) Fair Value of Assets and Liabilities - Level 3 Fair Value Measurements.

Recoverability of equity investment and loan to an associated company

As at 31 December 2018, the Group has extended an interest-bearing shareholder's loan of \$7.0 million to an associated company. Management has classified the loan as a financial asset carried at amortised cost and the loan is subject to risks of impairment depending on the future operating and financial performance of the associated company's property development activities. Significant management judgement is required in the assessment of the loan's impairment and accordingly, we have determined this to be a key audit matter.

As part of our audit, we assessed the appropriateness of the classification of the loan as financial asset carried at amortised cost. We reviewed management's determination of whether there has been significant increase in the loan's credit risk since initial recognition and whether the expected impairment loss is material to the financial statements. In particular, we considered information on the progress of the associated company's property development and marketing plans, outlook of the relevant property market prices, the credentials, track record and credit default information of the main developer and major shareholder of the associated company, management's forecast of the associated company's future profitability and cash flows generating ability, and external information on the industry default rate. We assessed management's forecasts of the associated company's revenue from property sales and development costs by making comparison to recent comparable sales transactions and information on the contracted development costs. We have also considered the adequacy of the related disclosure in Notes 12 Related party balances and 29(a) Credit risk to the financial statements.

For the financial year ended 31 December 2018

OTHER INFORMATION

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND DIRECTORS FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and FRSs, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

For the financial year ended 31 December 2018

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Ang Chuen Beng.

Ernst & Young LLP Public Accountants and Chartered Accountants Singapore 27 March 2019

CORPORATE INFORMATION 1.

Progen Holdings Ltd (the "Company") is a limited liability company incorporated and domiciled in Singapore and is listed on the Singapore Exchange Securities Trading Limited ("SGX-ST").

The registered office and principal place of business of the Company is located at 28 Riverside Road, Singapore 739085.

The principal activity of the Company is that of investment holding. The principal activities of the subsidiaries and the associated company are disclosed in Note 8 and Note 9 to the financial statements respectively. There have been no significant changes in the nature of these activities during the financial year.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES 2.

2.1 **Basis of preparation**

The consolidated financial statements of the Group and the balance sheet and statement of changes in equity of the Company have been prepared in accordance with Singapore Financial Reporting Standards (International) (SFRS(I)).

For all periods up to and including the year ended 31 December 2017, the Group prepared its financial statements in accordance with Financial Reporting Standards in Singapore (FRS). These financial statements for the year ended 31 December 2018 are the first the Group has prepared in accordance with SFRS(I). Refer to Note 2.2 for information on how the Group adopted SFRS(I).

The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in Singapore Dollars (SGD or \$) and all values in the tables are rounded to the nearest thousand (\$'000), except when otherwise indicated.

As at 31 December 2018, the Group's current liabilities exceeded its current assets by \$71,000 (2017: current liabilities exceeded its current assets by \$1,392,000). The financial statements have been prepared on a going concern basis as the management is reasonably confident that the Group will have sufficient resources including revenue from products and installation and unutilised committed banking facilities for it to pay its debts as and when they fall due.

2.2 First-time adoption of Singapore Financial Reporting Standards (International) (SFRS(I))

These financial statements for the year ended 31 December 2018 are the first the Group and the Company have prepared in accordance with SFRS(I). Accordingly, the Group and the Company have prepared financial statements that comply with SFRS(I) applicable as at 31 December 2018, together with the comparative period data for the year ended 31 December 2017, as described in the summary of significant accounting policies. On preparing the financial statements, the Group's opening balance sheet was prepared as at 1 January 2017, the Group's date of transition to SFRS(I).

The adoption of SFRS(I), including application of new standards does not have any impact to the balance sheet of the Company as at 31 December 2017 and 1 January 2017.

The principal adjustments made by the Group on adoption of SFRS(I) and the adoption of the new standards that are effective on 1 January 2018 are disclosed below.

For the financial year ended 31 December 2018

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

2.2 First-time adoption of Singapore Financial Reporting Standards (International) (SFRS(I)) (Continued)

Exemptions applied on adoption of SFRS(I)

SFRS(I) allows first-time adopters exemptions from the retrospective application of certain requirements under SFRS(I). The Group has applied the following exemptions:

- Cumulative currency translation differences for all foreign operations are deemed to be zero at the date of transition, 1 January 2017. As a result, an amount of \$213,000 was adjusted against the opening retained earnings as at 1 January 2017.
- The comparative information do not comply with SFRS(I) 9 Financial Instruments or SFRS(I) 7 Financial Instruments: Disclosures to the extent the disclosures relate to items within the scope of SFRS(I) 9.

New accounting standards effective on 1 January 2018

The accounting policies adopted are consistent with those previously applied under FRS except that in the current financial year, the Group has adopted all the SFRS(I) which are effective for annual financial periods beginning on or after 1 January 2018. Except for the impact arising from the exemptions applied as described above and the adoption of SFRS(I) 9 and SFRS(I) 15 described below, the adoption of these standards did not have any material effect on the financial performance or position of the Group and the Company.

SFRS(I) 9 Financial Instruments

On 1 January 2018, the Group adopted SFRS(I) 9 Financial instruments, which is effective for annual periods beginning on or after 1 January 2018. SFRS(I) 9 introduces new requirements for classification and measurement of financial assets and impairment of financial assets.

Classification and measurement

Debt instruments

SFRS(I) 9 requires debt instruments to be measured either at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVPL). Classification of debt instruments depends on the entity's business model for managing the financial assets and whether the contractual cash flows represent solely payments of principal and interest (SPPI). An entity's business model is how an entity manages its financial assets in order to generate cash flows and create value for the entity either from collecting contractual cash flows, selling financial assets or both. If a debt instrument is held to collect contractual cash flows, it is measured at amortised cost if it also meets the SPPI requirement. Debt instruments that meet the SPPI requirement that are held both to collect the assets' contractual cash flows and to sell the assets are measured at FVOCI. Financial assets are measured at FVPL if they do not meet the criteria of FVOCI or amortised cost.

The assessment of the business model and whether the financial assets meet the SPPI requirements was made as of 1 January 2018, and then applied retropectively to those financial assets that were not derecognised before 1 January 2018. The Group's debt instruments have contractual cash flows that are solely payments of principal and interest. Debt instruments that were measured at amortised cost previously are held to collect contractual cash flows, and accordingly measured at amortised cost under SFRS(I) 9.

For the financial year ended 31 December 2018

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) 2.

2.2 First-time adoption of Singapore Financial Reporting Standards (International) (SFRS(I)) (Continued)

SFRS(I) 9 *Financial Instruments* (Continued)

Classification and measurement (Continued)

Equity instruments

SFRS(I) 9 requires all equity instruments to be carried at fair value through profit or loss, unless an entity chooses on initial recognition, to present fair value changes in other comprehensive income. For equity securities, the Group continues to measure its quoted equity securities at FVPL.

The adoption of this standard did not result in a change in the classification and measurement of financial assets of the Group.

Impairment

SFRS(I) 9 requires the Group to record expected credit losses on all of its financial assets measured at amortised cost. The Group previously recorded impairment based on the incurred loss model when there is objective evidence that a financial asset is impaired. As the Group has a rigourous counterparty selection and monitors closely the credit risks arising from the financial assets detailed in Note 29(a), the adoption of this standard did not have a material impact on the financial statements for the year ended 31 December 2018.

SFRS(I) 15 Revenue from Contracts with Customers

The Group adopted SFRS(I) 15 which is effective for annual periods beginning on or after 1 January 2018.

The Group applied SFRS(I) 15 retrospectively and has elected to apply the exemption in SFRS(I) 1 to apply the following practical expedients in accordance with the transition provisions in SFRS(I) 15:

- For completed contracts, the Group has not restated contracts that begin and end within the same year or are completed contracts at 1 January 2017. Had the Group elected not to apply this practical expedient, the amount of revenue recorded for the prior year would have been lower;
- For completed contracts that have variable consideration, the Group has used the transaction price at the date the contract was completed instead of estimating variable consideration amounts in the comparative year ended 31 December 2017.;
- For the comparative year ended 31 December 2017, the Group has not disclosed the amount of the transaction price allocated to the remaining performance obligations and an explanation of when the corresponding revenue is expected to be recognised.

