## OUR VISION

is to be a strategic global partner for successful global companies, providing a full range of integrated manufacturing services.

## OUR MISSION

is to deliver the best in-class manufacturing solutions to step up our customers' manufacturing processes to produce quality products.

**Incorporated in Singapore on January 17, 2001, UMS Holdings Limited is a one-stop strategic integration partner providing equipment manufacturing and engineering services to Original Equipment Manufacturers of semiconductors and related products.**

**The products we offer include modular and integration system for original semiconductor equipment manufacturing. Headquartered in Singapore, the Group has production facilities in Singapore, Malaysia and California, USA.**

---

# CHAIRMAN AND CEO STATEMENT

---

The Group's revenue in FY2020 surged 25% to S\$164.4 million from S\$131.9 million for FY2019. The Group's core business segment reported significant growth.

**LUONG ANDY**  
*Chairman and  
Chief Executive Officer*

## DEAR SHAREHOLDERS,

It gives me great pleasure to present to you the Group's annual report for the financial year ended 31 December 2020 ("FY2020"). The year under review stands out in two aspects – the COVID-19 pandemic and the highest-ever revenue recorded in our history as a listed company.

During FY2020, COVID-19 was designated a pandemic and the resulting restrictions put in place worldwide impacted the Group's supply chain and operations. In the countries that the Group operates in, the semiconductor industry was deemed to be part of their essential services. This allowed the Group's entities to continue operations, while ensuring compliance with rules and regulations imposed by local authorities.

Despite the unprecedented challenges faced during the pandemic, chipmakers continued to make strategic investments in new technology transitions as well as capacity expansion. In last year's annual report, I wrote about my concerns over the chip sector recovery, being weighed down by US-China trade disputes and the challenges posed to global supply chains due to the pandemic. It turned out that global sales of semiconductor manufacturing equipment by original equipment makers hit a new industry high of \$68.9 billion in 2020. The Group is pleased to report that it has achieved a record-breaking revenue of S\$164.4 million during the year.

## BUSINESS PERFORMANCE

The Group faced severe challenges shortly after the start of the year. Both the Malaysian and Singapore governments imposed their Movement Control Order ("MCO") and Circuit Breaker measures which caused supply chain disruptions, manpower constraints and other issues to the Group. The UMS Team responded quickly to put in place precautionary measures as well as making extraordinary efforts to overcome the many challenges. Although 1QFY2020 revenue suffered a drop compared to 4QFY2019, it rose steadily throughout the rest of the year.

The Group's revenue in FY2020 surged 25% to S\$164.4 million from S\$131.9 million for FY2019. The Group's core business segment reported significant growth. Sales in the Semiconductor segment surged 27% while its Others segment rose 2%. Revenue went up in all of the Group's key markets, except US which remained relatively stable and Others, which declined 21% due to lower revenue from Kalf. Strong demand for Semiconductor Integrated Systems drove Singapore sales up by 33% while sales in Malaysia and Taiwan climbed 54% and 17% respectively.

Gross material margin improved to 53.3% in FY2020 from 52.9% in FY2019.

Higher employee benefits expense, depreciation costs, exchange loss due to the declining US dollar and non-cash impairments weighed on the Group's overall earnings for the year.

---

# CHAIRMAN AND CEO STATEMENT

---

The Group made a one-off S\$5.9 million impairment of investment in associate company JEP Holdings Ltd (“JEP”) and wrote off the balance \$1.1 million of goodwill from the acquisition of its subsidiary Kalf. The Group also took a hit from a \$2.1 million share of loss in JEP. The loss in JEP was mainly attributed to a goodwill impairment of S\$6.25 million and the Group’s share of the impairment loss was S\$2.5 million.

The Group’s net profit attributable to shareholders for the year rose 9% to S\$36.5 million.

Excluding the S\$7 million of impairments and S\$2.5 million share of goodwill impairment in JEP recorded in 4QFY2020, the Group would have achieved net profit attributable to shareholders of S\$46.0 million, a 37% surge from FY2019.

## OUTLOOK AND FORWARD STRATEGY

The Group delivered a robust performance in FY2020 as it continued to reap the benefits from the sustained global semiconductor demand. Despite significant impairment costs, the Group managed to outperform FY2019.

This demonstrates UMS’s operational resilience and its ability to meet the surge in customer’s demands in spite of unprecedented supply chain disruptions and factory lockdowns caused by the COVID-19 pandemic.

Looking ahead, global chip demand is expected to stay strong.

According to World Semiconductor Trade Statistics, chip sales are expected to accelerate - growing 8.4%, to hit US\$469 billion in 2021. There have also been shortages due to the pandemic-fuelled demand. Global chip demand for automotive electronics has been gaining momentum since 4QFY2020 and will continue to serve as a key growth driver as demand exceeds supply.

Similarly, in the medium term, SEMI expects global sales of semiconductor manufacturing equipment to continue to grow till 2022, hitting US\$76.1 billion. According to Global Market Insights, the adoption of technologies such as, artificial intelligence (AI), IoT in fabrication and the constant use of advance chipsets in automotive and consumer electronics, will drive demand for semiconductor manufacturing in the longer term. This demand is expected to boost support for the semiconductor manufacturing equipment market and is projected to reach US\$80 billion by 2026.

These positive figures bode well for the Group as it remains well positioned to capitalize on the industry’s bright prospects.

Customer forecasts for orders for the next few quarters remain strong. While our order book will keep us busy in FY2021, we are on the lookout for more opportunities from outsourcing of manufacturing by global semiconductor firms to lower-cost destinations in Asia.

The impairment in JEP which is a non-cash accounting treatment was taken by the Group as a prudent measure against the current

challenging business conditions affecting the aerospace industry. The Group is confident that aviation and aerospace demand in the longer term will recover when international travel resumes and that the impairment in JEP will be written back. As many current aerospace component makers may have gone out of business by the time the business returns, JEP has been selected by some of its customers as a strategic vendor moving forward. It has started first article inspections (“FAI”) with many new complex and high value added parts. These FAI are expected to turn into volume production within the next 2 years.

The non-ferrous metal alloy distribution business of Starke Singapore Pte Ltd (“Starke”) continued to grow in FY2020. Revenue grew about 26% during the year. Kalf Engineering (“Kalf”) continues to face challenges as project delivery in FY2020 was delayed because of COVID-19. The Board is closely monitoring the performance of Kalf.

## DIVIDEND

To allow the Group greater financial flexibility in uncertain times, and to take advantage of new growth initiatives in the short-term, the Board has recommended moderating the final dividend to 1 cent per share.

The Group’s objective is to conserve cash to maintain a strong balance sheet to drive future business growth which could reap longer term returns to shareholders.

## A NOTE OF THANKS TO OUR STAKEHOLDERS

On behalf of my fellow Directors, I once again thank you, our shareholders, for your loyal support. I would also like to express my sincere appreciation to our vendors, technology partners and business associates without whom our success would not have been possible.

I would also like to thank the management and staff for their exceptional dedication and hard work during this challenging time.

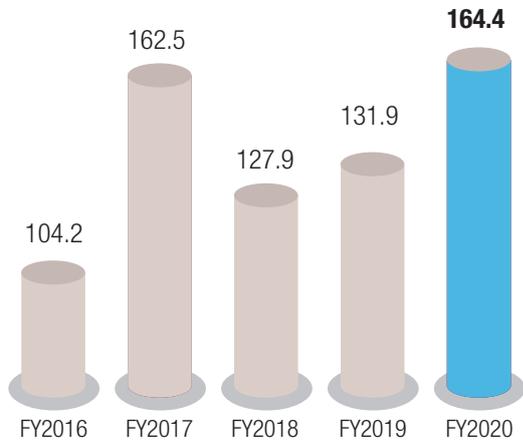

I remain confident that our solid foundation, strong partnerships and competent team will propel the Group to greater heights. We look forward to the continuing support of all our stakeholders as the global economic outlook brightens, driven by accelerated digitalisation programmes triggered by the coronavirus pandemic and governments worldwide making concerted efforts in its vaccination drive to contain the viral crisis and boost business growth.

**Luong Andy**

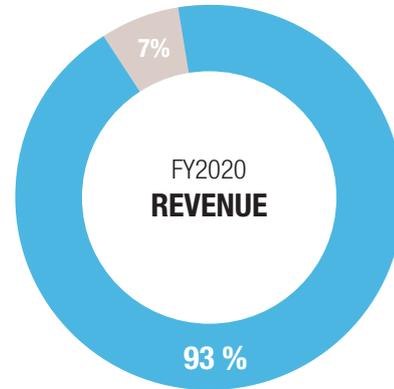

*Chairman and Chief Executive Officer  
UMS Holdings Limited*

# FINANCIAL HIGHLIGHTS

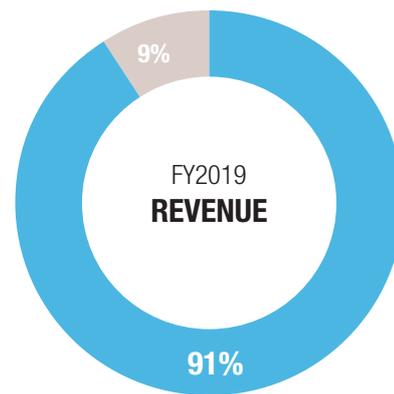

## REVENUE S\$ Million

## SEGMENTAL CONTRIBUTION

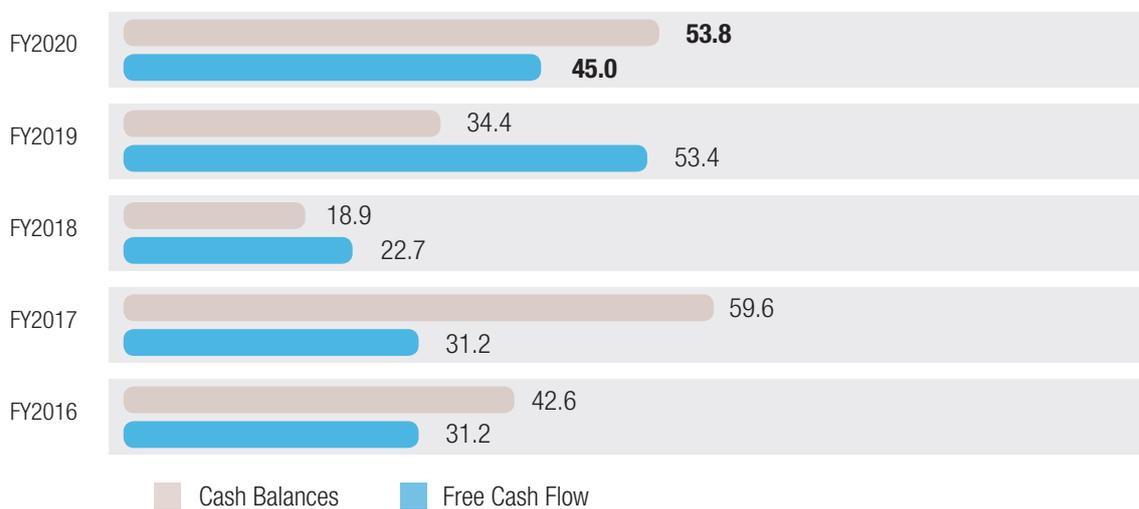

## NET PROFIT S\$ Million

■ Semiconductor (Semicon) ■ Others

## CASH BALANCES & FREE CASH FLOW S\$ Million

■ Cash Balances ■ Free Cash Flow

The year under review underscored UMS' operational resilience and foresight in investing during the industry down cycle. The Group has been making efforts to strengthen our vertical integration capabilities and enhance our production capacities. These initiatives prepare us to meet sudden surge in demand and cement our position as a strategic manufacturing partner to our customers.

