⁽⁵⁾ As such amounts may be changed by the Company in its sole discretion.

The Tender Offer is being made as part of the Company's continuing capital management programme and to further proactively optimize its liability structure.

On the terms and subject to the conditions of the Tender Offer, the Company is offering to purchase for cash an aggregate principal amount of the Notes up to the Maximum Purchase Amount. The Company will determine, in its sole discretion, the aggregate principal amount of Notes (if any) that it will accept for purchase pursuant to the Tender Offer, which will be announced following the Expiration Time.

It is the current intention of the Company that the Maximum Purchase Amount will be U.S.\$100,000,000, although the Company reserves the right, in its sole discretion, to accept significantly more than or significantly less than such amount, or to accept none of such Notes, for purchase pursuant to the Tender Offer, and reference to the Maximum Purchase Amount in the Tender Offer should be construed accordingly.

The Company may, in its sole and absolute discretion, reject or pro-rate any Notes validly tendered or withdraw its invitation to tender for the Notes at any time before any acceptance by it of the Tender Offer.

If the Company elects to accept for purchase the Notes validly tendered and not validly revoked at or prior to the Early Tender Deadline pursuant to the Tender Offer, and the principal amount of such Notes exceeds the Maximum Purchase Amount, then such valid tenders of the Notes will be accepted on a pro rata basis so that the aggregate principal amount of the Notes accepted for purchase is up to Maximum Purchase Amount.

If the principal amount of the Notes validly tendered at or before the Early Tender Deadline is less than the Maximum Purchase Amount, the Company will accept all such valid tenders of the Notes at or before the Early Tender Deadline

and such Notes will not be subject to possible pro ration. After the Early Tender Deadline but at or before the Expiration Time, if the aggregate principal amount of the Notes validly tendered exceeds the Maximum Purchase Amount, such Notes validly tendered after the Early Tender Deadline but at or before the Expiration Time will be accepted on a pro rata basis so that the aggregate principal amount of the Notes accepted for purchase is up to the Maximum Purchase Amount.

Tender instructions are irrevocable once submitted except in the limited circumstances described under the Tender Offer Memorandum. A separate tender instruction must be completed on behalf of each beneficial owner of the Notes due to potential proration. If the Tender Offer is terminated without Notes being purchased, any Notes tendered pursuant to the Tender Offer will be returned promptly, and neither the Early Tender Offer Consideration nor the Tender Offer Consideration, as the case may be, will be paid or become payable.

Subject to the terms and conditions of the Tender Offer being satisfied or waived, the Company reserves the right, in its sole discretion, on any date following the Early Tender Deadline but at or prior to the Expiration Time (the “**Early Acceptance Date**”), to accept for purchase the Notes validly tendered at or before the Early Tender Deadline and not validly revoked. If the Company elects to exercise this option, the Company will promptly pay the Early Tender Offer Consideration for the Notes accepted for purchase at the Early Acceptance Date on a date (the “**Early Payment Date**”) which is expected to be within three business days after the Early Tender Deadline, on or before December 1, 2022, but is subject to change without notice. Also, on the Early Payment Date, if any, the Company will pay accrued and unpaid interest and additional amounts, if any, in cash, to, but excluding, the Early Payment Date, on Notes accepted for purchase at the Early Acceptance Date.

Subject to the terms and conditions of the Tender Offer being satisfied or waived, and to its right, in its sole discretion, to extend, amend, terminate or withdraw the Tender Offer, the Company will, after the Expiration Time (the “**Final Acceptance Date**”), accept for purchase the Notes validly tendered at or before the Expiration Time and not validly revoked (or if the Company has exercised its early purchase option described above, the Notes validly tendered after the Early Tender Deadline and at or before the Expiration Time). The Company will promptly pay the Tender Offer Consideration (and, if the Company has not exercised its early purchase option described above, the Early Tender Offer Consideration, as applicable) for Notes accepted for purchase at the Final Acceptance Date on a date (the “**Final Payment Date**”) which is expected to be within two business days following the Expiration Time, on or before December 14, 2022. Also, on the Final Payment Date, the Company will pay accrued and unpaid interest and additional amounts, if any, in cash, to, but excluding, the Final Payment Date, on Notes accepted for purchase at the Final Acceptance Date.

The Company’s obligation to accept for purchase, and to pay for, Notes validly tendered and not validly revoked pursuant to the Tender Offer, is subject to the satisfaction or waiver of a number of conditions, including the Specific Conditions (as defined in the Tender Offer Memorandum) and the General Conditions (as defined in the Tender Offer Memorandum). The Specific Conditions are namely: (1) there being validly tendered (and not validly revoked) prior to the Expiration Time an aggregate principal amount of Notes not below U.S.\$25,000,000 (as such amount may be changed by the Company in its sole discretion) (the “**Minimum Tender Condition**”); and (2) the exchange rate of Indian Rupee to U.S. dollars does not exceed INR 90.00 per U.S.\$1.00, as indicated in the official website of the Reserve Bank of India, at any time at or prior to (a) the Early Tender Deadline (if the Company elects to purchase validly tendered Notes at the Early Acceptance Date); or (b) the Expiration Time (if the Company elects to purchase validly tendered Notes at the Final Acceptance Date) (the “**Exchange Rate Condition**”). The Company reserves the right, in its sole discretion but subject to applicable law, to waive any of the conditions of the Tender Offer, in whole or in part, at any time and from time to time.

The Company reserves the right, in its sole discretion but subject to applicable law, to (1) extend, terminate or withdraw the Tender Offer at any time and (2) otherwise amend the Tender Offer in any respect. The foregoing rights are in addition to the right to delay acceptance for purchase of Notes tendered pursuant to the Tender Offer or the

payment for Notes accepted for purchase pursuant to the Tender Offer in order to comply with any applicable law, subject to Rule 14e-1(c) under the U.S. Securities Exchange Act of 1934 (the “**Exchange Act**”), which requires that the Company pay the consideration offered or return the deposited Notes promptly after the termination or withdrawal of the Tender Offer.

The results of the Tender Offer are expected to be announced as promptly as practicable following the Early Tender Deadline and the Expiration Time, as applicable. The Company will announce the aggregate principal amount of the Notes accepted for purchase pursuant to the Tender Offer at each applicable Payment Date and any Scaling Factor (as defined in the Tender Offer Memorandum) (if applicable) following the Expiration Time. Such information will be notified to Holders and the Trustee and shall, absent manifest error, be final and binding on the Company and the Holders.