Before 1 January 2018, the Group recognised construction contract revenue by reference to the stage of completion of the contract activity at the end of each reporting period (the percentage of completion method), when the outcome of a construction contract can be estimated reliably. The stage of completion is measured by reference to the surveys of work performed. With the adoption of SFRS(I) 15, the Group continues to recognise construction contract revenue over time by measuring the progress towards complete satisfaction of performance obligations. Under the new standard, the methods of measuring progress include output methods or input methods. The Group has determined that the cost-based input method reflects the over-time transfer of control to customers.

For the financial year ended 31 December 2018

For the financial year ended 31 December 2018

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) 2.

2.3 Standards issued but not effective

The Group has not adopted the following standards applicable to the Group that have been issued but not yet effective:

	Effective for annual periods
Description	beginning on or after
SFRS(I) 16 Leases	1 January 2019
SFRS(I) INT 23 Uncertainty over Income Tax Treatments	1 January 2019
Amendments to SFRS(I) 1-28 Long-term Interests in Associates and Joint Ventures	1 January 2019
Annual Improvements to SFRS(I)s 2015-2017 Cycle	1 January 2019
Amendments to SFRS(I) 10 and SFRS(I) 1-28 Sale or Contribution of Assets between an	
Investor and its Associate or Joint Venture	Date to be determined

Except for SFRS(I) 16, the directors expect that the adoption of the other standards above will have no material impact on the financial statements in the year of initial application. The nature of the impending changes in accounting policy on adoption of SFRS(I) 16 are described below.

SFRS(I) 16 Leases

SFRS(I) 16 requires lessees to recognise most leases on balance sheets. The standard includes two recognition exemptions for lessees - leases of 'low value' assets and short-term leases. SFRS(I) 16 is effective for annual periods beginning on or after 1 January 2019. At commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e. the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e. the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset.

The Group plans to adopt SFRS(I) 16 retrospectively with the cumulative effect of initially applying the standard as an adjustment to the opening retained earnings at the date of initial application, 1 January 2019.

On the adoption of SFRS(I) 16, the Group expects to choose, on a lease-by-lease basis, to measure the right-of-use asset at either:

- (i) its carrying amount as if SFRS(I) 16 had been applied since the commencement date, but discounted using the lessee's incremental borrowing rate as of 1 January 2019; or
- an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments (ii) relating to that lease recognised in the statement of financial position immediately before 1 January 2019.

In addition, the Group plans to elect the following practical expedients:

- not to reassess whether a contract is, or contains a lease at the date of initial application and to apply SFRS(I) 16 to all contracts that were previously identified as leases
- to apply the exemption not to recognise right-of-use asset and lease liabilities to leases for which the lease term ends within 12 months as of 1 January 2019
- to apply a single discount rate to a portfolio of leases with reasonably similar characteristics

For the financial year ended 31 December 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.3 Standards issued but not effective (Continued)

The Group has performed a preliminary impact assessment based on currently available information, and the assessment may be subject to changes arising from ongoing analysis until the Group adopts SFRS(I) 16 in 2019.

On the adoption of SFRS(I) 16, the Group expects to recognise right-of-use assets and lease liabilities of \$346,000 for its leases previously classified as operating leases.

2.4 Basis of consolidation and business combination

Basis of consolidation (a)

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the end of the reporting period. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied to like transactions and events in similar circumstances.

All intra-group balances, income and expenses and unrealised gains and losses resulting from intra-group transactions and dividends are eliminated in full.

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

Losses within a subsidiary are attributed to the non-controlling interest even if that results in a deficit balance.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- de-recognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when controls is lost;
- de-recognises the carrying amount of any non-controlling interest;
- de-recognises the cumulative translation differences recorded in equity;
- recognises the fair value of the consideration received;
- recognises the fair value of any investment retained;
- recognises any surplus or deficit in profit or loss;
- re-classifies the Group's share of components previously recognised in other comprehensive income to profit or loss or retained earnings, as appropriate.

For the financial year ended 31 December 2018

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) 2.

2.4 Basis of consolidation and business combination (Continued)

(b) **Business combinations**

Business combinations are accounted for by applying the acquisition method. Identifiable assets acquired and liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. Acquisition-related costs are recognised as expenses in the periods in which the costs are incurred and the services are received.

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration which is deemed to be an asset or liability, will be recognised in profit or loss.

The Group elects for each individual business combination, whether non-controlling interest in the acquiree (if any), that are present ownership interests and entitle their holders to a proportionate share of net assets in the event of liquidation, is recognised on the acquisition date at fair value, or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets.

Non-controlling interest in the acquiree, that are present ownership interests and entitle their holders to a proportionate share of net assets of the acquire are recognised on the acquisition date at either fair value, or the non-controlling interest's proportionate share of the acquiree's identifiable net assets.

Any excess of the sum of the fair value of the consideration transferred in the business combination, the amount of non-controlling interest in the acquiree (if any), and the fair value of the Group's previously held equity interest in the acquiree (if any), over the net fair value of the acquiree's identifiable assets and liabilities is recorded as goodwill. In instances where the latter amount exceeds the former, the excess is recognised as gain on bargain purchase in profit or loss on the acquisition date.

2.5 **Foreign currency**

The financial statements are presented in Singapore Dollars, which is also the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

Transactions and balances (a)

Transactions in foreign currencies are measured in the respective functional currencies of the Company and its subsidiaries and are recorded on initial recognition in the functional currencies at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the closing rate of exchange ruling at the balance sheet date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss.

For the financial year ended 31 December 2018

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) 2.

2.5 Foreign currency (Continued)

(b) **Consolidated financial statements**

For consolidation purpose, the assets and liabilities of foreign operations are translated into SGD at the rate of exchange ruling at the balance sheet date and their profit or loss are translated at average exchange rates for the year which approximate the exchange rates at the date of the transactions. The exchange differences arising on the translation are recognised initially in other comprehensive income and accumulated under currency translation reserve in equity. On disposal of a foreign operation, the cumulative amount recognised in currency translation reserve relating to that particular foreign operation is recognised in the profit or loss.

2.6 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation of an asset begins when it is available for use and is computed on a straight-line basis over the estimated useful life of the asset as follows:

Plant and machinery 10 years Furniture, fittings and equipment 4 to 10 years Motor vehicles 5 years Computers 3 years

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual value, useful life and depreciation method are reviewed at each financial year-end and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the profit or loss in the year the asset is derecognised.

2.7 **Investment properties**

Investment properties are properties that are either owned by the Group or leased under a finance lease in order to earn rentals or for capital appreciation, or both, rather than for use in the production or supply of goods or services, or for administrative purposes, or in the ordinary course of business. Investment properties comprise completed investment properties and properties that are being constructed or developed for future use as investment properties. Properties held under operating leases are classified as investment properties when the definition of investment properties is met.

Investment properties are initially measured at cost, including transaction costs.

Subsequent to initial recognition, investment properties are measured at fair value. Gains or losses arising from changes in the fair values of investment properties are included in profit or loss in the year in which they arise.

For the financial year ended 31 December 2018

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) 2.

2.7 **Investment properties** (Continued)

Investment properties are derecognised when either they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. Any gain or loss on the retirement or disposal of an investment property is recognised in profit or loss in the year of retirement or disposal.

2.8 **Intangible assets**

Intangible assets acquired separately are measured initially at cost. The cost of intangible assets acquired in a business combination is their fair value as at the date of acquisition. Following initial acquisition, intangible assets are carried at cost less any accumulated amortisation and any accumulated impairment losses. Internally generated intangible assets, excluding capitalised development costs, are not capitalised and expenditure is reflected in profit or loss in the year in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite useful lives are amortised over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method are reviewed at least at each financial year-end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

Intangible assets with indefinite useful lives or not yet available for use are tested for impairment annually, or more frequently if the events and circumstances indicate that the carrying value may be impaired either individually or at the cash-generating unit level. Such intangible assets are not amortised. The useful life of an intangible asset with an indefinite useful life is reviewed annually to determine whether the useful life assessment continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss when the asset is derecognised.