The Group closed FY2020 with record revenue as demand for our semiconductor systems and components remains very strong. In the course of FY2020, operations across our different business segments were disrupted to varying extent by the COVID-19 pandemic. Additionally, there was temporary manpower disruption as a result of governments imposing movement restrictions to combat the spread of the virus. The UMS Team responded quickly to put in place precautionary measures as well as making extraordinary efforts to overcome the many challenges. Although production output was affected at the beginning of the year, it recovered quickly and rose steadily throughout the rest of the year.

## REVIEW ON BUSINESS SEGMENTS

### SEMICONDUCTOR

The Group's semiconductor business remains the core activity of the Group. Our main strategic thrusts were all focused on this segment which continued to enjoy good growth potential.

The semiconductor business comprises of two key segments - component parts and integrated systems.

For the year under review the major revenue driver was the integrated systems. Semiconductor Integrated System sales jumped 32% from S\$58.8 million in FY2019 to S\$77.6 million in FY2020. Revenue from component sales increased 22% from S\$61.9 million in FY2019 to S\$75.5 million in FY2020.

Global sales of semiconductor manufacturing equipment by original equipment makers registered a new industry record of \$68.9 billion in 2020. SEMI, the global industry association representing semiconductor companies has projected global sales of semiconductor manufacturing equipment to keep growing till 2022, reaching US\$76.1 billion. According to Global Market Insights, the adoption of technologies such as, artificial intelligence (AI), IoT in fabrication and the increasing use of advance chipsets in automotive and consumer electronics, will drive the demand for semiconductor manufacturing over the longer term. This demand is expected to boost support for the semiconductor manufacturing equipment market which is forecast to reach US\$80 billion by 2026.

With the current ramp up in demand from semiconductor equipment makers globally, we were able to boost our capacity utilization to meet the demand of equipment makers. In order to bolster our customers' confidence in our manufacturing execution capability, we have further invested S\$6 million on new production equipment and purchased the adjoining land to our Penang manufacturing hub.

### OTHERS

The Group's material distribution subsidiary Starke Singapore Pte Ltd ("Starke") continues to grow both revenue and profits in FY2020. Its Malaysian subsidiary set up last year to better serve the Malaysian market grew revenue by 172%. Even though Starke suffered lower sales from its aerospace customers, overall sales increased by 26%. To ride on the expected increase in demand from its manufacturing customers, Starke acquired the factory premises next door.

Kalf Engineering Pte Ltd ("Kalf"), our water and chemical engineering-solution company, faced delays in shipping out the fabricated systems of two projects in FY2020 due to the COVID-19 pandemic. The Board is closely monitoring the performance of Kalf as it works hard towards returning to profitability.

### RISK MITIGATION THROUGH MULTI-LOCATION MANUFACTURING

Despite our Penang Hub offering lower operating costs as well as human resource availability, the Group has maintained its Singapore manufacturing operations. This was to mitigate disruption risk arising from unforeseen circumstances. The COVID-19 pandemic has shown that our strategy was right. The Singapore operation stepped up to overcome many challenges when our Penang operation was affected during Malaysia's Movement Control Order ("MCO"). The Group was able to tap on its associate company - JEP for assistance during the pandemic. Moving forward, we will continue to maximize operational synergies with JEP to enhance our manufacturing resilience.

---

# FINANCIAL REVIEW

---

The Group achieved a record revenue of S\$164.4 million for the year ended 31 Dec 2020 (“FY2020”), a 25% increase from the S\$131.9 million reported in FY2019 despite an unprecedented global pandemic environment.

## REVENUE

Revenue in the Semiconductor segment jumped 27% as compared to FY2019. Both divisions of the Group’s semiconductor segment showed improved results.

Semiconductor Integrated System sales jumped 32% from S\$58.8 million in FY2019 to S\$77.6 million in FY2020 and Component sales increased 22% from S\$61.9 million in FY2019 to S\$75.5 million in FY2020. Revenue in the Others segment edged up 2%, mainly due to growth in material distribution sales from its materials distribution subsidiary, Starke.

Geographically, FY2020 revenue went up in all of the Group’s key markets, except the US which remained relatively stable and the Others segment which declined 21% due to lower revenue from Kalf. Strong demand for Semiconductor Integrated Systems drove Singapore sales up by 33% while sales in Malaysia and Taiwan climbed 54% and 17% respectively.

The Group faced severe challenges shortly after the start of the year from government lockdown measures Malaysia’s Movement Control Order (“MCO”) and Singapore’s Circuit Breaker measures-which caused supply chain disruptions, manpower constraints and other issues to the Group.

The UMS Team responded quickly to put in place precautionary and health safety measures as well as making extraordinary efforts to overcome the many challenges. Although 1QFY2020 revenue suffered a drop as compared to 4QFY2019, it rose steadily throughout the rest of the year.

## PROFITABILITY

The Group grew its net profit attributable to shareholders for FY2020 to \$36.5 million on the back of the record sales of \$164.4 million. It was a 9% rise in net profit from \$33.6 million recorded the previous year.

Gross material margins improved from 52.9% in FY2019 to 53.3% in FY2020 reflecting a marginal productivity gain in the Group’s operations.

The Group managed to outperform FY2019 despite significant impairment costs incurred in FY2020 - which included a one-off S\$7 million impairment of goodwill in its subsidiary Kalf Engineering

(“Kalf”) and investment in associate company JEP Holdings Ltd (“JEP”) as well as a S\$2.1 million share of loss in JEP.

The loss in JEP was mainly attributed to a goodwill impairment of S\$6.25 million and the Group’s share of the impairment loss was S\$2.5 million. Excluding these items, the Group would have achieved net profit attributable to shareholders of S\$46.0 million, a 37% surge from FY2019.

The weaker US dollar weighed on the Group’s overall earnings for the year. Depreciation expenses increased due to new machinery and additional factory space acquired by Starke Singapore (“Starke”). Higher personnel costs as well as higher freight charges and up keep of machinery were in-line with higher production and revenue.

Income tax for the year also rose 16% in line with higher profits for the year.

The Group’s earnings per share (“EPS”) for FY2020 improved to 6.83 cents from 6.26 cents in FY2019. Group net asset value per share climbed to 47.11 cents in FY2020 from 45.35 cents in FY2019.

## CASH FLOW AND DIVIDEND

The Group continued to enjoy strong positive cash flow.

For FY2020, the Group achieved record high net cash flow from operation activities with S\$56.4 million in positive net cash flow from operating activities versus S\$53.6 million in FY2019.

Free cash flow declined to S\$45.0 million from S\$53.4 million in FY2019.

The Group made additional investment of S\$9.8 million to enlarge its footprint in Penang, Malaysia. It bought new equipment and Starke acquired additional factory space, all in anticipation of higher customer demand.

The Group grew its cash balances substantially despite increased investment of S\$1.8 million in JEP Holdings, share buyback of S\$1.9 million and a dividend payment of S\$26.7 million to shareholders.

To allow the Group greater financial flexibility in uncertain times, and to take advantage of new growth initiatives in the short-term, the Board has recommended moderating the dividend payout of 1 cent per share to shareholders for FY2020.

REMARKABLE RESILIENCE  
EMERGING STRONGER

---

## BOARD OF DIRECTORS

---

**Mr Luong Andy**  
Chairman / Chief Executive Officer

Mr Luong Andy was appointed as Chief Executive Officer of the Company in January 2005. Mr Luong previously served as Chief Operating Officer of the Company since April 2004.

As President and Founder of the UMS Group, he has more than 20 years of experience in manufacturing front-end semicon components. He acquired his machining skills through his experience in working in his family's machining business in Vietnam. He emigrated to the USA from Vietnam in 1979 and shortly after college, started a precision machining business called Long's Manufacturing, Inc.

**Mr Loh Meng Chong, Stanley**  
Executive Director

Mr Stanley Loh was appointed as an Executive Director of the Company on 30 June 2010.

Mr Loh joined the Company on 5 September 2008 as the Group's Financial Controller. He brings with him over 25 years of experience in finance, accounting, treasury and auditing. Before joining the Company, he held several controllership positions in trading and manufacturing organisations.

Mr Loh holds a Bachelor of Accountancy (Hons) from National University of Singapore and a Master of Business Administration from Southern Illinois University (Carbondale). A member of the Institute of Singapore Chartered Accountants (ISCA), he is responsible for the overall financial, accounting, tax, treasury, corporate finance, compliance matters as well as the operations of the Group.

**Mr Chay Yiowmin**  
Lead Independent Director

Mr Chay Yiowmin was appointed as an Independent Director of the company on 28 June 2013.

Mr Chay is currently the chief executive officer of Chay Corporate Advisory Pte. Ltd., a boutique corporate advisory firm. He is also the Chairman and Independent Director of Metech International Limited, and a non-executive director of 8I Holdings Limited. Between 2013 and 2015, Mr Chay was the Lead Independent Director of Advance SCT Limited. Mr Chay was also a Non-Executive Director of Libra Group Limited from 2019 to 2020.

