For Immediate Release

Reclaims Global Secures Approximately S$19.89 Million in New Contracts in Latest Quarterly Update

- **Awarded by a mix of public and private-sector clients, the new contracts secured in this latest quarterly update (for the 3-month period between 1 May 2026 to 31 July 2026) include the S$9.55 million of contract wins announced in June 2026.**

- **The new contracts are expected to be completed over the next two years, strengthening the Group's order book and enhancing revenue visibility.**

- **Baring any unforeseen circumstances, the new contracts are expected to contribute positively to the Group’s earnings per share and net tangible assets throughout the duration of the projects.**

- **Separately, the Company has been undertaking share buybacks since 20 July 2026.**

Singapore, 12 August 2026 – SGX-Catalist listed **Reclaims Global Limited. (“Reclaims Global” or the “Company” and together with its subsidiary, the “Group”),** an eco-friendly integrated service provider within Singapore’s construction sector, is pleased to announce that the Company has secured multiple new contracts with an aggregate value of approximately S$19.89 million awarded by a mix of public and private-sector clients for the 3-month period between 1 May 2026 to 31 July 2026, representing the second quarter of the Company’s financial year.

The new contracts comprise a range of services across the Group’s core service offerings, including excavation and earthworks, demolition and disposal works, reinstatement works, pilehead disposal services, temporary hoarding installation, environmental services, logistics support, and related site enabling works.

Barring any unforeseen circumstances, the new contracts are expected to contribute positively to the Group’s net tangible assets and earnings per share throughout the duration of the projects.

Mr. Tan Kok Huat, Executive Director and Chief Executive Officer, said, "We are pleased to maintain our positive contract momentum with another healthy pipeline of project wins. These new contracts reflect our customers' continued confidence in our operational capabilities, technical expertise, and proven track record of delivering projects safely, efficiently, and on schedule.

Supported by a resilient construction outlook in Singapore, we remain focused on disciplined project execution, operational excellence, and selectively pursuing quality opportunities that drive sustainable long-term growth.

At the same time, our ongoing share buyback initiatives underscores the Board's confidence in the Group's long-term prospects and our commitment to enhancing shareholder value through disciplined capital allocation."

None of the Directors and controlling shareholders of the Company, as well as their respective associates, has any interest, direct or indirect, in the contracts, save for their respective shareholdings in the Company (if any).
