

## **SANLI ENVIRONMENTAL LIMITED**

Company Registration No.: 201705316M

### **Media Release**

## **Sanli Secures New Contracts Across Private and Public Sectors with an Aggregate Value of Approximately S\$14.0 Million; Prioritising Timely Execution of Record Order Book**

- **Of these new contracts, approximately S\$13.7 million were awarded by the Group's major customer for maintenance-related services over a 3-year period.**
- **With approximately S\$590<sup>1</sup> million of new EPC contracts secured in 2025 that boosted its order book to a record level, the Group's key priority is the timely execution and delivery of projects**

**SINGAPORE, 15 April 2026** – SGX-Catalist listed Sanli Environmental Limited (“**Sanli**”, the “**Company**”, “**三立环境有限公司**” and together with its subsidiaries, the “**Group**”), would like to provide key business updates on its recent contract wins for the 3-month period from 1 January 2026 to 31 March 2026.

These new contracts span both the private and public sector, encompassing engineering works, system upgrades, and maintenance services within Singapore's water and environmental infrastructure sector.

**Mr. Sim Hock Heng (“沈福兴”), Chief Executive Officer and Executive Director of Sanli, said:** “2026 marks the 20<sup>th</sup> anniversary of Sanli's founding, a significant milestone that reflects the Group's privilege in contributing to the development and enhancement of several landmark water and environmental infrastructure projects in Singapore.

We believe that the contracts secured during this 3-month period reflect the strength of our established capabilities and track record, where our continued engagement with key customers is built on trust and consistent delivery of projects and services over the past 20 years.

Following a strong year of EPC project wins in 2025, we will prioritise execution of these EPC projects, maintaining quality, safety, and operational standards as well as enhancing margins through disciplined cost control.”

- End -

## About Sanli Environmental Limited

Established in 2006 and listed in 2017 on the SGX-Catalist, Sanli Environmental Limited is an environmental engineering group that specialises in the field of water and waste management. Sanli's expertise is in the design, supply, delivery, installation, commissioning, maintenance, repair and overhaul of mechanical and electrical equipment as well as process, instrumentation and control systems in wastewater treatment plants, water reclamation plants, NEWater plants, waterworks, service reservoirs, pumping stations and incineration plants.

Backed by its strong engineering capabilities, Sanli has the ability to integrate mechanical, electrical and process engineering expertise to provide customised, cost- and time-efficient integrated engineering solutions and services to its customers.

Leveraging on its established track record, Sanli has embarked on a diversification strategy to develop a range of growth-focused businesses, which are aimed at developing multiple revenue streams, enhancing business resiliency, and harnessing new opportunities within the environmental industry in the region.