Since graduating in 1998, Mr Chay has accumulated many years of public accounting experience in Singapore and the United Kingdom with a number of reputable international accounting firms, including PricewaterhouseCoopers LLP, Deloitte and Touche LLP, Moore Stephens LLP and BDO LLP, the latter of which he was the advisory partner heading the Corporate Finance Practice from 2012 to 2019. Prior to joining BDO LLP, Mr Chay was an assurance partner from 2010 to 2012, specialising in financial services and shipping.

Mr Chay holds a Bachelor of Accountancy and a Master of Business from Nanyang Technological University, and a Master of Business Administration from the University of Birmingham. Mr Chay is also a Fellow Chartered Accountant (FCA Singapore) of the Institute of Singapore Chartered Accountants (ISCA), an Associate Chartered Accountant (ACA) of the Institute of Chartered Accountants in England and Wales (ICAEW) and a Chartered Valuer and Appraiser (CVA) of the Institute of Valuers and Appraisers of Singapore (IVAS).

Mr Chay currently sits on the Singapore steering committee of the Professional Risk Managers' International Association (PRMIA), and the Standards and Technical Committee of IVAS, the latter

---

of which Mr Chay is also a programme instructor. Mr Chay is also an active Grassroots Leader, serving as a treasurer with the Fernvale Citizens Consultative Committee, assistant treasurer with the Kebun Baru Citizens Consultative Committee and an auditor with the Thomson Hills Neighbourhood Committee. Mr Chay is also a member of the Kebun Baru Inter-Racial and Religious Confidence Circles. Mr Chay was awarded the Pingat Bakti Masyarakat (Public Service Medal) (PBM) by the President of the Republic of Singapore on 9 August 2016.

---

Ms Gn Jong Yuh Gwendolyn was appointed as an Independent Director of the Company on 5 May 2016.

**Ms Gn Jong Yuh Gwendolyn**  
Independent Director

Ms Gn has more than 20 years' experience as a Corporate Lawyer, specialising in corporate finance and capital markets in Singapore and the Asian region. Ms Gn is currently an Equity Partner in Shook Lin & Bok LLP where she actively advises both Mainboard and Catalyst listed companies, SMEs, MNCs and financial institutions on areas of fund raising, IPOs/RTOs/dual listings, mergers and acquisitions, corporate structuring and corporate governance. Ms Gn graduated with LLB Hons (Second Upper) from the National University of Singapore in 1994 and was called to the Singapore bar as an Advocate and Solicitor in 1995. Ms Gn is a winner of the International Law Office and Lexology Client Choice Award 2014 in Singapore for Capital Markets and has been recognised as a leading capital markets and corporate finance lawyer in Asialaw Leading Lawyers. She has been named as an expert in Euromoney's Guide to the World's Leading Women in Business Law and World's Leading Capital Markets Lawyers.

---

Datuk Phang Ah Tong was appointed as an Independent Director of the company on 1 October 2017.

**Datuk Phang Ah Tong**  
Independent Director

Datuk Phang, who was formerly the Deputy Chief Executive of the Malaysian Investment Development Authority (MIDA), has played a key and strategic role in promoting Malaysia's foreign and domestic investments during his 36 years in MIDA.

An economics graduate from the University of Malaya, Datuk Phang has attended senior management programmes at Harvard Business School and INSEAD, the top French management school. He has played an active role in shaping Malaysia's economic landscape through his involvement in national scale master plans. He was also pivotal in developing the manufacturing, non-manufacturing and service sectors in Malaysia and promoting global Foreign Direct Investment into Malaysia.

Datuk Phang is currently the Chairman of the Malaysian Automotive, Robotics and Internet of Things Institute, Chairman of JF Technology Berhad, Chairman of Jerasia Capital Berhad, Chairman of Novugen Pharma (Malaysia) Sdn Bhd, and Chairman of Oncogen Pharma Malaysia Sdn Bhd. Phang is also a Director in Inari Amertron Berhad, United Overseas Bank Malaysia (UOBM), Apex Healthcare Berhad, and Kiswire Sdn Bhd.

Datuk Phang has also capped his illustrious career with distinguished awards, including several service excellence awards at MIDA as well as the Pingat Darjah Pangkuan Seri Melaka (DPSM) and the Pingat Darjah Sultan Ahmad Shah Pahang (DSAP).

---

## MANAGEMENT TEAM

---

**Mr Luong Andy**  
Chief Executive Officer

Mr Luong Andy, the Founder of UMS Holdings, has been the Group's Chief Executive Officer since January 2005. He is deemed interested in 109,023,750 ordinary shares in the Group.

Mr Luong has more than 20 years of experience in manufacturing front-end semicon components. He acquired his machining skills through his experience working in his family's machining business in Vietnam. He migrated to the USA from Vietnam in 1979 and shortly after college, started a precision machining business called Long's Manufacturing, Inc.

**Mr Loh Meng Chong, Stanley**  
Group Financial Controller /  
Senior Vice President, Operations

Mr Stanley Loh joined the Company on 5 September 2008 as the Group's Financial Controller. He brings with him over 25 years of experience in finance, accounting, treasury and auditing. Before joining the Company, he held several controllership positions in trading and manufacturing organisations.

Mr Loh holds a Bachelor of Accountancy (Hons) from National University of Singapore and a Master of Business Administration from Southern Illinois University (Carbondale). A member of the Institute of Singapore Chartered Accountants (ISCA), he is responsible for the overall financial, accounting, tax, treasury, corporate finance, compliance matters as well as the operations of the Group.

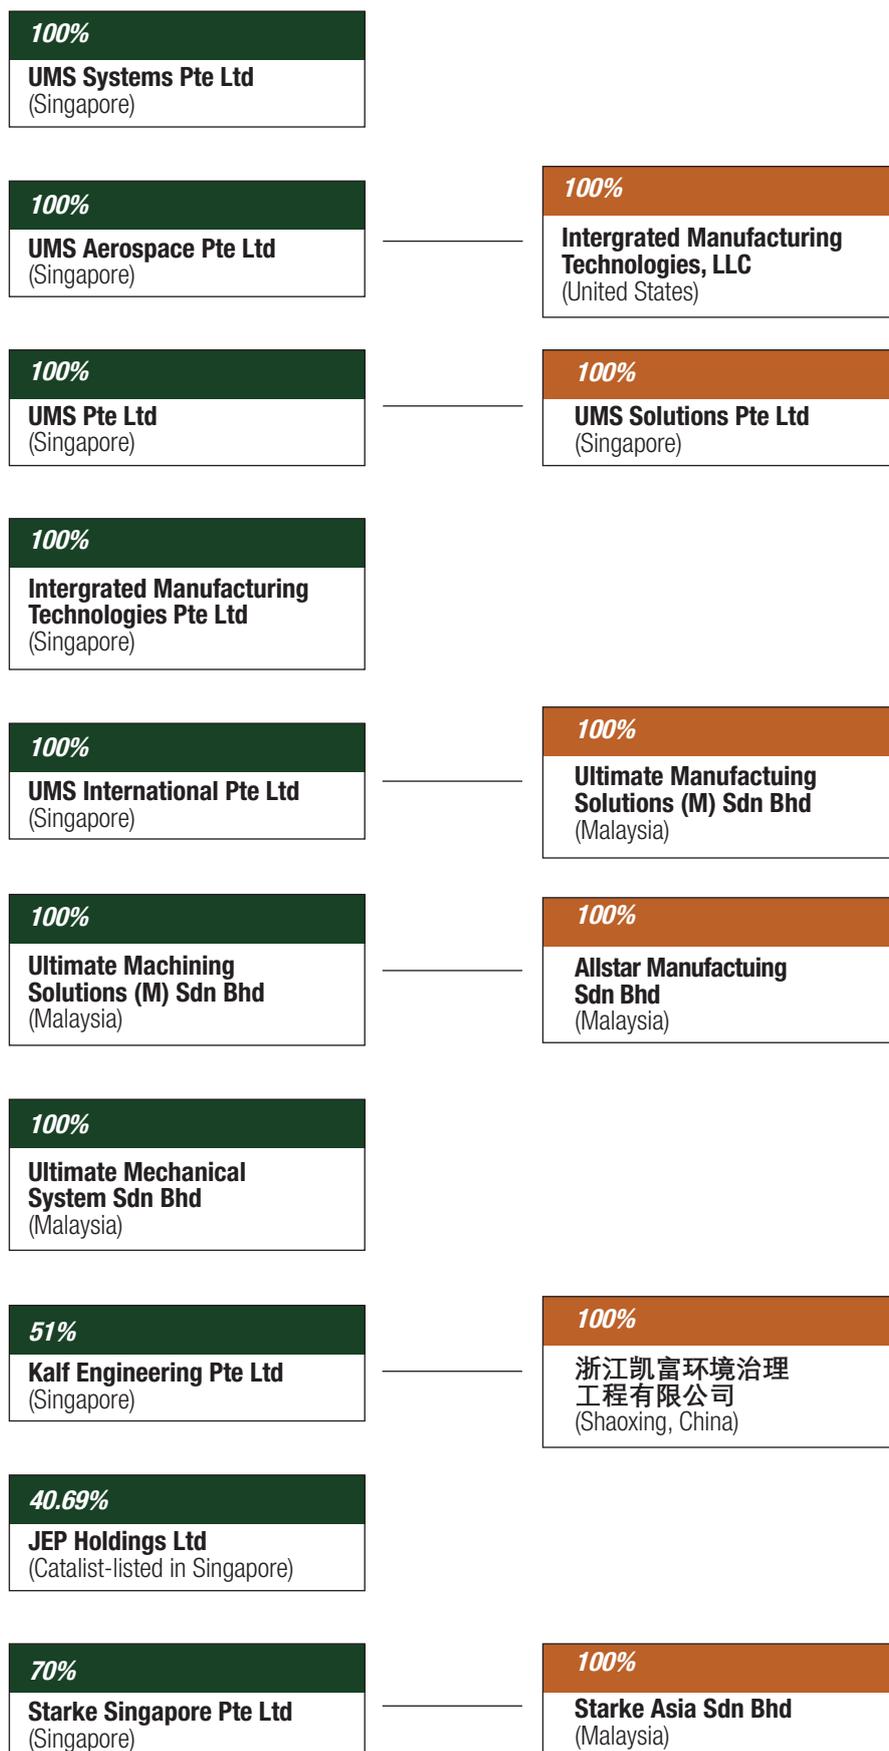

**Mr Kay Tan Kian Hong**  
General Manager,  
Malaysia Operations

Mr Kay Tan is currently the General Manager of the Group's Malaysia operations. He assumed this role in early 2020.