Research and development costs

Research costs are expensed as incurred. Development costs arising from development expenditures on an individual project are recognised as an intangible asset when the Group can demonstrate the technical feasibility of completing the intangible asset so that it will be available for use or sale, its intention to complete and its ability to use or sell the asset, how the asset will generate future economic benefits, the availability of resources to complete and the ability to measure reliably the expenditures during the development.

Upon completion of the development and when available for use, the development cost is reclassified to intangible asset and is carried at cost less accumulated amortisation and any accumulated impairment losses. The intangible asset have a finite useful life and is amortised over 6 years on a straight line basis.

2.9 Impairment of non-financial assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, or when annual impairment testing for an asset is required, the Group makes an estimate of the asset's recoverable amount.

For the financial year ended 31 December 2018

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) 2.

2.9 **Impairment of non-financial assets** (Continued)

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses of continuing operations are recognised in profit or loss, except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case, the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increased amount cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Reversal of an impairment loss is recognised in the profit or loss unless the asset is measured at revalued amount, in which case the reversal in excess of impairment loss previously recognised through the profit or loss is treated as a revaluation increase

2.10 Subsidiaries

A subsidiary is an investee that is controlled by the Group. The Group controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

In the Company's separate financial statements, investments in subsidiaries are accounted for at cost less any impairment losses.

2.11 Associated company

An associated company is an entity which the Group has the power to participate in the financial and operating policy decisions of the investee but does not have control or joint control of those policies.

The Group account for its investment in the associated company using the equity method from the date on which it becomes an associated company.

On acquisition of the investment, any excess of the cost of the investment over the Group's share of the net fair value of the investee's net identifiable assets and liabilities is accounted for as goodwill and is included in the carrying amount of the investments. Any excess of the Group's share of the net fair value of the investee's identifiable assets and liabilities over the cost of the investment is included as income in the determination of the entity's share of the associated company's profit or loss in the period in which the investment is acquired.

Under the equity method, the investment in an associated company is carried in the balance sheet at cost plus post-acquisition changes in the Group's share of net assets of the associated company. The profit or loss reflects the share of results of the operations of the associated company. Distributions received from the associated company reduce the carrying amount of the investment. Where there has been a change recognised in other comprehensive income by the associated company, the Group recognizes its share of such changes in other comprehensive income. Unrealised gains and losses resulting from transactions between the Group and the associated company are eliminated to the extent of the interest in the associated company.

For the financial year ended 31 December 2018

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) 2.

2.11 Associated company (Continued)

When the Group's share losses in an associated company equal or exceeds its interest in the associated company, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the associated company.

2.12 Financial instruments

Financial assets (a)

Initial recognition and measurement

Financial assets are recognised when, and only when the entity becomes party to the contractual provisions of the instruments.

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Trade receivables are measured at the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third party, if the trade receivables do not contain a significant financing component at initial recognition.

Investments in debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the contractual cash flow characteristics of the asset.

Amortised cost

Financial assets that are held for the collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the assets are derecognised or impaired, and through amortisation process.

Investments in equity instruments

On initial recognition of an investment in equity instrument that is not held for trading, the Group may irrevocably elect to present subsequent changes in fair value in OCI. Dividends from such investments are to be recognised in profit or loss when the Group's right to receive payments is established. For investments in equity instruments which the Group has not elected to present subsequent changes in fair value in OCI, changes in fair value are recognised in profit or loss.

Derecognition

A financial asset is derecognised where the contractual rights to receive cash flows from the asset have expired. On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income is recognised in profit or loss.

For the financial year ended 31 December 2018

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) 2.

2.12 **Financial instruments** (Continued)

(b) Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at fair value through profit or loss, directly attributable transaction costs.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. On derecognition, the difference between the carrying amounts and the consideration paid is recognised in profit or loss.

2.13 Impairment of financial assets

The Group recognises an allowance for expected credit losses (ECLs) for all financial assets not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

(a) Simplified approach

For trade receivables and contract assets, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

For the financial year ended 31 December 2018

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) 2.

2.13 **Impairment of financial assets** (Continued)

(b) General approach

The Group applies the general approach to provide for ECLs on all other financial assets not held at fair value through profit or loss. Under the general approach, the loss allowance is measured at an amount equal to 12-month ECLs at initial recognition.

At each reporting date, the Group assesses whether the credit risk of a financial instrument has increased significantly since initial recognition. When credit risk has increased significantly since initial recognition, loss allowance is measured at an amount equal to lifetime ECLs.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and includes forwardlooking information.

If credit risk has not increased significantly since initial recognition or if the credit quality of the financial instruments improves such that there is no longer a significant increase in credit risk since initial recognition, loss allowance is measured at an amount equal to 12-month ECLs.

The Group considers a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

2.14 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. These also include bank overdrafts, if any that form an integral part of the Group's cash management.

For the purposes of the consolidated cash flow statement, cash and cash equivalents comprise cash and bank balances and unpledged fixed deposits, net of bank overdrafts, if any.

2.15 Inventories

Inventories are stated at the lower of cost and net realisable value.

Cost incurred in bringing the inventories to their present location and condition, includes cost of finished goods and other direct attributable costs and is accounted for on a first-in-first-out basis. Cost of finished goods comprises direct materials, labour and an appropriate proportion of production overhead expenditure.

Where necessary, allowance is provided for damaged, obsolete and slow moving items to adjust the carrying value of inventories to the lower of cost and net realisable value. Net realisable value is based on estimated selling price in ordinary course of business less estimated costs of completion and the estimated costs necessary to make the sale.

For the financial year ended 31 December 2018

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) 2.

2.16 Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Changes in the estimated timing or amount of the expenditure or discount rate are recognised in profit or loss when the changes arise.

2.17 **Employee benefits**

(a) **Defined contribution plan**

The Group participates in the national pension schemes as defined by the laws of the countries in which it has operations. In particular, the Singapore companies in the Group make contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

(b) Employee leave entitlement

Employee entitlements to annual leave are recognised as a liability when they accrue to the employees. The estimated liability for leave is recognised for services rendered by employees up to the balance sheet date.

2.18 Leases

(a) As lessee

Operating lease payments are recognised as an expense in the profit or loss on a straight-line basis over the lease term. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

(b) As lessor

Leases in which the Group does not transfer substantially all the risks and rewards of ownership of the asset are classified as operating leases. Initial direct costs incurred in negotiating an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same bases as rental income. The accounting policy for rental income is set out in Note 2.19(c). Contingent rents are recognised as revenue in the period in which they are earned.

2.19 Revenue

Revenue is measured based on the consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

For the financial year ended 31 December 2018

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) 2.

2.19 Revenue (Continued)

Revenue is recognised when the Group satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

Products and installation (a)

Revenue from the sale of goods is recognised upon transfer of significant risks and rewards of ownership of the goods to the customer.

Revenue is not recognised to the extent where there are significant uncertainties regarding recovery of the consideration due, associated costs or the possible return of goods.

Revenue from the contracting of installation is recognised by reference to the stage of completion at the balance sheet date. Stage of completion is determined by reference to contract costs incurred to date as a percentage of total estimated costs.

(b) Servicing and maintenance

Revenue from the provision of services is recognised upon the performance of services to the customer. Revenue from such services which is billed or collected in advance of the services being rendered, is deferred and reflected as deferred revenue.

Rental income (c)

Rental income arising from operating leases on the investment property is accounted for on a straight-line basis over the lease terms. The aggregate costs of incentives provided to lessees are recognised as a reduction of rental income over the lease term on a straight-line basis.

(d) **Dividend** income

Dividend income is recognised when the Group's right to receive payment is established.

Interest income (e)

Interest income is recognised using the effective interest method.

2.20 Income taxes

Current tax (a)

Current tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amounts are those that are enacted or substantively enacted at the balance sheet date, in countries where the Group operates or generates taxable income.

For the financial year ended 31 December 2018

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) 2.

