UPDATE IN STATUS OF INTELLECTUAL PROPERTY TRANSFER

The Board of Directors (the "**Board**") of Samurai 2K Aerosol Limited (the "**Company**", together with its subsidiaries, the "**Group**") refers to the section entitled "General Information on our Group – Intellectual Property Rights" of the Company's offer document dated 9 January 2017 (the "**Offer Document**") (please refer to pages 142 to 149) which sets out the details and status as at 16 December 2016 of all the trademarks, patents and industrial designs which the Group has the right to use and in particular the footnote on page 148 which states that "All intellectual property registered in Mr Ong Yoke En's name are in the process of being transferred to OISB".

The Company wishes to update shareholders on the status of the intellectual property transfer from the Company's Executive Director and Chief Executive Officer, Mr Ong Yoke En ("**Mr Ong**") to the Company's wholly-owned subsidiary, Orientus Industry Sdn. Bhd. ("**OISB**"). The following intellectual property ("**IP**") which was previously set out in the Offer Document to be either under the application of or registered under the name of Mr Ong has been transferred to OISB. For the avoidance of doubt, there has been no change in the status of the respective applications or grants.

Industrial Design

Industrial Design	Jurisdiction	Class	Expiry Date	Status	Party which the IP is applied or registered under as at 16 December 2016	Party which the IP is applied or registered under as at 29 November 2017

Note:

¹ The expiry date was inadvertently stated as 18 December 2019 instead of 22 August 2019 in the Offer Document. For the avoidance of doubt, the ownership, status and validity of the abovementioned industrial design registration is not affected by the inadvertent typographical error.

Barring unforeseen circumstances, the Directors do not foresee any difficulties in the Group obtaining the grant and due registration in OISB's name of all the other Intellectual Property Rights for which registration remains pending as at the date hereof. The Company will make the necessary announcement(s) as and when such other Intellectual Property Rights are duly granted and registered.