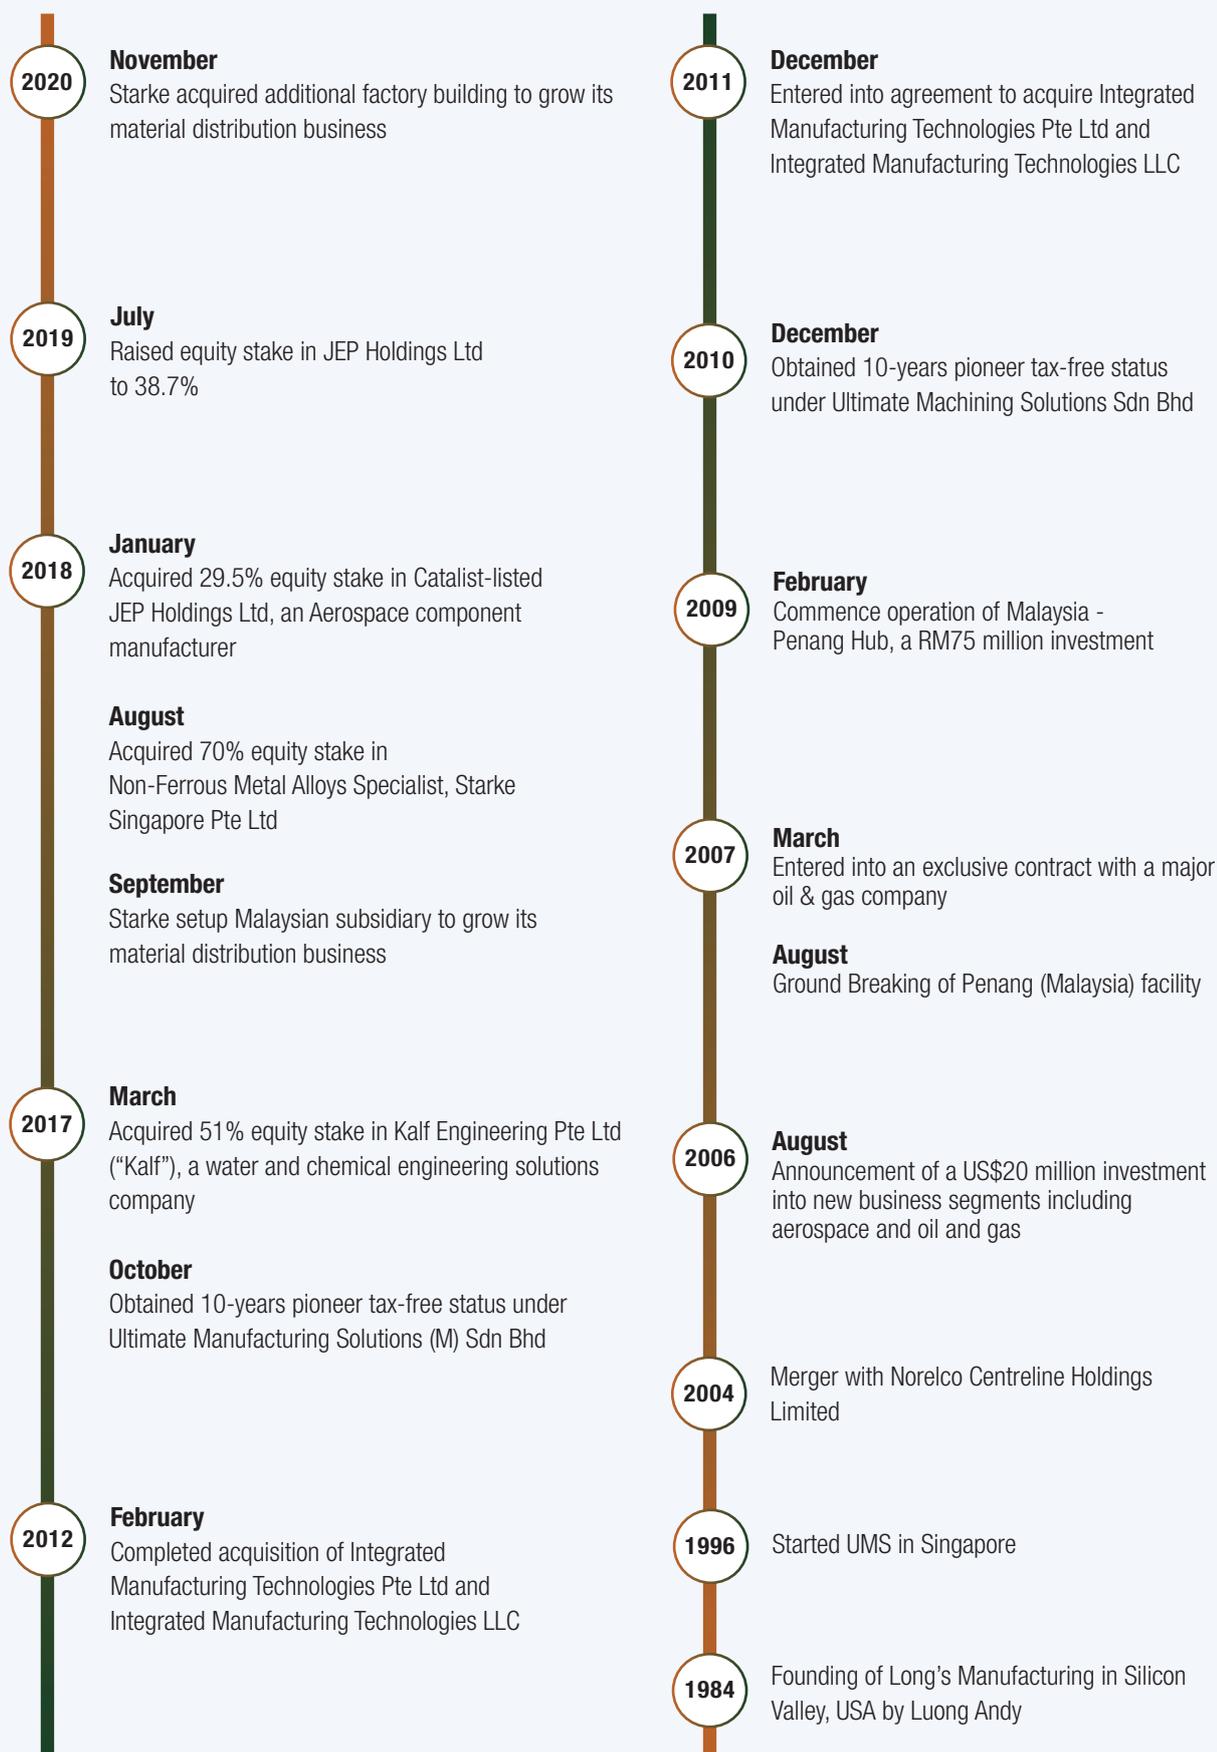

Prior to the current appointment, Mr Tan was the Group's Global Account Director. Mr Tan holds overall responsibility for managing the relationship between UMS and its key customers in USA by facilitating appropriate customer contacts at all levels, across all business creation cycles. He is also responsible for the Company's USA subsidiary. Mr Tan joined the Group in 2007, located in Milpitas, California.

Prior to joining UMS in April 2007 Mr Tan held a number of positions with increasing responsibilities. Mr Tan started as a Trainee Supervisor in precision machining in 1989 and in 2003, re-located to California, USA as a Key Account Manager. Mr Tan brought with him more than 20 years of broad scope experience in the machining and assembly for high-tech equipment manufacturing industries and hands on experience in Project Management, Account Management, Sales and Marketing.

## BOARD STATEMENT

The Board is committed towards building a sustainable business at UMS. To us, sustainability is about ensuring long-term value for our stakeholders and creating a positive, lasting impact on society. This sustainability report aims to help stakeholders better understand our approach to creating long-term value.

The UMS Board, supported by the Risk Advisory Committee and Safety Sub-committee, looks at sustainability issues as part of its strategic formulation, determines the Environmental, Social and Governance (ESG) material factors, and oversees the management and monitoring of these factors.

## SUSTAINABILITY LEADERS

UMS's sustainability management comes under the purview of its Risk Advisory Committee and Safety Sub-committee, comprising members of the Group's Head of Departments. The Risk Advisory Committee monitors the Group's continued progress and improvement in the areas of environment, social and governance (ESG). The Group's Board of Directors is updated regularly through the Audit Committee on matters relating to sustainability risks and business malpractice incidents.

---

# SUSTAINABILITY REPORT

---

## UMS SUSTAINABILITY VISION

For UMS, our Sustainability Vision is to align our economic success with environmental and social responsibility. We recognise that the environmental and social interaction with our community affect our long term organizational success and thus the need to manage not only corporate and financial performance but also the environmental and social impact of our business.

Guided by our Sustainability Vision, our objectives are to:

- achieve high standards of health and safety throughout our value chain,
- protect our environment,
- be a preferred employer by providing a working environment where people can feel a sense of belonging,
- adopt best business practices and comply with all rules and regulations,
- manage our risk to safeguard our economic sustainability, and
- be a responsible member of society

The Group always strive to maintain sound sustainability practices to enhance and enrich the communities where we have a presence, and ensure a safe, thriving workplace for employees. UMS's basic principles have been to improve energy efficiency; minimize pollution wherever possible; and conserve resources. The Group

demonstrates these principles through the way we conduct our daily business. Our dedication to sustainability is reinforced through our ongoing cooperation and support of our key customer's efforts as member of the Responsible Business Alliance (previously known as Electronic Industry Citizenship Coalition (EICC)).

Acknowledging that the success of our business hinges on the development and effective deployment of our key forms of capital, we focused on the following areas during the year:

- Continued to develop a talent strategy with an emphasis on career growth and development planning, to build our human capital;
- Enhanced the operational resilience of our technology infrastructure and processes to ensure sustained market presence and maintain our position as a preferred manufacturing service partner to global companies;
- Engaged regularly with stakeholders to foster collaborative relationships that are integral in identifying, prioritising and addressing material issues; and
- Implemented initiatives to minimise our environmental footprint.