2.20 **Income taxes** (Continued)

(a) **Current tax** (Continued)

Current taxes are recognised in the profit or loss except to the extent that tax relates to items recognised outside profit or loss, are recognised in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and recognises provisions where appropriate.

(b) **Deferred** tax

Deferred income tax is provided using the liability method on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all temporary differences, except:

- Where the deferred income tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of taxable temporary differences associated with investments in subsidiaries, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised except:

- Where the deferred income tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred income tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax asset is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each balance sheet date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the end of each reporting period.

For the financial year ended 31 December 2018

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) 2.

2.20 **Income taxes** (Continued)

(b) **Deferred tax** (Continued)

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity and deferred tax arising from a business combination is adjusted against goodwill on acquisition.

(c) Sales tax

Revenues, expenses and assets are recognised net of the amount of sales tax except:

- Where the sales tax incurred in a purchase of assets or services is not recoverable from the taxation authority, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables that are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authority is included

2.21 Share capital and share issuance expenses

Proceeds from issuance of ordinary shares are recognised as share capital in equity. Incremental costs directly attributable to the issuance of ordinary shares are deducted against share capital.

2.22 Contingencies

A contingent liability is:

- a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence (a) or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or
- (b) a present obligation that arises from past events but is not recognised because:
 - It is not probable that an outflow of resources embodying economic benefits will be required to settle (i) the obligation; or
 - The amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingent liabilities and assets are not recognised on the balance sheet of the Group, except for contingent liabilities assumed in a business combination that are present obligations and which the fair values can be reliably determined.

For the financial year ended 31 December 2018

SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES 3.

The preparation of the Group's consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the balance sheet date. Uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future periods. Management is of the opinion that there is no significant judgement made in applying accounting policies that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial period.

3.1 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period are discussed below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

Revenue from construction contracts (a)

The Group recognises contract revenue by reference to the stage of completion of the contract activity at the end of each reporting period, when the outcome of a construction contract can be estimated reliably. The stage of completion is measured by reference to the proportion that contract costs incurred for work performed to date bear to the estimated total contract costs. Significant assumptions are required to estimate the total contract costs and the recoverable variation works that will affect the stage of completion and revenue recognised. The estimates are made based on past experience and knowledge of the project engineers. The carrying amounts of assets and liabilities arising from construction contracts at the end of each reporting period are disclosed in Note 21(c) to the financial statements. If the estimated total contract cost had been 5% lower/higher than management estimate, the carrying amount of the assets and liabilities arising from construction contracts would have been \$59,000 (2017: \$328,000) higher/lower and \$1,087,000 (2017: \$2,083,000) lower/higher respectively.

(b) **Revaluation of investment property**

The Group carries its investment property at fair value, with changes in fair value being recognised in profit or loss. The fair value of investment property is determined by independent real estate valuation expert using direct comparison approach. The determination of the fair value of the investment property requires the use of estimates such as price per square feet. These estimates are based on local market conditions existing at the end of each reporting date. In relying on the valuation report, management has exercised its judgement to ensure that the valuation method and estimates are reflective of current local market conditions existing at the end of each reporting date.

The carrying amount of investment property and the key assumptions used to determine the fair value of the investment property are further disclosed in Note 5 and Note 29(c) to the financial statements.

For the financial year ended 31 December 2018

SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES (CONTINUED) 3.

3.1 **Key sources of estimation uncertainty** (Continued)

(c) Provision for expected credit losses of financial assets carried at amortised costs

(i) Simplified approach

The Group uses a provision matrix to calculate ECLs for trade receivables and contract assets. The provision rates are based on days past due for groupings of various customer segments that have similar loss patterns.

The provision matrix is initially based on the Group's historical observed default rates. The Group will calibrate the matrix to adjust historical credit loss experience with forward-looking information. At every reporting date, historical default rates are updated and changes in the forward-looking estimates are analysed.

The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions. The Group's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future.

The carrying amount of trade receivables and contract assets as at 31 December 2018 are disclosed in Note 10 and 21(c) to the financial statements.

(ii) General approach

The Group applies the general approach to provide for ECLs on all other financial assets carried at amortised cost. At each reporting date, the Group assesses at whether the credit risk of a financial asset has increased significantly since initial recognition. When initial credit risk has increased significantly since initial recognition, loss allowance is measured at an amount equal to lifetime ECLs.

The assessment of whether credit risk of a financial asset has increased significantly since initial recognition is a significant estimate. Credit risk assessment is based on both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and includes forward-looking information.

The carrying amounts of these financial assets are disclosed in Note 12 to the financial statements.

At 31 December	24,000	24,000	26,000
Direct operating expenses (including repairs and maintenance)	297	282	181

Investment property is stated at fair value as at 31 December 2018, 31 December 2017 and 1 January 2017. This was determined based on valuation performed by Premas Valuers & Property Consultants Pte Ltd (31 December 2017: Premas Valuers & Property Consultants Pte Ltd, 1 January 2017: HBA Group Property Consultants Pte Ltd), an accredited independent valuer. There was no fair value loss recorded for the year ended 31 December 2018 (2017: \$1,812,000 recorded in "Other expenses" in profit or loss). The fair value of the investment property is determined using the Direct Comparison Method (31 December 2017: Direct Comparison Method, 1 January 2017: Income method) which takes into account the price per square feet (31 December 2017: price per square feet, 1 January 2017: estimated gross rental income and a capitalisation rate) applicable to the property, and the assumption that the option to renew for another 30 years is exercised. In arriving at its estimate of market value, the valuer has used his market knowledge and professional judgement.

The investment property held by the Group as at 31 December 2018 is as follows:

Description and Location	Existing Use	Tenure	Unexpired lease term		
8-storey factory building at	Factory	Leasehold	30-year lease commencing from		
28 Riverside Road, Singapore 73908	5	(Note 27)	1 February 1992.		
			(Option to renew for another 30		
			years)		

Valuation policies and procedures

The fair value of investment property is determined by external independent professional valuer with a recognised and relevant professional qualification and with experience in the location and category of the property being valued. Management reviews the appropriateness of the valuation methodology and assumptions adopted, and the reliability of the inputs used in the valuation.

Property pledged as security

As at 31 December 2018 and 2017, the investment property is pledged to secure for the bank borrowing (Note 17).

For the financial year ended 31 December 2018

Fixed deposits	13	2,055	3,648		
	1,461	2,781	5,838	111	60

Cash balances at bank earn interest at floating rates based on daily bank deposit rates. Current fixed deposits are made for 3 months and earn interest at the respective deposit rates. The current fixed deposits bear interest of 1.39% (31 December 2017: 1.15%, 1 January 2017: 0.85% to 1.45%) per annum.

Included in cash and cash equivalents of the Group are \$14,000 (31 December 2017: \$14,000, 1 January 2017: \$15,000) denominated in US Dollars ("USD").

A floating charge has been placed on cash and bank balances with a carrying value of \$221,000 (31 December 2017: \$2,066,000, 1 January 2017: \$Nil) as security for the bank loan (Note 17).

For the financial year ended 31 December 2018

7. **CASH AND CASH EQUIVALENTS (CONTINUED)**

Not included in the Group's cash and cash equivalents are:

		Group		
	31 December	31 December	1 January	
	2018	2017	2017	
	\$′000	\$'000	\$'000	
Non-current				
Fixed deposits	2,000	2,000	4,000	

Non-current fixed deposits are pledged to banks for banking facilities for one of its subsidiaries. As at 31 December 2017, these pledged fixed deposits have been reduced after taking up Revolving Credit Facility with bank. The remaining fixed deposit will be rolled over upon maturity at the end of term and it currently bears interest at 1.43% (31 December 2017: 1.07%, 1 January 2017: 1.59%) per annum.

8. **INVESTMENT IN SUBSIDIARIES**

Company	
31 December	31 December
2018	2017
\$'000	\$'000
8,987	9,123
	(136)
8,987	8,987
	31 December 2018 \$'000 8,987

Assessment of impairment in investment in subsidiaries is carried out at the end of each reporting date and the necessary allowances are made accordingly. There is no impairment loss being recognised in the current year (2017: \$16,000).

