

For Immediate Release

Enviro-Hub Opens its First Retail Pharmacy in Malaysia

- Enviro-Hub opens its first retail pharmacy, R Pharmacy, on April 16th, 2022 in Klang Valley, Malaysia
- Another five retail pharmacies are currently in the pipeline, with the joint venture targeting to launch a total of 25 outlets by the end of 2022
- Aimed at millennials, the new retail pharmacy brand will focus on delivering a diverse product portfolio and a personalised customer experience

SINGAPORE, April 19, 2022– Enviro-Hub Holdings Ltd. (SGX: L23) (“Enviro-Hub” or the “Company”, and together with its subsidiaries, the “Group”) is pleased to announce the opening of its first retail pharmacy in Malaysia, R Pharmacy, through its 40% jointly-owned company, Pastel Care Sdn. Bhd. The Group’s first outlet opened to the public on April 16th, in Klang Valley, Malaysia: G-8, Kompleks Niaga Taman Ltat. Jalan Bukit Jalil Indah 4. Taman Ltat. 57000. Bukit Jalil. Kl. Local artist, Academian and Miss World Malaysia, Dr Prof Wincci attended the opening

ceremony as an honorary guest and brand ambassador of R Pharmacy. This is the first of six retail pharmacies that are currently under development.

R Pharmacy's mission is to make leading healthcare products more accessible to its customers. Established with millennials in mind, the retail pharmacy will focus on health supplements and medication brands that prioritise reliability. In-house pharmacists will be present at each retail store to provide tailored advice and premium services to customers. With its extensive product offerings, R Pharmacy aspires to position itself as the heartland pharmaceutical store of Malaysia.

The opening of R Pharmacy builds on Enviro-Hub's ambition to become a leading integrated healthcare supplies player in the region. Last year, Enviro-Hub acquired Pastel Glove Sdn. Bhd. ("**Pastel Glove**"), a Malaysia-based glove maker with a production capacity of one billion gloves per annum. Enviro-Hub aims to grow the R Pharmacy brand to a total of 25 outlets across Malaysia by the end of the current financial year ending 31 December 2022. The expansion will likely be mainly funded using internal resources.

Commenting on the new business venture, Executive Chairman of Enviro-Hub, Mr Raymond Ng said, "***The opening of R Pharmacy reaffirms our big push into the health supplies industry. The recent global health crisis has shed light on the need for healthcare solutions that are reliable, accessible and affordable. By reinventing the way we think about pharmacies, I believe we can understand our customers better and connect them to more superior products and services. As we expand the R Pharmacy brand, we hope to set a new benchmark for quality retail healthcare.***"

Director of R Pharmacy, Mr Adrian Toh, said, "***We are delighted to open the first of six R Pharmacy stores which are in the pipeline in Malaysia now. After months of careful sourcing, we have curated a diverse product portfolio, offering customers everything from evidence-based health supplements to the most sought-after medicine brands. Coupled with a strong team of highly-skilled pharmacists, we are able to serve our customers with personalised advice and deliver a more holistic wellness experience.***"

About Enviro-Hub

Singapore-listed Enviro-Hub has a diverse portfolio that includes trading, recycling and refining of e-waste/metals, piling contracts, construction, rental and servicing of machinery, property investments and management, as well as plastics to fuel refining. In 2021, Enviro-Hub diversified into the healthcare business with its acquisition of Malaysia-based glove manufacturer, Pastel Glove, marking the Group's foray into glove

manufacturing. In 2022, the Group expanded further into the healthcare consumables sector with the opening of retail pharmacies in Malaysia under the R Pharmacy brand.