UMS will continue to drive our sustainability agenda by advocating transparency and accountability. These continue to be the fundamental aspects required to build trust with our stakeholders.

## REPORT AT A GLANCE

This report summarises our approach towards sustainability and our progress to date, with a focus on addressing UMS's material ESG issues.

### Our Scope

The report covers the performance of our consolidated entities from 1 January 2020 to 31 December 2020 (FY2020). We have included the historical data for the previous two years of FY2018 and FY2019 for comparison, where available. There has not been any restatement of figures for data disclosed in previous years.

The scope of this report focus on the Group's major operations, namely semiconductor segment business in Singapore and Malaysia as these have the largest impact on economic, environmental, social and governance indicators.

### Our Approach to Sustainability

Similar to the last two financial years, we have elected to produce our FY2020 report in accordance with Global Reporting Initiative (GRI) Standards (2016) – "Core Option". We have chosen the GRI Standards due to its longstanding universal application and robust guidance, which allows for comparability of our performance against peers. The report is also prepared in accordance with SGX-ST Listing Rules (711A and 711B) – Sustainability Reporting.

We welcome feedback on this report and any aspect of our sustainability performance. Comments or feedback can be sent to [ir@umsgroup.com.sg](mailto:ir@umsgroup.com.sg).

## SUSTAINABILITY PILLARS

Sustainability remains core to the long-term viability of our organisation. We have identified four material factors that are important to the sustainability of our organisation. They are **Economic Performance, Governance, Environmental sustainability, and People**. Our business practices, developed with these material factors as a foundation, will enable us to deliver long-term value to our stakeholders. At the same time, we remain vigilant in mitigating the risks that may come with changes in our external environment.

At UMS, we integrate sustainability within our business strategy through efficient allocation and deployment of our two forms of capital, namely Financial Capital and Human Capital. Our talent management strategy seeks to develop our human capital. By recognising and addressing the risks and opportunities that arise from changes in global economic, regulatory, competitive, and technological trends, we are able to continually generate business value for UMS and our stakeholders.

## STAKEHOLDER ENGAGEMENT

At UMS, we recognise that stakeholder engagement is important in helping us make informed commercial and policy decisions. We engage our key stakeholders through various platforms and channels, and their feedback is carefully considered to ensure decisions contribute to the overall good of our stakeholders.

The table below summarises our approach to stakeholder engagement.

Key Stakeholders	Engagement Methods	Interests and Concerns
<b>Employees</b>	Employee discussions, trainings and corporate events.	<ul style="list-style-type: none"> <li>Opportunities for career growth and development</li> </ul>
<b>Regulators and Government</b>	Dialogue and meetings.	<ul style="list-style-type: none"> <li>Employee engagement, wellness and work environment</li> <li>Operational efficiency</li> </ul>
<b>Customers</b>	Dialogue, meetings and seminars.	<ul style="list-style-type: none"> <li>Organization updates and business continuity planning</li> </ul>
<b>Investors</b>	Investors and analyst meetings, and various road shows.	<ul style="list-style-type: none"> <li>Corporate governance</li> </ul>

# SUSTAINABILITY REPORT

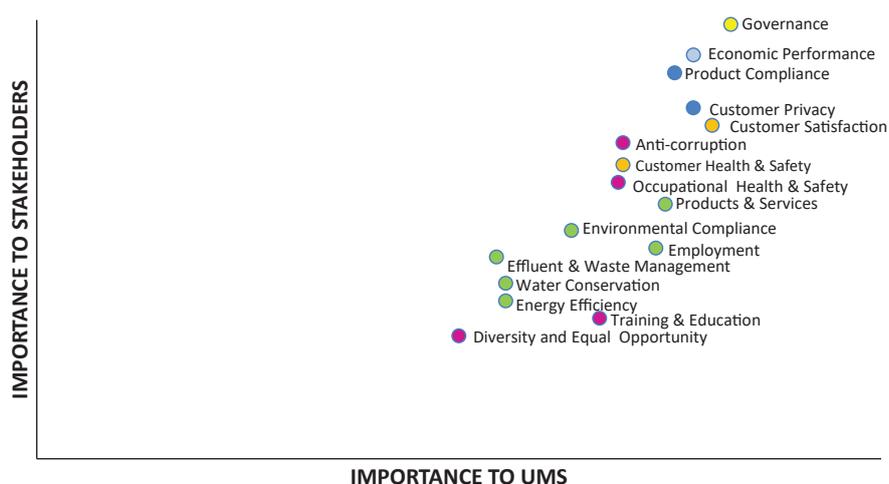

## MATERIALITY ASSESSMENT

Our materiality definition is guided by the GRI Standards (2016). Inputs were drawn from work performed in the Risk Advisory Committee. This process aligns with the requirements of GRI Standard 102-46 on defining content and boundaries. Topics covered reflect the Group's significant economic, environmental, social and governance impacts, or other factors that substantively influence the assessments and decisions of stakeholders.

As part of the Group's materiality process, the Group reviewed comments and feedback from stakeholders on sustainability impacts. During these discussions, the Group reviewed its vision, mission and core values, strategic direction, sustainability impacts and material topics.

Feedback from interviews with management, employees and customers contributed to the materiality review process. The Group also took into consideration other external feedback, including inputs from the investment community. A materiality matrix was developed in the following section which was ratified by the Audit Committee.

### Materiality Matrix

We have grouped the various material factors into 4 categories and is summarised in the table below. For FY2020, our material factors remain the same as the previous reporting period:

Material Factors	GRI Disclosures	Read more in our:
<b>Economic Performance</b> Our financial performance and economic value creation.	Economic performance	<ul style="list-style-type: none"> <li>Sustainability Report and</li> <li>Financial Statements</li> </ul>
<b>Environment</b> Our role in mitigating climate change.	Energy Water	<ul style="list-style-type: none"> <li>Sustainability Report.</li> </ul>
<b>Governance</b> Our governance structure, ethics and integrity, anti-corruption and compliance policies.	Anti-corruption Socioeconomic Compliance	<ul style="list-style-type: none"> <li>Sustainability Report and</li> <li>Corporate Governance Report.</li> </ul>
<b>People</b> Our talent management and responsible employment practices.	Employment Labour Relations Training and Education Diversity and equal opportunity Non-discrimination	<ul style="list-style-type: none"> <li>Sustainability Report.</li> </ul>

## ECONOMIC PERFORMANCE

Growing a strong customer base, creating customer loyalty and building trust are vital to UMS's profitability and growth. It is crucial to have a keen understanding of customer requirements and market environment to develop products and solutions that meets the needs and requirements of customers. Sustainability impacts are taken into account during the conceptualisation and development of the Group's products and solutions.

Our approach has been to engage regularly via multiple platforms at different levels of operations and management. This enables UMS to build a varied approach to engaging customers. UMS measures customer satisfaction through annual survey, regular meetings and seeks continuous improvement so as to deliver total customer satisfaction. Structured systems, such as the ISO 9001-certified processes and audit systems, are employed to ensure effective collaboration, timely response to feedback, as well as high standards of quality, safety, environment and operational performance. These processes undergo regular reviews and improvements are made continuously.

UMS also strive to preserve shareholders' value by building resilience throughout its business operations and enhance shareholders' value through a robust strategy with a focus on delivering long term sustainable growth.

### UMS Performance Highlights

	2018	2019	2020
Net Profits after tax (S\$' mil)	43.1	33.6	36.5
Shareholders Equity (S\$' mil)	230.5	244.9	252.9
Net Dividend/ share (cents)	5.5	3.5	5.0
Dividend Yield (%)	9.6%	3.4%	4.6%
Share Price Changes (%)	-44.1%	80.7%	0.0%
Total Shareholders Return (%)	-38.7%	86.8%	4.6%

## GOVERNANCE

UMS adheres to the highest standards of corporate governance practices as guided by the Code of Corporate Governance. Further information can be found in our Corporate Governance Report.

### OUR CODE OF CONDUCT AND ETHICS POLICY

At UMS, we advocate the highest level of conduct and ethical standards to maintain high standards of governance. The UMS Group Policy that covers various pertinent matters are essential in guiding the behaviour of our employees. All employees are briefed on these policies which provide guidance on appropriate conduct for common ethical issues, such as conflicts of interest, bribery and corruption, confidential information, and compliance among others. We also educate all our employees on our whistleblowing policy, to facilitate the reporting of suspected and actual cases of improper, unethical or fraudulent conduct. The Board takes a firm stance on the ethics and integrity of employees at UMS and a serious view towards non-compliance.

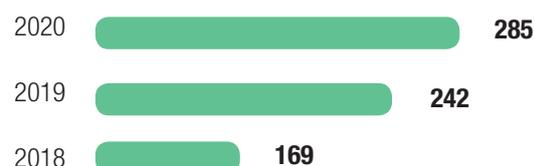

In FY2020, we did not receive any whistleblowing report concerning the Company. There were also no cases of bribery or corruption, anti-competitive behaviour during the year. We continue to strive to uphold the highest standards of corporate governance with respect to our stringent governance framework.

# SUSTAINABILITY REPORT

## ENVIRONMENTAL SUSTAINABILITY

**UMS RECOGNISES THE IMPACT IT HAS ON THE COMMUNITY, ENVIRONMENT AND RESOURCES. THE GROUP AIMS TO INTEGRATE ENVIRONMENTAL RISKS AND OPPORTUNITIES INTO STRATEGIC AND BUSINESS DECISIONS TO MITIGATE ITS OPERATIONAL FOOTPRINT IN THE ENVIRONMENT AND IN LOCAL COMMUNITIES.**

Group operations are guided by UMS's Environmental Policy, which encompasses management leadership and accountability, communication, legislative and regulatory documentation, risk management, management of change, and performance review. The Safety Committee manages the environmental impact. Departments responsible for the application and implementation of the environmental management include HSE, security, procurement, operations and production.

UMS facilities comply with local regulations such as the national Environmental Protection and Management Act (EPMA); Environmental Public Health Act (EPHA); Hazardous Waste (Control of Export, Import and Transit) Act. All UMS facilities undertake regular external and internal audits as part of their commitment to ISO 9001 Quality Management Systems.