Composition of the Group

The Group has the following investment in subsidiaries.

		Proportion (%) of ownership interest			
Name of company (Country of incorporation)	Principal activities (Principal place of business)	31 December 2018	31 December 2017	1 January 2017	
Held by the Company:

			<u></u>	%	%
TSky Balmoral Pte Ltd ⁽¹⁾	Singapore	Property development	20	20	_

⁽¹⁾ Audited by KPMG, Singapore.

The activities of the associated company are strategic to the Group's activities. The Group has not recognised losses relating to TSky Balmoral Pte Ltd ("TSky") where its share of losses exceeds the Group's interest in this associate. The Group's cumulative share of unrecognised losses at the end of the reporting period was \$132,000 (2017: Nil), which relates to the share of the current year's losses. The Group has no obligation in respect of these losses.

The summarised financial information in respect of TSky Balmoral Pte Ltd ("TSky") based on the FRS financial statements and reconciliation with the carrying amount of the investment in the consolidated financial statements are as follows:

Written off	28		
At 31 December	(738)	(780)	(740)

Trade receivables are non-interest bearing and are generally on 30 to 90 days terms. They are recognised at their original invoice amounts which represent their fair values on initial recognition.

Trade receivables that are determined to be impaired at the balance sheet date relate to debtors that are in significant financial difficulties or have defaulted on payments. They are not secured by any collateral or credit enhancements.

Trade receivables are denominated in SGD.

For the financial year ended 31 December 2018

10. **TRADE RECEIVABLES (CONTINUED)**

Receivables that are past due but not impaired

The Group has trade receivables amounting to \$423,000 as at 31 December 2017 and \$510,000 as at 1 January 2017 that are past due at the balance sheet date but not impaired. These receivables are unsecured and the analysis of their aging at the balance sheet date is as follows:

	Gro	Group	
	31 December 2017 \$'000	1 January 2017 \$'000	
Trade receivables past due:			
1 to 30 days	141	405	
31 to 60 days	135	5	
61 to 90 days	-	_	
More than 90 days	147	100	
	423	510	

Receivables that are impaired

As at 31 December 2017, the Group has provided an allowance of \$605,000 (1 January 2017: \$582,000) for impairment of the retention monies receivable and \$175,000 (1 January 2017: \$158,000) for impairment of trade receivables from customers with a nominal amount of \$605,000 (1 January 2017: \$582,000) and \$175,000 (1 January 2017: \$158,000) respectively.

Expected credit losses

The movement in allowance for expected credit losses of trade receivables and retention receivables computed based on lifetime ECL are as follows:

	Gro	oup
	Trade receivables 2018 \$'000	Retention receivables 2018 \$'000

At fair value through profit or loss - Equity instruments (quoted)		53
	Gro	up
	31 December	1 January
	2017	2017
	<u></u> \$′000	\$'000
Held for trading investments at fair value		
- Equity instruments (quoted)	61	57

During the financial year, the Group recognised a fair value gain arising from investments in equity instruments amounting to fair value loss of \$8,000 (2017: fair value gain of \$4,000) directly in the profit or loss.

RELATED PARTY BALANCES 12.

Loan to an associated company (non-current)

The loan is interest bearing, unsecured repayable upon the completion of the associated company's development project and is to be settled in cash. The interest rate is pegged to the interest rate of the land loan obtained by the associated company from external banks.

This amount relates to shareholder's loan provided to the associated company for the property development project at 17 Balmoral Road.

The Group considers default when there is adverse internal or external information relating to the progress of the planned development. As at 31 December 2018, the Group has not recorded any expected credit loss on the loan to an associated company.

Amount due from a subsidiary (non-current)

The non-trade amount is interest-free and not expected to be repaid in the next 12 months. The settlement of the amount is neither planned nor likely to occur in the foreseeable future. As the amount forms, in substance, part of the net investment in the subsidiary, it is stated at cost.

Amount due from subsidiaries (current)

	Com	Company		
	31 December 2018	31 December 2017

For the financial year ended 31 December 2018

12. **RELATED PARTY BALANCES (CONTINUED)**

Amounts due from subsidiaries (current) (Continued)

The non-trade balances relate to management fees due, common cost allocations as well as payment made on behalf of these subsidiaries. At the balance sheet date, the Company has provided an allowance of \$120,000 (2017: \$120,000) for doubtful recovery of amounts due from subsidiaries.

Amounts due from subsidiaries are denominated in SGD.

Amounts due to subsidiaries

The non-trade balances relate to payments made on behalf by the subsidiaries.

	2018	2017	2017
	\$'000	\$'000	\$'000
Current			
SGD revolving loan		2,950	

This facility is repayable on demand. The effective interest rates for this facility ranged from 2.95% to 3.30% per annum. The securities provided for this loan comprise:

- Mortgage over the investment property of the Group (Note 5);
- Assignment of all rights, interests, benefits arising from the rental of the investment property;
- Floating charge over the subsidiary's account maintained with the bank for purpose of crediting the rental proceeds (Note 7); and
- Continuing corporate guarantee for all monies by the Company.

The loan facility includes the following financial covenants:

- Maintain a tangible net worth of \$14,000,000 by the subsidiary throughout the tenure of the loan; and
- Maintain aggregate outstanding debt secured against the investment property not exceeding 65% of the estimated market value of the investment property.

A reconciliation of liabilities arising from financing activities is as follows:

Unutilised tax losses	(870)	(526)	(7)					
	(869)	(521)	(37)				(3)	(18)

Deferred tax asset recognised

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. In determining the timing and level of future taxable profits together with future tax planning strategies, the Group assessed the probability of expected future cash inflows based on expected revenues from existing contracts for the next financial year.

Deferred tax asset not recognised

Deferred tax asset arising from temporary differences are not recognised due to uncertainty of its recoverability.

At a point in time^	799	496
Over time*	1,400	2,795
	2,199	3,291

[^] Pertains to revenue from the servicing and maintenance and rental income.

(b) Judgement and methods used in estimating revenue

For the revenue from product and installation where the Group satisfies its performance obligations over time, management has determined that a cost-based input method provides a faithful depiction of the Group's performance in transferring control of the product and installation works to the customers, as it reflects the Group's efforts incurred to date relative to the total inputs expected to be incurred for the product and installation works. The measure of progress is based on the costs incurred to date as a proportion of total costs expected to be incurred up to the completion of the products and installation works.

The estimated total costs is based on contracted amounts and, in respect of amounts not contracted for, management relies on past experience and knowledge of the project managers to make estimates of the amounts to be incurred. In making these estimates, management takes into consideration the historical trends of the amounts incurred in other similar product and installation projects for the past 2 to 3 years.

Pertains to revenue from product and installation.

For the financial year ended 31 December 2018

21. **REVENUE** (CONTINUED)

Contract assets and contract liabilities (c)

Information about receivables, contract assets and contract liabilities from contracts with customers is disclosed as follows:

		Group	
	31 December	31 December	1 January
	2018	2017	2017
	\$'000	\$'000	\$'000
Receivables from contracts with customers (Note 10)	722	1,133	1,299
Contract assets	78	362	2,169
Contract liabilities	201	117	203

The Group has recognised impairment losses on receivables arising from contracts with customers amounting to \$9,000 (2017: \$40,000).

Contract assets primarily relate to the Group's right to consideration for work completed but not yet billed at reporting date for products and installation projects. Contract assets are transferred to receivables when the rights become unconditional.

Contract liabilities primarily relate to the Group's obligation to transfer goods or services to customers for which the Group has received advances received from customers for products and installation projects. Contract liabilities are recognised as revenue as the Group performs under the contract.

(i) A reconciliation of the carrying amount of the contract assets is as follows:

LOSS PER SHARE 26.

Loss per share is calculated by dividing the net loss for the year attributable to ordinary equity holders of the Company by the weighted average number of ordinary shares outstanding during the financial year. The weighted average number of shares takes into account the weighted average effect of the rights issue during the year.

