The Board of Directors (“Directors”) of Samurai 2K Aerosol Limited (the “Company”, together with all its subsidiaries, collectively the “Group”) refers to the section entitled “General Information on our Group – Intellectual Property Rights” of the Company’s offer document dated 9 January 2017 (the “Offer Document”) (please refer to pages 142 to 149) which set out the details and status as at 16 December 2016 of all the trademarks, patents and industrial designs which the Group has the right to use (the “Intellectual Property Rights”). As set out therein, the grant and registration of certain Intellectual Property Rights in the name of the Company’s wholly-owned subsidiary, Orientus Industry Sdn. Bhd. (“OISB”), were pending as at 16 December 2016.

The Company now wishes to update the shareholders that the following Intellectual Property Rights have been duly granted and registered in OISB’s name:

Barring unforeseen circumstances, the Directors do not foresee any difficulties in the Group obtaining the grant and due registration in OISB’s name of all the other Intellectual Property Rights for which registration remains pending as at the date hereof. The Company will make the necessary announcement(s) as and when such other Intellectual Property Rights are duly granted and registered.