The Group continues to review and upgrade its infrastructure and facilities as part of its ongoing operational excellence pursuit. This will result in more efficient operations and deployment of resources.

### ENERGY CONSUMPTION

UMS's main contribution to reducing our environmental impact involves suppressing the amount of materials and energy used in the process of manufacturing, while also reducing, as much as possible, the emission of environmentally harmful substances.

For the manufacturing process, we established a target of 0.13 energy intensity to achieve energy conservation by optimizing our manufacturing processes.

First and foremost, UMS has a culture of building our own production facilities and manufacturing processes, and the idea that the people involved in development, manufacturing technology and even production should devise, operate and improve their own production facilities, on their own, is deeply rooted. In every office, in every manufacturing process, efforts to reduce energy consumption are being practiced and are producing results. That has also culminated in a number of other achievements, such as cost reduction and improved facilities and work environments.

### Measuring Our Energy Efficiency Performance

Performance in 2020	Target
Energy Intensity (KWH/Revenue) – 0.1558	Energy Intensity (KWH/Revenue) <= 0.1300

### WATER MANAGEMENT

Water is a fundamental resource in people's lives; it is similarly essential to plant manufacturing. Water risks are therefore causing concern worldwide, as water shortages and water pollution become more serious due to such factors as climate change and a rising global population.

At UMS, we take great care to use water resources efficiently. To reduce water consumption, we have taken steps to control water flow in our special process lines. Moreover, we have switched from using PUB water to NEWater in our Singapore facility.

### Measuring Our Water Management Performance

Performance in 2020	Target
Water Intensity (m <sup>3</sup> /Revenue) – 0.0014	Water Intensity (m <sup>3</sup> /Revenue) <= 0.0012

### WASTE MANAGEMENT

UMS is committed to managing and reducing its waste and discharge responsibly. A Group-wide system governs the management of hazardous waste, non-hazardous waste as well as materials sent for recycling.

All collection, treatment, disposal as well as recycling of wastes in Singapore are strictly governed by the EPMA, EPA and national toxic industrial waste regulations. In addition, the country accedes to the Basel Convention on the Control of Trans-boundary Movements of Hazardous Wastes and their disposal. Hazardous waste handled by the Group consists largely of chemicals and oily water removed from production processes. UMS work only with government-licensed waste collection vendors to ensure that disposal processes are in compliance with government regulation.

Recycling is an important aspect of UMS's waste management practices. All retrieved metal chips and scraps as well as packaging material are sent for recycling, wherever possible.

### ENVIRONMENTAL IMPACT OF TRANSPORTING GOODS

Most of our delivery trucks are in compliance with the EURO V standard which helps to reduce the emission of CO<sub>2</sub> and other gases.

In addition, we work with customers to optimize the delivery schedule, taking advantage of consolidation opportunities whenever possible in order to achieve fuel and CO<sub>2</sub> emissions reduction.

### COMPLIANCE

In 2020, UMS did not incur any significant fines for noncompliance with environmental laws and regulations.

## HUMAN CAPITAL

**UMS CONTINUES TO NURTURE AND EMPOWER PEOPLE TO DRIVE ITS GROWTH AND SUCCESS. BY HARNESSING TALENT AND BUILDING COMPETENCIES, THE GROUP FOCUSES ON DEVELOPING A COMPETITIVE AND FUTURE-READY WORKFORCE THAT WILL PROPEL THE COMPANY TOWARDS ITS MISSION AND VISION.**

### HUMAN CAPITAL STRATEGY

UMS's human resource (HR) strategy is driven by the Group's mission, vision and growth objectives. Core to the strategy is attracting, developing and growing a competitive workforce and a strong talent pool for sustainable growth. By creating a compelling employment experience and an enriching environment, the Group empowers employees to unleash their full potential and achieve peak performance.

The Group conducts regular reviews to continuously enhance its HR management systems, standards and protocols at various levels to ensure alignment with best practices among its peers and within the industry.

The Group employs 518 employee as at the end of 2020 in its Singapore and Malaysia operations.

### PROVIDING FAIR EMPLOYMENT AND EQUAL OPPORTUNITIES

UMS adopts employment practices that are aligned with internationally recognised human and labour rights standards.

Guided by the principles set out by Singapore's Tripartite Alliance for Fair and Progressive Employment Practices, the Group is an equal opportunity employer that embraces employee diversity and promotes an inclusive work culture.

Discrimination by ethnicity, gender, religious beliefs, nationality, age or physical disability is not tolerated. The Group is also against unethical practices such as child labour, slavery, forced labour and human trafficking. At UMS, there are non-discriminatory and merit-based processes for recruiting, training and development, compensation and evaluation. In 2020, the company did not receive any reports of discrimination or exploitative labour practices.

The Group communicates these values to employees, associates and partners via its Code of Business Conduct, which is published on workshop noticeboards. Workshops on business ethics, anti-bribery compliance and enterprise risk management are also held to educate employees and stakeholders on good corporate governance.

---

# SUSTAINABILITY REPORT

---

UMS propagates a localisation strategy for its overseas operations. This ensures that the teams on the ground have a good grasp of local socio-political and cultural sensitivities to help deliver targeted business outcomes for the Group. In 2020, locals accounted for about 38% of the employees based in Malaysia and 75% of managerial and senior management positions are held by locals.

The company's female employees are well represented at the middle and senior management level. For the past three years, about 25% of the managerial employees are female and we have 1 female director at the Group level.

## **NURTURING LEADERS**

UMS has a talent management and succession planning framework in place to identify and nurture future leaders and successors for business continuity. The Board has oversight on leadership renewal and management development processes within the Group, including approval of senior management appointments, review of succession plans and grooming of talent for key executive roles. As part of the talent development process, a structured performance management framework is used to trace the progress and contributions of promising staff. By identifying these future leaders and monitoring their growth, plans can be mapped out for their career advancement, competencies training and leadership development.

## **EMPLOYEE RECOGNITION AND RETENTION**

Outstanding employees that have contributed to UMS's success are recognised and rewarded for their achievements and contributions. Career progression is based on merit and equal opportunities are provided to staff to excel and grow with the company. To objectively measure employees' performance, all employees in the workforce undergo annual appraisals to assess their suitability for career advancement or salary increments.

Employees are entitled to annual leave, parental leave, group insurance coverage and company transportation benefits.

## **BUILDING TEAM SPIRIT**

### Pre-COVID-19

To foster team spirit and a sense of identity among employees within the Group, team building activities, recreational games are organised at various levels. Department lunch gatherings are held annually to strengthen connections and camaraderie among colleagues.

### During FY2020

The above activities were suspended in compliance with COVID-19 safe distancing measures.

---

# CORPORATE GOVERNANCE REPORT

---

The Board and Management of UMS Holdings Limited (the “Company”) is committed to maintaining high standards of corporate governance and practices that are essential to protect the interest of shareholders. Excellence in corporate governance will not only enhance and safeguard the interest of all our shareholders; it will also foster the stability and sustainability of the Group’s performance that is crucial in the building of long-term shareholders’ value.

This report describes the Group’s corporate governance policies and processes with reference to the Code of Corporate Governance 2018 issued in August 2018 (the ‘Code’). The Board is pleased to confirm that for the financial year ended 31 December 2020, the Company has generally adhered to the principles and guidelines of the Code and any deviations will be specified in this report.

## **The Board’s Conduct of its Affairs – Principle 1**

The Board comprises five Directors at the end of the year 2020, of which three, are Independent Non-Executive Directors. The Board provides entrepreneurial leadership, set strategic aims, and ensures that the necessary financial and human resources are in place for the Company to meet its objectives. It also establishes a framework of prudent and effective controls which enable risks to be assessed and managed. In addition, it reviews management performance, set the Group’s values and standards, and ensure that obligations to shareholders and others are understood and met. The Board also sets the tone for the Company in respect of code of conduct, ethics, values and desired organisational culture, and also ensures proper accountability within the Group.

The key responsibilities of the Board include:

- Approving business direction and strategies;
- Monitoring management’s performance;
- Ensuring the adequacy, efficiency and effectiveness of internal controls, risk management procedures, financial reporting and compliance;
- Approving annual budget, major funding, investment and divestment proposals;
- Approving the nominations of the Board of Directors and appointments to the various Board committees; and
- Assuming the responsibility for overall corporate governance of the Group.

The Group has in place, a set of internal guidelines setting forth matters that require the Board’s approval. Matters that specifically require the Board’s approval are those involving:

- Release of all results and any other relevant announcements;
- Group’s annual budget;
- Appointment of Directors and key personnel;
- Group’s corporate and strategic directions, key operational initiatives;
- Major funding and investment initiatives;
- Merger and acquisition transactions;
- Declaration of interim dividend and proposal of final dividends;
- Interested party transactions;
- Matters involving conflict of interests for substantial shareholders or Directors; and
- All other matters of material importance.

Pursuant to the Directors’ Conflicts of Interest Policy of the Company, Directors must avoid situations in which their own personal or business interests directly or indirectly conflict or potentially conflict, with the interest of the Company. Where a Director has a conflict or potential conflict of interest in relation to any matter, he/she will immediately declare his/her interest at the meeting of the Directors or send a written notice to the Chairman and/or Company Secretaries, setting out the details of his/her interest and the conflict and recuse himself/herself from any discussions on the matter and abstain from participating in any Board decision.

All Directors recognize that they have to discharge their duties and responsibilities at all times as fiduciaries in the interests of the Company. The Board is a representation of the shareholders in the Company and is accountable to them through effective governance of the business.

# CORPORATE GOVERNANCE REPORT

To ensure smooth and effective running of the Group and to facilitate decision making, the Board has established various committees to assist in the discharge of its responsibilities. These committees operate under clearly defined terms of reference, which are headed by Independent Non-Executive Directors. The three committees are:

- Audit Committee (“AC”)
- Nominating Committee (“NC”)
- Remuneration Committee (“RC”)

The Board meets regularly at least four times a year, to coincide with the announcement of the Group’s quarterly results. Ad-hoc Board meetings are also convened as and when deemed necessary by the Board to address any specific or significant matters that may arise. At meetings of the Board, the Directors are free to discuss and openly challenge the views presented by management and other Directors. The decision-making process is an objective one. In lieu of physical meetings, written resolutions are also circulated for approval by the members of the Board.