The following reflects the net loss and share data used in the basic and diluted loss per share computations for the years ended 31 December:

	Group

	No. of s	hares	
		'000	
Weighted average number of ordinary shares in issue applicable to			
basic and diluted earnings per share	334,623	271,981	

The diluted loss per share is the same as the basic loss per share as the Company does not have any diluted potential ordinary shares for the financial years ended 31 December 2018 and 2017.

27. **COMMITMENTS**

(a) Operating lease commitments - As lessee

A subsidiary holds a leasehold building under an agreement with the Housing and Development Board. There are no restrictions placed upon the Company or its subsidiary by entering into these leases.

Minimum lease payments, recognised as an expense in profit or loss for the financial year ended 31 December 2018 amounted to \$93,000 (2017: \$97,000).

Future minimum lease payments for all leases with initial or remaining terms of one year or more are as follows:

aP	Company								
2018 2017	2018 2017 2018		2018 2017 2018		2018 2017 2018		2018 2017	2018	2017
\$'000	\$'000	\$'000							
181	151	88							
286_	76								
467	227	88							
	\$'000 181 286	2017 2018 \$'000 \$'000 181 151 286 76							

In respect of the leasehold building held by a subsidiary, the subsidiary has the option to renew the lease of leasehold land for another 30 years after the expiry of the current leasehold period of 30 years on 1 February 2022. Lease rental is subject to an annual revision as specified in the agreement. The leasehold building is classified as investment property (Note 5). In 2018, HDB has transferred the leasehold land to JTC with effect from 1 January 2018. Lease rental is subject to an annual revision issued by JTC from 1 January 2018 onwards.

For the financial year ended 31 December 2018

27. **COMMITMENTS** (CONTINUED)

Operating lease commitments - As lessor (b)

The Company had entered into a leasing agreement on its investment property. The lease has a remaining lease term of between one and two months.

Minimum lease payments, recognised as an income in profit or loss for the financial year ended 31 December 2018 amounted to \$151,000 (2017: \$69,000).

Future minimum lease receivable for the lease arrangement with remaining terms of one year or more are as follows:

	Group		
	2018 2		
	\$'000	\$'000	
Within one year	380	220	
After one year but not more than five years	133		
	513	220	

28. **RELATED PARTY DISCLOSURES**

An entity or individual is considered a related party of the Group for the purpose of the financial statements if,

- (i) It possesses the ability (directly or indirectly) to control or exercise significant influence over the operating and financial decisions of the Group or vice versa; or
- It is subject to common control or common significant influence.

During the financial year, other than those disclosed elsewhere in the financial statements, related party transactions of the Group are as follows:

Compensation of key management personnel

	Group		
	2018	2017	
	\$'000	\$'000	
Salaries and other emoluments	1,482	1,611	
Central Provident Fund contributions	57	82	
Other short-term benefits		104	
	1,539	1,797	
Comprise amounts paid to:			
- Directors of the Company	998	1,078	
 Other key management personnel 	541	719	
	1,539	1,797	

The remuneration of key management personnel is determined by the remuneration committee having regard to the performance of individuals and market trends.

For the financial year ended 31 December 2018

29. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group and the Company are exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include credit risk and liquidity risk. The board of directors reviews and agrees policies and procedures for the management of these risks, which are executed by the management. The Audit & Risk Committee provides independent oversight to the effectiveness of the risk management process.

The following sections provide details regarding the Group's and Company's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

Credit risk (a)

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Group's and the Company's exposure to credit risk arises primarily from trade and other receivables, loan to an associated company and amounts due from subsidiaries. For other financial assets (including investment securities and cash and cash equivalents), the Group and the Company minimise credit risk by dealing exclusively with high credit rating counterparties.

The Group's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. The Group trades only with recognised and creditworthy third parties. It is the Group's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an ongoing basis with the result that the Group's exposure to bad debts is not significant.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Simplified approach

For trade receivables and contract assets, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

General approach

The Group applies the general approach to provide for ECLs on all other financial assets not held at fair value through profit or loss. Under the general approach, the loss allowance is measured at an amount equal to 12-month ECLs at initial recognition.

At each reporting date, the Group assesses whether the credit risk of a financial instrument has increased significantly since initial recognition. When credit risk has increased significantly since initial recognition, loss allowance is measured at an amount equal to lifetime ECLs.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and includes forwardlooking information.

For the financial year ended 31 December 2018

FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED) 29.

Credit risk (Continued) (a)

If credit risk has not increased significantly since initial recognition or if the credit quality of the financial instruments improves such that there is no longer a significant increase in credit risk since initial recognition, loss allowance is measured at an amount equal to 12-month ECLs.

The Group considers a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

Exposure to credit risk

At the balance sheet date, the Group's and the Company's maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the balance sheets.

Credit risk concentration profile

The Group determines concentrations of credit risk by monitoring the country and industry sector profile of its trade receivables on an on-going basis. The credit risk concentration profile of the Group's trade at the balance sheet date is as follows:

	Group				
	2	018	20	017	
	\$'000	% of total	\$'000	% of total	
By country:					
Singapore	722	100	1,133	100	
By industry sectors:					
Products and installation	694	96	1,090	96	
Servicing and maintenance	28	4	43	4	
	722	100	1,133	100	

Financial assets that are neither past due nor impaired

Trade and other receivables and amount due from subsidiaries that are neither past due nor impaired are creditworthy debtors with good payment record with the Group and the Company. Cash and cash equivalents are placed with reputable financial institutions with high credit ratings and no history of default.

Financial assets that are either past due or impaired

Information regarding financial assets that are either past due or impaired is disclosed in Note 10 (Trade receivables) and Note 12 (Related party balances).

For the financial year ended 31 December 2018

29. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(b) **Liquidity risk**

Liquidity risk is the risk that the Group or the Company will encounter difficulties in meeting financial obligations due to shortage of funds. The Group's and the Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Group and the Company manage liquidity risk by maintaining a balance between continuity of funding and flexibility through the use of standby credit facilities.

The table below summarises the maturity profile of the Group's and the Company's financial assets and liabilities at the balance sheet date based on contractual undiscounted payments.

FAIR VALUE OF ASSETS AND LIABILITIES 30.

Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in an arm's length transaction, other than in a forced or liquidation sale. Fair values are obtained from quoted market prices, discounted cash flow models and option pricing models as appropriate.

The financial instruments of the Group and Company as at 31 December by classes are as follows:

	Group			Company		
	31 December	31 December	1 January	31 December	31 December	
	2018	2017	2017	2018	2017

(a) Fair value hierarchy

The Group categorises fair value measurements using a fair value hierarchy that is dependent on the valuation inputs used as follows:

- Level 1 Quoted prices (unadjusted) in active market for identical assets or liabilities that the Group can access at the measurement date,
- Level 2 Inputs other that quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, and
- Level 3 Unobservable inputs for the asset or liability.

Transfers between levels of the fair value hierarchy are deemed to have occurred on the date of the event or change in circumstances that caused the transfers.

For the financial year ended 31 December 2018

2017

30. FAIR VALUE OF ASSETS AND LIABILITIES (CONTINUED)

(b) Assets and liabilities measured at fair value

The following table shows an analysis of each class of assets and liabilities measured at fair value at the end of the reporting period:

(c) Level 3 fair value measurements

(i) Information about significant unobservable inputs used in Level 3 fair value measurements

The following table shows the information about fair value measurements using significant unobservable input level 3.

Description	Fair value (\$'000)	Valuation techniques	Unobservable inputs	Range \$
Recurring fair value measurement				
31 December 2018				
Investment property – Factory	24,000	Direct comparison method	Price per square feet	120 – 230
31 December 2017				
Investment property – Factory	24,000	Direct comparison method	Price per square feet	142 – 282
1 January 2017				
Investment property – Factory	26,000	Income Method	Capitalisation rate	6%
			Gross rental income	\$260 psf

For the financial year ended 31 December 2018

FAIR VALUE OF ASSETS AND LIABILITIES (CONTINUED) 30.

