PROFIT WARNING FOR THE SIX MONTHS ENDED 30 JUNE 2025

The Board of Directors (the “**Board**” or “**Directors**”) of Southern Archipelago Ltd. (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to announce that the Group is expected to report net losses for the six months ended 30 June 2025 (“**1H2025**”).

Based on the preliminary review of the Group's draft unaudited financial results for 1H2025, the Group expects to report a net loss in 1H2025. The anticipated loss is mainly due to a one-off, non-accounting adjustment of approximately S\$0.83 million arising from the voluntary liquidation of a dormant wholly owned subsidiary of the Group, Trackplus Sdn. Bhd. (the “**Liquidation Process**”), following the Company's announcement on 1 January 2025 to commence the Liquidation Process. This adjustment does not reflect any change of the Group's operational performance or cashflow. Excluding this one-off loss, the Group would have recorded a net profit for 1H2025.

The Group will provide further details of its financial performance when it announces its unaudited consolidated financial results for 1H2025 on or before 14 August 2025.

In the meantime, shareholders of the Company are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