During the current financial year, the Board met four times. The Company’s Constitution provides for the meetings of the Board by means of conference telephone or similar communications equipment. The number of Board meetings held and the attendance of each board member at the meetings for the year ended 31 December 2020 are disclosed below:

Name of Director	Board Meetings		Audit Committee Meetings		Nominating Committee Meetings		Remuneration Committee Meetings	
	No Held	No Attended	No Held	No Attended	No Held	No Attended	No Held	No Attended
Mr Luong Andy <sup>^</sup>	4	4	N.A	N.A	1	1	N.A	N.A
Mr Loh Meng Chong Stanley <sup>+</sup>	4	4	N.A	N.A	N.A	N.A	N.A	N.A
Mr Chay Yowmin <sup>#</sup>	4	4	4	4	1	1	1	1
Ms Gn Jong Yuh Gwendolyn <sup>#</sup>	4	4	4	4	1	1	1	1
Datuk Phang Ah Tong <sup>#</sup>	4	4	4	4	1	1	1	1

- <sup>^</sup> Executive Chairman  
<sup>+</sup> Executive Director  
<sup>#</sup> Independent Non-Executive Director

The Board recognises the importance of appropriate orientation training and continuing education for its Directors. Whenever a new Director is appointed on the Board, the Company will arrange for the First-time Director to attend Mandatory Training conducted by Singapore Institute of Directors in accordance to Rule 201(5) of the Listing Manual, at the expense of the Company, to enable him/her to discharge his/her duties effectively. No New Director was appointed in 2020. There are update sessions to inform the Directors on new legislations and/or regulations which are relevant to the Group. Changes to regulations and accounting standards are monitored closely by the Management. To keep pace with regulatory changes, where these changes have an important bearing on the Company’s or Directors’ disclosure obligations, Directors are briefed at Board meetings.

All the Directors are informed and encouraged to attend seminars, courses and other programmes, from time to time, in order to discharge their duties as Directors. All the costs are borne by the Company.

All Directors are appointed to the Board by way of a formal letter of appointment or service agreement setting out the scope of their duties and obligations.

---

# CORPORATE GOVERNANCE REPORT

---

## Board Composition and Guidance – Principle 2

### Board Independence

As at 31 December 2020, the Board comprises 5 Directors, 3 of whom are Independent Non-Executive Directors. The Board, taking into account the nature and scope of the Company's businesses and the number of Board Committees' members, considers that a Board with majority of members being Independent Non-Executive is necessary. Over the course of the year, the NC assessed the independence of Board members in consideration of the relevant provisions of the Code. Provision 2.1 of the Code provides that the independence of any Director who has served on the Board beyond 9 years from the date of first appointment be subject to two-tier vote by shareholders which come into effect on 1 January 2022 in accordance to Rule 210(5)(d) of the Listing Manual or particularly rigorous review which will continue to apply prior to 1 January 2022. The NC decided that any Independent Non-Executive Director upon completing 9 consecutive years of service will thereafter be deemed a Non-Independent Director, notwithstanding demonstrable independence of management, or business relationships with the Company or any substantial shareholders. The Board is in accord with the NC's decision. Currently, no Independent Directors has served on the Board for more than nine years.

The independence of each Director is reviewed by the NC on an annual basis. Annually, each Independent Non-Executive Director is required to confirm his/her independence. Based on the declarations of independence provided by the Directors and taking into account the guidance in the Code, Datuk Phang Ah Tong, Mr Chay Yiowmin and Ms Gn Jong Yuh Gwendolyn are considered Independent.

### Board Diversity

The Company has in place a Board Diversity Policy, which endorses the principle that its Board should have a balance of skill, knowledge, experience and other aspects of diversity such as gender and age as well as to have appropriate number of Independent Non-Executive Directors to the Company's business to promote the inclusion of different perspectives and ideas, mitigate against group think and ensure that the Company has the opportunity to benefit from all available talent. Each year, the NC reviews the composition and size of the Board and each Board Committee and takes into careful consideration a combination of factors when reviewing appointments to the Board and the continuation of those appointments. These factors include skills, core competencies, knowledge, professional experience, educational background, gender, age and length of service. Core competencies, which are taken into account in the selection and appointment of Directors, include banking, finance, accounting, business acumen, management experience, technology expertise, familiarity with regulatory requirements and knowledge of risk management, audit and internal controls. The NC also in its deliberations, takes into account gender and age diversity in relation to the composition of the Board. The Board, taking into account the views of the NC, considers that its Directors meet the criteria under its Board Diversity Policy and possess the necessary competencies and knowledge to lead and govern the Company effectively. The Non-Executive Directors who are also the Independent Directors make up a majority of the Board.

### Board Guidance

An effective and robust Board, whose members engage in open and constructive debate and challenge Management on its assumptions and proposals, is fundamental to good corporate governance. A Board should also aid in the development of strategic proposals and oversee effective implementation by Management to achieve set objectives. For this to happen, the Board, in particular its Independent Non-Executive Directors, must be kept well informed of the Company's businesses and be knowledgeable about the industry. To ensure that Independent Non-Executive Directors are well supported by accurate, complete and timely information, Independent Non-Executive Directors have unrestricted access to Management. Independent Non-Executive Directors also receive periodic information papers and Board briefings on the latest market developments and key business initiatives. Regular informal meetings are held for Management to brief Directors on prospective deals and potential developments in the early stages, before formal Board approval is sought. Board papers are provided to Directors not less than a week in advance of the meeting to afford the Directors sufficient time to review the Board papers prior to the meeting. If a Director is unable to attend a Board or Board Committees meeting, the Director may nevertheless provide his/her comments to the Chairman or relevant Board Committees Chairman separately.

---

# CORPORATE GOVERNANCE REPORT

---

## Meeting of Directors without Management

Where necessary, the Independent Non-Executive Directors may meet without the presence of Management or Executive Directors of the Company.

## Chairman and Chief Executive Officer – Principle 3

Mr Luong Andy is currently the Executive Chairman of the Board and also the Chief Executive Officer of the Group. The Board is of the view that accountability and independence have not been compromised despite the Chairman and Chief Executive Officer being the same person. The Chairman and Chief Executive Officer have defined responsibilities which, during his tenure so far, have not conflicted with each other. Major business proposals are discussed at Board meetings before decisions are made. The Board believes there is sufficient element of independence and adequate safeguards against a concentration of power in one single person. As the Chairman, Mr Luong's responsibilities, among others, include the following:

- Lead the Board to ensure its effectiveness to all aspects of its role and set its agenda;
- Ensure that the Directors receive accurate, timely and clear information;
- Ensure effective communication with shareholders;
- Encourage constructive relations between the Board and Management;
- Facilitate the effective contribution of Non-Executive Directors to the Board;
- Encourage constructive relations between the Non-Executive Directors and Executive Directors; and
- Promote high standards of corporate governance.

The Board has appointed Mr Chay Yiowmin as the Lead Independent Director and is of the view that there is sufficiently strong independent element on the Board to enable the independent exercise of objective judgement on corporate affairs of the Group by members of the Board, taking into account factors such as the number of Independent Non-Executive Directors on the Board, as well as the size and scope of the affairs and operations of the Group.

The Lead Independent Director is available to shareholders via [y.chay@umsgroup.com.sg](mailto:y.chay@umsgroup.com.sg) where they have concerns which contact through the normal channels of the Chairman and Chief Executive Officer or Chief Financial Officer has failed to resolve or for which such contact is not appropriate.

## Board Membership – Principle 4

### Composition of Nominating Committee

The appointment of new Directors to the Board is recommended by the NC. The NC comprises three Independent Non-Executive Directors and one Executive Director, namely Datuk Phang Ah Tong, Mr Chay Yiowmin, Ms Gn Jong Yuh Gwendolyn and Mr Luong Andy.

Name	Role in NC	Role In Board
Datuk Phang Ah Tong	Chairman	Independent Non-Executive Director
Mr Luong Andy	Member	Chief Executive Officer and Executive Chairman
Mr Chay Yiowmin	Member	Lead Independent Non-Executive Director
Ms Gn Jong Yuh Gwendolyn	Member	Independent Non-Executive Director

---

# CORPORATE GOVERNANCE REPORT

---

The Chairman of the NC is not directly associated with any substantial shareholder of the Company. The NC works within the written terms of reference, which describes the responsibilities of its members. The key terms of reference of the NC include the following:

- Review of succession plans for Directors and make recommendations to the Board on all board appointments, retirements and re-nomination having regards to the Director's contribution and performance;
- Review and determine the independence of each Director and ensure that the Independent Non-Executive Directors make up at least half of the Board;
- Review and decide if a Director is able to and has been adequately carrying out his/her duties as a Director of the Company, when he/she has multiple board representations; and
- Determine how the Board's performance may be evaluated, and propose objective performance criteria to assess the effectiveness of the Board as a whole.

When a Director has multiple board representations, the NC also considers whether or not the Director is able to and has adequately carried out his duties as a Director of the Company, taking into consideration the Director's number of listed company board representations and other principal commitments. The NC is satisfied that sufficient time and attention are being given by the Directors to the affairs of the Company, notwithstanding that some of the Directors have multiple board representations. The Board has determined that a Director may hold up to 8 listed company board representations and principal commitments.

Currently, the Company does not have alternate Directors.

## Selection and appointment of new Director

In identifying for appointment of new Directors, the NC applies the following main principles:-

- The Board shall have a majority of Directors who are not substantial shareholders of the Company and are independent of the substantial shareholders of the Company; and
- The NC must be satisfied that each candidate is fit and proper for the position or office and is the best or most qualified candidate nominated for the position or office taking into account the candidate's track record, age, experience, capabilities, and other relevant factors.

Under the Constitution of the Company, the Directors are required to retire at least once every three years. The NC assesses and recommends to the Board whether the retiring Directors are suitable for re-election. Each member of the NC is also required to abstain from voting on resolutions, making recommendations and/or participating in matters in which he/she is interested.

The NC has reviewed and recommended the re-election of Ms Gn Jong Yuh Gwendolyn and Datuk Phang Ah Tong who are retiring at the forthcoming annual general meeting to be held on 28 April 2021 ("forthcoming AGM"). The Board has accepted the recommendations and the retiring Directors will be offering themselves for re-election at the forthcoming AGM.