(c) Level 3 fair value measurements (Continued)

(i) Information about significant unobservable inputs used in Level 3 fair value measurements (Continued)

Observable inputs are quoted prices for assets in a market. Where the market price for an asset is not available, unobservable inputs are used and they are developed using assumptions that market participants would use when pricing the asset.

Where necessary, these inputs have been adjusted to reflect specific circumstances of the investment property and developed using the best information available about the assumptions that market participants would use when pricing the assets.

A significant increase/(decrease) in price per square feet based on management's assumptions would result in a significantly higher/(lower) fair value measurement.

(ii) Movements in Level 3 assets and liabilities measured at fair value

The following table presents the reconciliation for all assets and liabilities measured at fair value based on significant unobservable inputs:

	Group		
	Investment	Investment	
	property	property	
	Factory	Factory	
	2018	2017	
	\$'000	\$'000	
At 1 January	24,000	26,000	
Total losses for the period			
Included in profit or loss	_	(1,812)	
Transfer to property, plant and equipment	_	(386)	
Purchases, issues, sales and settlements			
Purchases		198	
At 31 December	24,000	24,000	

(iii) Valuation policies and procedures

For all significant financial reporting valuations using valuation models and significant unobservable inputs, it is the Group's policy to engage external valuation appraisers who possess the relevant credentials and knowledge on the subject of valuation, valuation methodologies and FRS 113 fair value measurement guidance to perform the valuation.

For valuations performed by the independent external appraiser, the appropriateness of the valuation methodologies and assumptions adopted are reviewed by management along with the appropriateness and reliability of the inputs used in the valuations.

For the financial year ended 31 December 2018

FAIR VALUE OF ASSETS AND LIABILITIES (CONTINUED) 30.

(c) Level 3 fair value measurements (Continued)

(iii) Valuation policies and procedures (Continued)

In selecting the appropriate valuation models and inputs to be adopted for each valuation that uses significant non-observable inputs, external valuation experts are requested to calibrate the valuation models and inputs to actual market transactions (which may include transactions entered into by the Group with third parties as appropriate) that are relevant to the valuation if such information are reasonably available.

Significant changes in fair value measurements from period to period are evaluated for reasonableness. Key drivers of the changes are identified and assessed for reasonableness against relevant information from independent sources, or internal sources if necessary and appropriate.

(d) Assets and liabilities not carried at fair value but for which fair value is disclosed

The carrying amounts of these financial assets and liabilities are reasonable approximation of fair values due to their short term nature: cash and bank balances (Note 7), fixed deposits (Note 7), trade receivables (Note 10), deposits and other receivables, related party balances (Note 12), trade payables (Note 15), other payables (Note 16) and loan and borrowings (Note 17).

31. **SEGMENT INFORMATION**

For management purposes, the Group is organised into business units based on their products and services, and has three reportable operating segments as follows:

- T. The products and installation segment relates to contracting of engineering works, cooling towers, air-conditioning and mechanical ventilation systems.
- II. The servicing and maintenance segment relates to servicing and repairing of air-conditioners, cooling towers and other cooling equipment.
- III. The rental segment relates to the leasing of factory and office space.
- IV. The property development segment relates to the business of developing and selling of residential properties undertaken by the associated company.

Except as indicated above, no operating segments have been aggregated to form the above reportable operating segments.

Management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profit or loss which in certain respects, as explained in the table below, is measured differently from operating profit or loss in the consolidated financial statements.

Segment revenue, expenses and results incurred are transferred between business segments. Those transfers are eliminated on consolidation.

Transfer prices between operating segments are set on an arm's length basis in a manner similar to transactions with third parties.

As the Group operates substantially in Singapore, no segment information by geographical segment is presented.

Revenue from 5 (2017: 2) major customers amounted to \$611,000 (2017: \$2,107,000) arising from sales under the products and installation segment.

For the financial year ended 31 December 2018

SEGMENT INFORMATION (CONTINUED)

The following table presents revenue and results information regarding the Group's business segments for the years ended 31 December 2018, 31 December 2017 and 1 January 2017:

Notes:

Nature of adjustments and eliminations to arrive at amounts reported in the consolidated financial statements.

- Inter-segment revenues are eliminated on consolidation.
- Other non-cash expenses pertain to impairment of doubtful debts, fixed assets written off, and loss on disposal of property, plant and equipment.

32. **CAPITAL MANAGEMENT**

The primary objective of the Group's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. There were no changes made to the objectives, policies or processes during the years ended 31 December 2018 and 2017.

The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Group includes within net debt, trade payables, other payables and loans and borrowings, less cash and cash equivalents.

	Group	
	2018	
	\$'000	\$'000
Trade payables (Note 15)	(468)	(509)
Other payables (Note 16)	(2,395)	(2,612)
Loans and borrowings (Note 17)	_	(2,950)
Less: Cash and cash equivalents (Note 7)	1,461	2,781
Net debt	(1,402)	(3,173)
Equity attributable to the equity holders of the parent	33,752	31,071
Gearing ratio	4.2%	10.2%

AUTHORISATION OF FINANCIAL STATEMENTS FOR ISSUE 33.

The financial statements for the year ended 31 December 2018 were authorised for issue in accordance with a resolution of the directors on 27 March 2019.

Percentage of Shareholding in Public's Hands

As at 19 March 2019, to the best of our knowledge, approximately 25.02% of the Company's Ordinary Shares listed on the SGX were held in the hands of the public. Accordingly, the Company has complied with Rule 723 of the Singapore Exchange Securities Trading Limited's Listing Manual Section B: Rules of Catalist.

NOTICE OF ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN that the Annual General Meeting of Progen Holdings Ltd (the "**Company**") will be held at 28 Riverside Road, #04-01 Progen Building, Singapore 739085 on Thursday, 25 April 2019 at 10.00 am for the following purposes:

AS ORDINARY BUSINESS

1. To receive and adopt the Directors' Statement and the Audited Financial Statements of the Company for the financial year ended 31 December 2018 together with the Auditors' Report.

(Resolution 1)

- 2. To re-elect the following Directors of the Company retiring pursuant to Article 109 of the Constitution of the Company:
 - (a) Mr. Ch'ng Jit Koon

(Resolution 2)

(b) Mr. Chee Wai Pong

(Resolution 3)

[See Explanatory Note (i)]

- 3. To approve the payment of Directors' fees of S\$167,120 for the financial year ended 31 December 2018 (2017: S\$208,900). (Resolution 4)
- 4. To re-appoint Messrs Ernst & Young LLP as the Auditors of the Company and to authorise the Directors of the Company to fix their remuneration.

(Resolution 5)

5. To transact any other ordinary business which may properly be transacted at an Annual General Meeting.

AS SPECIAL BUSINESS

To consider and if thought fit, to pass the following resolution as an Ordinary Resolution, with or without any modifications:

6. **Authority to issue shares**

That pursuant to Section 161 of the Companies Act, Chapter 50 of Singapore (the "Act") and Rule 806 of Section B of the Singapore Exchange Securities Trading Limited Listing Manual: Rules of Catalist (the "Catalist Rules"), the Directors of the Company be authorised and empowered to:

- (a) (i) issue shares in the Company ("shares") whether by way of rights, bonus or otherwise; and/or
 - (ii) make or grant offers, agreements or options (collectively, "**Instruments**") that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) options, warrants, debentures or other instruments convertible into shares,
 - at any time and upon such terms and conditions and for such purposes and to such persons as the Directors of the Company may in their absolute discretion deem fit; and
- (b) (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue shares in pursuance of any Instruments made or granted by the Directors of the Company while this Resolution was in force,

NOTICE OF ANNUAL GENERAL MEETING

provided that:

- (1) the aggregate number of shares (including shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution) to be issued pursuant to this Resolution shall not exceed one hundred per centum (100%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of shares to be issued other than on a pro-rata basis to shareholders of the Company shall not exceed fifty per centum (50%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below);
- (2) (subject to such calculation as may be prescribed by the Singapore Exchange Securities Trading Limited ("SGX-ST")) for the purpose of determining the aggregate number of shares that may be issued under sub-paragraph (1) above, the total number of issued shares (excluding treasury shares and subsidiary holdings) shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time of the passing of this Resolution, after adjusting for:
 - (a) new shares arising from the conversion or exercise of any convertible securities;
 - (b) new shares arising from exercising share options or vesting of share awards which are outstanding or subsisting at the time of the passing of this Resolution; and
 - (c) any subsequent bonus issue, consolidation or subdivision of shares;
- in exercising the authority conferred by this Resolution, the Company shall comply with the provisions of the (3) Catalist Rules for the time being in force (unless such compliance has been waived by the SGX-ST) and the Constitution of the Company; and
- (4) unless revoked or varied by the Company in a general meeting, such authority shall continue in force until the conclusion of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is earlier.

