## **2. Listing Approval for the Bonds**

The Singapore Exchange Securities Trading Limited (the "**SGX-ST**") had, on 19 April 2016, granted its in-principle approval for the listing and quotation of the Bonds on the Main Board of the SGX-ST, subject to certain conditions. Such approval should not be taken as an indication of the merits of the Issuer, its subsidiaries (together, the "**Group**"), associated companies (if any), joint ventures (if any), the Bonds or the Offer. The Bonds are expected to be listed on the SGX-ST on 3 May 2016. For the purpose of trading on the Mainboard of the SGX-ST, each board lot of Bonds will comprise S\$1,000 in principal amount of Bonds.

The listing approval is subject to the following conditions:

- (a) the conditions referred to in the SGX-ST's Waivers and Qualifications Letter (as defined herein), in relation to the waivers and qualifications granted in connection with the issue of the Bonds, being met;
- (b) adequate disclosure of all risks and material information in the Offer Information Statement in respect of the Bonds to enable investors to make an informed decision on the Bonds; and
- (c) the submission of the following:
  - (i) a written undertaking from the Issuer to make periodic announcements as and when proceeds from the Bonds are materially disbursed, and to provide a status report on the use of the proceeds in the annual reports of the Issuer;

**NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES OR TO U.S. PERSONS**

- (ii) a written confirmation from the directors of the Issuer that a suitable trustee has been appointed prior to the issue of debt securities as required under Rule 308(4) of the listing manual of the SGX-ST (the "**Listing Manual**");
- (iii) a written undertaking from the Issuer in the format set out in Appendix 2.3.1 of the Listing Manual;
- (iv) a copy of the other documents required under Rule 315 of the Listing Manual, such as the signed subscription agreement, agent bank agreement and fiscal and agency agreement; and
- (v) a copy of the documents, such as a deed poll, that may be applicable to the issue of debt securities, as required under Rule 314 of the Listing Manual.

**3. Waivers and Qualifications from Compliance with the Listing Manual**

The SGX-ST had, on 12 April 2016, granted certain waivers and qualifications from the Listing Rules more particularly set out below (the "**Waivers and Qualifications Letter**").

Waivers

The SGX-ST had granted waivers from compliance with Rule 308(8)(b), Rule 308(8)(c)(iii), Rule 308(8)(c)(iv), Rule 308(8)(c)(vi) and Rule 308(8)(c)(viii) of the Listing Manual in connection with the listing and quotation of the Bonds to be issued by the Issuer on the SGX-ST (collectively, the "**Waivers**"), subject to the Issuer's shares being listed on the SGX-ST and an immediate announcement (when the Issuer has the obligation to announce the issue of the Bonds) of the Waivers granted by the SGX-ST, the reasons for the Issuer's application and the conditions attached to the Waivers (as required under Rule 107 of the Listing Manual).

The Issuer's reasons for seeking waivers of the above-mentioned rules are as follows:

- (1) with respect to Rule 308(8)(b) of the Listing Manual, whether or not Perpetual (Asia) Limited, as trustee for the holders of the Bonds (the "**Trustee**"), should have the right to request for a guarantor for the Bonds upon the occurrence of certain events (as contemplated in Rule 308(8)(b) of the Listing Manual) is ultimately a commercial consideration. The Issuer, the Joint Lead Managers and Bookrunners, the Trustee and their respective advisers should be given the flexibility to determine how best to address these situations as and when such events occur, taking into account the prevailing circumstances at that point in time;
- (2) Rule 308(8)(c)(iii) of the Listing Manual is not applicable as the Bonds will not be secured;
- (3) Rule 308(8)(c)(iv) of the Listing Manual is not relevant to the Issuer as it is not engaged in the trading business. In any event, to the extent the Issuer is not able to fulfil its obligations under the trust deed constituting the Bonds (the "**Trust Deed**") or the terms and conditions of the Bonds as a result of it incurring material losses, it will be required to disclose such circumstances accordingly in compliance with Rule 308(8)(c)(v) of the Listing Manual;
- (4) Rule 308(8)(c)(vi) of the Listing Manual is not necessary as the information will be apparent from the accounts of the Issuer which will be provided to the Trustee every financial quarter; and

**NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES OR TO U.S. PERSONS**

- (5) with respect to Rule 308(8)(c)(viii) of the Listing Manual, the Issuer proposed to modify the information required for the report to be provided to the Trustee to state whether or not there has been any change in any methods of valuation of assets or liabilities of the Issuer and/or the Group, as the report will contain information required under Rule 308(c)(vii) of the Listing Manual, which requires the Issuer to include in such report information on whether there has been any change in method of valuation of assets or liabilities. While the requirement in Rule 308(c)(vii) of the Listing Manual is slightly different from the language set out in Rule 308(8)(c)(viii) of the Listing Manual, it nevertheless serves the purpose of providing information to the Trustee relating to the valuation methods employed for the valuation of assets or liabilities of the Issuer and/or the Group. It is also not necessary for the exact language under Rule 308(8)(c)(viii) of the Listing Manual to be replicated in the Trust Deed as the required information would be relevant only to the extent that the occurrence of such circumstance would affect the ability of the Issuer to comply with its obligations under the Trust Deed and the terms and conditions of the Bonds; and to the extent the ability of the Issuer to comply with its obligations under the Trust Deed and the terms and conditions of the Bonds is affected by the occurrence of such circumstance, the Issuer will in any event be required to disclose the same in compliance with Rule 308(8)(c)(v) of the Listing Manual.

Qualifications

The SGX-ST has, in the Waivers and Qualifications Letter, further allowed:

- (a) a qualification of Rule 308(7) of the Listing Manual to the effect that for so long as no potential event of default or event of default has occurred under the terms and conditions of the Bonds, the Issuer would not be obliged to provide the Trustee with any information of a confidential, price sensitive or proprietary nature. The Issuer's obligation to provide the Trustee and its agents(s) its financial and other records for inspection will at all times be subject to the Issuer not being in breach of any law or the listing rules prescribed by the SGX-ST, in each case, as a result of the provision of such information;
- (b) a qualification of Rule 308(8)(a) of the Listing Manual for the terms and conditions of the Bonds to contain certain financial covenants by the Issuer relating to the maintenance of its consolidated total equity as well as the ratio of its consolidated net debt to consolidated equity, instead of a numerical borrowing limit;
- (c) a qualification of Rules 308(8)(c)(i), 308(8)(c)(ii), 308(8)(c)(v), 308(8)(c)(vii) and 308(8)(c)(ix) of the Listing Manual for the Issuer to prepare and lodge with the Trustee half-yearly reports signed by a director or an authorised signatory of the Issuer within 180 days after the end of each of the Issuer's financial years and within 90 days after the end of the first six months of each of the Issuer's financial years respectively, instead of quarterly reports provided within one month of the end of the relevant period signed by two directors of the Issuer as required in Rule 308(8)(c) of the Listing Manual; and
- (d) a qualification of Rule 308(8)(d) of the Listing Manual to allow the Issuer to provide its audited full year consolidated accounts to the Trustee within 180 days or if a longer period is subsequently prescribed by the SGX-ST, such longer period, after the end of each of its financial years, instead of within three months after the end of the full year.
