- **Sysma Holdings secures new S\$6.8-million contract to construct a two-storey Detached Dwelling House at Sundridge Park Road**

Singapore, 10 March 2014 – **Sysma Holdings Limited** (“Sysma Holdings” and together with its subsidiaries, the “Group”), an established construction company with diversified business interests in real estate development as well as the petrochemicals industry, announced today that its wholly-owned subsidiary, Sysma Construction Pte. Ltd. (“Sysma Construction”) has secured a contract to erect a two-storey Detached Dwelling House at Sundridge Park Road – its third construction contract win in three months.

Worth S\$6.8 million, the new contract with an established private owner will begin in March 2014 and is expected to take place over a period of 16 months.

This project in Singapore’s District 13 follows on from the Group’s earlier project wins this year in District 10 and District 11.

On the Group’s latest contract win, Mr Sin Soon Teng, Executive Chairman and Chief Executive Officer of Sysma Holdings, commented, “We are pleased to secure another construction contract for the year. This contract, our third in three months, further emphasises our established track record and reliability in the high end landed homes segment. With the inclusion of this contract, our current net order book is close to S\$80 million¹. We hope to maintain this positive traction that we have built since the start of the year.”

Save for their respective shareholdings in the company, none of the directors, controlling shareholders or substantial shareholders have any interest, whether directly or indirect, in this contract.

¹ Net order book value of approximately S\$80 million does not include work being carried out for the Group’s three property development projects
