

SAMURAI 2K AEROSOL LIMITED
(Company Registration Number 201606168C)
(Incorporated in the Republic of Singapore)

UPDATE ON GRANT OF INVENTION PATENT

The Board of Directors (the "**Board**") of Samurai 2K Aerosol Limited (the "**Company**", together with its subsidiaries, the "**Group**") refers to the section entitled "General Information on our Group – Intellectual Property Rights" of the Company's offer document dated 9 January 2017 (the "**Offer Document**") (please refer to pages 142 to 149) which sets out the details and status as at 16 December 2016 of all the trademarks, patents and industrial designs which the Group has the right to use (the "**Intellectual Property Rights**"). As set out therein, the grant and registration of certain Intellectual Property Rights in the name of the Company's wholly-owned subsidiary, Orientus Industry Sdn. Bhd. ("**OISB**"), were pending as at 16 December 2016.

The Company now wishes to update the shareholders that the following Intellectual Property Rights have been duly granted and registered in OISB's name:

Invention Patent for Single Head 2K System

Application No.	Jurisdiction	Expiry Date	Status	Party which the IP is registered under
15/034,183	United States of America	14/11/2035	Granted	OISB

The above invention patent is the second approval received by the Company for its Single Head 2K System. The United States Patent grants the Company the right to exclude others from making, using, offering for sale, or selling the invention throughout the United States of America (USA) or importing the invention into the USA.

Barring unforeseen circumstances, the Directors do not foresee any difficulties in the Group obtaining the grant and due registration in OISB's name of all the other Intellectual Property Rights for which registration remains pending as at the date hereof. The Company will make the necessary announcement(s) as and when such other Intellectual Property Rights are duly granted and registered.