(Resolution 6)

[See Explanatory Note (ii)]

By Order of the Board

Ngiam May Ling Secretary Singapore, 10 April 2019

NOTICE OF ANNUAL GENERAL MEETING

Explanatory Notes:

- (i) Mr. Ch'ng Jit Koon will, upon re-election as Director of the Company, remain as Chairman of the Remuneration Committee and members of the Audit and Risk, Nominating and Investment Review Committees and will be considered independent for the purposes of Rule 704(7) of the Catalist Rules. Mr. Ch'ng does not have relationships including immediate family relationships between himself and the Directors, the Company and its 10% shareholders. Further information of Mr. Ch'ng can be found under the section entitled 'Board of Directors' on page 5 and table entitled 'Appendix 7F Requirements" on pages 31 to 34 of the Annual Report 2018.
 - Mr. Chee Wai Pong will, upon re-election as Director of the Company, remain as Chairman of the Nominating Committee and members of the Audit and Risk and Remuneration Committees and will be considered independent for the purposes of Rule 704(7) of the Catalist Rules. Mr. Chee does not have relationships including immediate family relationships between himself and the Directors, the Company and its 10% shareholders. Further information of Mr. Chee can be found under the section entitled 'Board of Directors' on page 5 and table entitled 'Appendix 7F Requirements" on pages 31 to 34 of the Annual Report 2018.
- (ii) The Ordinary Resolution 6, if passed, will empower the Directors of the Company, effective until the conclusion of the next Annual General Meeting of the Company, or the date by which the next Annual General Meeting of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares, make or grant Instruments convertible into shares and to issue shares pursuant to such Instruments, up to a number not exceeding, in total, 100% of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company, of which up to 50% may be issued other than on a *pro-rata* basis to shareholders.

For determining the aggregate number of shares that may be issued, the total number of issued shares (excluding treasury shares and subsidiary holdings) will be calculated based on the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time this Ordinary Resolution is passed after adjusting for new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time when this Ordinary Resolution is passed and any subsequent bonus issue, consolidation or subdivision of shares

Notes:

- 1. (a) A member who is not a relevant intermediary is entitled to appoint not more than two proxies to attend, speak and vote at the Annual General Meeting. Where such member's form of proxy appoints more than one proxy, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the form of proxy.
 - (b) A member who is a relevant intermediary is entitled to appoint more than two proxies to attend, speak and vote at the Annual General Meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where such member's form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the form of proxy.

"Relevant intermediary" has the meaning ascribed to it in Section 181 of the Act.

- 2. A proxy need not be a member of the Company.
- 3. The instrument appointing a proxy must be deposited at the registered office of the Company at 28 Riverside Road, #04-01 Progen Building, Singapore 739085 not less than 48 hours before the time appointed for holding the Annual General Meeting.

Personal Data Privacy:

By submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the Annual General Meeting and/or any adjournment thereof, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers) for the purpose of the processing, administration and analysis by the Company (or its agents or service providers) of proxies and representatives appointed for the Annual General Meeting (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the Annual General Meeting (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, take-over rules, regulations and/or guidelines (collectively, the "Purposes"), (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents or service providers), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy(ies) and/or representative(s) for the Purposes, and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

PROGEN HOLDINGS LTD

(Company Registration No. 199605118C) (Incorporated in the Republic of Singapore)

PROXY FORM

(Please see notes overleaf before completing this Form)

IMPORTANT:

- A relevant intermediary may appoint more than two proxies to attend the Annual General Meeting and vote [please see note 4 for the definition of "relevant intermediary"].
- 2. For CPF/SRS investors who have used their CPF/SRS monies to buy the Company's shares, this Proxy Form is not valid for use by CPF/SRS investors and shall be ineffective for all intents and purposes if used or purported to be used by them. CPF/SRS investors should contact their respective Agent Banks/SRS Operators if they have any queries regarding their appointment as proxies.

Notes:

- 1. Please insert the total number of Shares held by you. If you have Shares entered against your name in the Depository Register (as defined in Section 81SF of the Securities and Futures Act, Chapter 289), you should insert that number of Shares. If you have Shares registered in your name in the Register of Members, you should insert that number of Shares entered against your name in the Depository Register and Shares registered in your name in the Register of Members, you should insert the aggregate number of Shares entered against your name in the Depository Register and registered in your name in the Register of Members. If no number is inserted, the instrument appointing a proxy or proxies shall be deemed to relate to all the Shares held by you.
- 2. A member of the Company entitled to attend and vote at a meeting of the Company is entitled to appoint one or two proxies to attend and vote in his/her stead. A proxy need not be a member of the Company.
- 3. Where a member appoints two proxies, the appointments shall be invalid unless he/she specifies the proportion of his/her shareholding (expressed as a percentage of the whole) to be represented by each proxy.
- 4. A member who is a relevant intermediary entitled to attend the meeting and vote is entitled to appoint more than two proxies to attend and vote instead of the member, but each proxy must be appointed to exercise the rights attached to a different Share or Shares held by such member. Where such member appoints more than two proxies, the appointments shall be invalid unless the member specifies the number of Shares in relation to which each proxy has been appointed.

"Relevant intermediary" means:

- (a) a banking corporation licensed under the Banking Act, Chapter 19 or a wholly-owned subsidiary of such a banking corporation, whose business includes the provision of nominee services and who holds shares in that capacity;
- (b) a person holding a capital markets services licence to provide custodial services for securities under the Securities and Futures Act, Chapter 289 and who holds shares in that capacity; or
- (c) the Central Provident Fund Board established by the Central Provident Fund Act, Chapter 36, in respect of shares purchased under the subsidiary legislation made under that Act providing for the making of investments from the contributions and interest standing to the credit of members of the Central Provident Fund, if the Board holds those shares in the capacity of an intermediary pursuant to or in accordance with that subsidiary legislation.
- 5. Completion and return of this instrument appointing a proxy shall not preclude a member from attending and voting at the Meeting. Any appointment of a proxy or proxies shall be deemed to be revoked if a member attends the meeting in person, and in such event, the Company reserves the right to refuse to admit any person or persons appointed under the instrument of proxy to the Meeting.
- 6. The instrument appointing a proxy or proxies must be deposited at the registered office of the Company at 28 Riverside Road, #04-01 Progen Building, Singapore 739085 not less than 48 hours before the time appointed for the Meeting.
- 7. The instrument appointing a proxy or proxies must be under the hand of the appointor or of his attorney duly authorised in writing. Where the instrument appointing a proxy or proxies is executed by a corporation, it must be executed either under its seal or under the hand of an officer or attorney duly authorised. Where the instrument appointing a proxy or proxies is executed by an attorney on behalf of the appointor, the letter or power of attorney or a duly certified copy thereof must be lodged with the instrument.
- 8. A corporation which is a member may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative at the Meeting, in accordance with Section 179 of the Companies Act, Chapter 50 of Singapore.

Personal Data Privacy:

By submitting an instrument appointing a proxy(ies) and/or representative(s), the member accepts and agrees to the personal data privacy terms set out in the Notice of Annual General Meeting dated 10 April 2019.

General:

The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed or illegible, or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy or proxies. In addition, in the case of Shares entered in the Depository Register, the Company may reject any instrument appointing a proxy or proxies lodged if the member, being the appointor, is not shown to have Shares entered against his name in the Depository Register as at 72 hours before the time appointed for holding the Meeting, as certified by The Central Depository (Pte) Limited to the Company.
