

SKYLINK HOLDINGS LIMITED
(Incorporated in the Republic of Singapore)
(Company Registration No.: 201005161G)

**PROFIT GUIDANCE FOR THE
FINANCIAL YEAR ENDED 31 MARCH 2026**

The Board of Directors (the “**Board**”) of Skylink Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to inform shareholders that, based on the preliminary assessment of the information currently available to the Board, and taking into consideration the Group’s financial performance reported in the six-month ended 30 September 2025, the Group is expected to report a substantially higher net profit after tax (“**Net Profit**”) for the financial year ended 31 March 2026 (“**FY2026**”) as compared to the financial year ended 31 March 2025 (“**FY2025**”), excluding the non-recurring, non-cash RTO accounting effect, and one-off RTO listing expenses.

The expected significant increase in Net Profit for FY2026 was mainly attributable to:

- Higher recurring revenues from Commercial Vehicle Leasing segment – following continued expansion of the Group’s income-producing commercial vehicle fleet;
- Higher margin from Credit segment – for its newly added hire purchase financing loan books; and
- Higher revenues from Engineering segment – following expansion of the Group’s technical capabilities, service offerings and a new base of public sector customers.

The above reflects the Group’s ability to operate an integrated business model in generating recurring revenues, improving cost synergies and enhancing asset utilisation under its synergistic ecosystem, which remained resilient despite heightened geopolitical risks.

The Company is in the process of finalising its unaudited financial results for FY2026 (“**FY2026 Unaudited Results Announcement**”). The Company will provide further details of the Group’s financial performance in the FY2026 Unaudited Results Announcement, to be released on or before 30 May 2026.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company and they should consult their stockbrokers, bankers, solicitors, accountants or other professional advisers (as appropriate) if they have any doubt about the actions they should take.