Pursuant to Rule 720(6) of the Listing Manual of the SGX-ST, Directors seeking re-election at a general meeting have to provide the information as set out in Appendix 7.4.1 of the Listing Manual. The required information on the two Directors seeking re-election at the forthcoming AGM are appended herein:

<b>Name of Director</b>	<b>Gn Jong Yuh Gwendolyn</b>	<b>Datuk Phang Ah Tong</b>
Date of appointment	5 May 2016	1 October 2017
Date of last re-appointment (if applicable)	25 April 2019	10 April 2018

# CORPORATE GOVERNANCE REPORT

---

Name of Director	Gn Jong Yuh Gwendolyn	Datuk Phang Ah Tong
Any prior experience as a Director of an issuer listed on the Exchange?	Yes	Yes
If yes, please provide details of prior experience.	She has been a director of the Company since 2016.	He has been a director of the Company since 2017.
If no, please state if the Director has attended or will be attending training on the roles and responsibilities of a listed issuer as prescribed by the Exchange.	N.A.	N.A.
Please provide details of relevant experience and the NC's reasons for not requiring the Director to undergo training as prescribed by the Exchange (if applicable).	N.A.	N.A.

Both Directors had responded negative to items (a) to (k) listed in Appendix 7.4.1 of the Listing Manual.

The NC considers that the multiple board representations held presently by some of the Directors do not impede their performance in carrying out their duties to the Company and in fact, enhances the performance of the Board as it broadens the range of the experience and knowledge of the Board.

## Board Performance – Principle 5

We believe that the Board's performance is ultimately reflected in the performance of the Company. The Board should ensure compliance with applicable laws and Board members should act in good faith, with due diligence and care in the best interests of the Company and its shareholders. In addition to these fiduciary duties, the Board is charged with two key responsibilities: setting strategic directions and ensuring that the Company is ably led and managed.

Based on the recommendations of the NC, the Board has established a formal assessment of the effectiveness of the Board as a whole, and of each Board Committee separately as well as the contribution by the Chairman and each individual Director to the effectiveness of the Board. The NC has also established an appraisal process to assess the performance and effectiveness of the Board as a whole, and each Board Committee separately as well as to assess the contribution of individual Directors. It focuses on a set of performance criteria which includes the evaluation of the size and composition of the Board, the Board's access to information, the Board processes and accountability, communication with key management personnel and the Directors' standards of conduct. Assessment of the Board Committees focused on size and composition of the Board and Board Committees' processes. Review of the Board and Board Committees' performance, as appropriate, is undertaken collectively by the NC annually and informally on a continual basis.

The NC is responsible for the following functions:-

- To make recommendations to the Board on relevant matters relating to the review of board succession plans for Directors;
- To review and determine the independence of each Director;
- To make recommendations to the Board on all nominations for appointment and re-appointment of Directors;
- To implement a process for assessing the effectiveness of the Board as a whole and the contribution by each Director;
- To evaluate the independence of each Director as well as the size and composition of the Board; and
- To propose the Board's performance evaluation criteria.
- Reviewing Director training programs

No external facilitator was used in FY2020. However, if need arises, the NC has full authority to engage external facilitator to assist the NC to carry out the evaluation process at the Company's expense.

---

# CORPORATE GOVERNANCE REPORT

---

## Procedures for Developing Remuneration Policies – Principle 6

There should be a formal and transparent procedure for developing policies on executive remuneration and for fixing the remuneration packages of individual Directors. No Director should be involved in deciding his own remuneration.

The RC comprises the following Directors -:

Name	Role in RC	Role In Board
Ms Gn Jong Yuh Gwendolyn	Chairman	Independent Non-Executive Director
Mr Chay Yiowmin	Member	Lead Independent Non-Executive Director
Datuk Phang Ah Tong	Member	Independent Non-Executive Director

The RC members comprise entirely of Independent Non-Executive Directors. The members of the RC have extensive experience in the formulation and implementation of wage policies and compensation schemes. If necessary, the RC will seek expert advice on human resource matters or on remuneration of all Directors, either within or outside the Company.

The RC's responsibilities include the following:

- Recommending to the Board a framework of remuneration, and the specific remuneration packages for each Director and key executives (including but not limited to Director's fees, salaries, allowances, bonuses, variable incentives, options and benefits in kind). If necessary, the RC will seek expert advice inside and/or outside the company on remuneration of all Directors.
- Review the adequacy and form of compensation of executive Directors in accordance with predetermined key performance indicators ("KPIs") to ensure that the compensation realistically commensurate with the responsibilities and risks involved in being an effective executive Director;
- The performance-related elements of remuneration are designed to align interest of executive Directors with those of shareholders and link rewards to corporate and individual performance based on predetermined KPIs. These KPIs are appropriate and meaningful measures for the purpose of assessing executive Directors' performance;
- Recruiting executive Directors of the Company and determining their employment terms and remuneration;
- Positioning the Company's executive remuneration package relative to other companies or its competitors based on advice and recommendations by experts inside and/or outside the company;
- Reviewing and recommending to the Board the terms of renewal for those executive Directors whose current employment contracts have expired, including reassessing KPIs;
- Ensuring adequate disclosure in the Directors' remuneration as required by regulatory bodies such as SGX-ST;
- Overseeing the payment of fees to non-executive Directors;
- Reviewing and recommending to the Board the terms of renewal for material service contracts which are due to expire or have expired based on predetermined KPIs; and
- Reviewing the fairness and reasonableness of the termination clauses of the service agreements of the Executive Directors.

## Level and Mix of Remuneration – Principle 7

The level of remuneration should be appropriate to attract, retain and motivate the Directors needed to run the Company successfully but companies should avoid paying more for this purpose. A significant proportion of Executive Directors' remuneration should be structured so as to link rewards to corporate and individual performance.

The RC adopts a formal procedure for fixing the remuneration packages of individual Directors. In setting the remuneration package of the individual Directors, the Company takes into consideration the following factors:

- Pay and employment conditions within the industry and in comparable companies;
- The Company's relative performance and the performance of the individual Directors;
- The attractiveness of the remuneration package so as to retain the Directors and motivate them to run the Company successfully;
- Significance of performance related elements of remuneration; and
- Effort, time spent and responsibilities of the individual Directors.

# CORPORATE GOVERNANCE REPORT

The remuneration policies for the Executive and Independent Non-Executive Directors have been endorsed by the RC and the Board. Currently, the Company does not have any long-term incentive schemes.

## Disclosure on Remuneration – Principle 8

### Executive Directors:

Executive Directors receive their remuneration in two key components, that is, fixed monthly salary and variable bonus and incentives. The fixed monthly salary includes car allowance and central provident fund contribution. The variable bonus and incentives depends largely on the performance of the Group. In exceptional circumstances of misstatement of financial results or of misconduct resulting in financial loss to the Company, the Group will be able to reclaim incentive components of remuneration from the Executive Director.

### Independent Non-Executive Directors:

Independent Non-Executive Directors are paid a Director's fee on a quarterly basis in arrears. In determining the quantum of Director's fees, factors such as effort and time spent, and responsibilities of the Directors are taken into account. Independent Non-Executive Directors are paid a basic fee and allowance for attending any additional meeting. An additional fee for serving as Chairman on any Board Committee is also being paid to Independent Non-Executive Directors. The RC ensures that none of the Independent Non-Executive Directors are over-compensated to the extent that their independence may be compromised. The Directors' fees are subject to shareholders' approval at the Annual General Meeting.

The Company believes that, given the sensitive nature of remuneration, full disclosure of breakdown of remuneration of each individual Director as well as the key management personnel is not advantageous to the Company.

### Remuneration Details of the Directors

The actual remuneration of Directors for the financial year ended 31 December 2020 received during the financial year are set out below:

Name of Director	Salary	Variable Bonus and Incentives	Allowances	Central Provident Fund Contribution	Directors Fees	Total
	S\$	S\$	S\$	S\$	S\$	S\$
<b>Non-Executive Directors</b>						
<b>Below S\$250,000</b>						
Mr Chay Yiowmin	–	–	–	–	73,045	73,045
Ms Gn Jong Yuh Gwendolyn	–	–	–	–	68,042	68,042
Datuk Phang Ah Tong	–	–	–	–	68,042	68,042
<b>Executive Directors</b>						
<b>S\$2,500,000 to S\$2,749,999</b>						
Mr Luong Andy	616,723	1,897,639	217,446	11,580	–	2,743,388

Mr Loh Meng Chong Stanley	46%	47%	4%	3%	0%	100%

---

# CORPORATE GOVERNANCE REPORT

---

## Remuneration of the top five key management personnel of the Group

The breakdown remuneration of the top 5 key management personnel (who are not Directors or CEO of the Company) in percentage terms for the financial year ended 31 December 2020 are set out below:

Name of Key Management Personnel	Salary	Allowances	Bonus	Central Provident Fund Contribution	Total
	%	%	%	%	%
<b>Below S\$250,000</b>					
Mr Kay Tan Kian Hong	76%	5%	19%	0%	100%
Ms Khoo Guek Fong	43%	5%	45%	7%	100%
Mr Gobinath A/L Gunaselan	64%	6%	21%	9%	100%
Ms Pang Su Chun	66%	3%	22%	9%	100%
Mr Gajendran Rajendra Babu	65%	9%	14%	12%	100%

The total remuneration paid to the above key management personnel for the financial year ended 31 December 2020 was S\$0.88 million.

Other than as disclosed, the Company does not have any employee who is an immediate family member of a Director or CEO and substantial shareholder, whose remuneration exceeds S\$100,000 during the financial year.

Currently, the Company does not have any employee share schemes.

The Company has not engaged any remuneration consultants in FY2020 and will continue to monitor the need to engage external remuneration consultants going forward and where applicable, will review the independence of the external firm before any engagement.

## Risk Management and Internal Controls – Principle 9

The Group has established a system of internal controls to address the financial, operational and compliance risks of the Group. The Board recognizes the importance of sound internal controls and risk management practices to good corporate governance. The Board affirms its overall responsibility for the Group's overall internal control framework, and for reviewing the adequacy and integrity of those systems on an annual basis. The internal control and risk management functions are performed by the Group's key management personnel and the CEO and CFO have confirmed the adequacy and effectiveness of the internal controls and risk management systems and the financial records have been properly maintained and the financial statements give a true and fair view of the Group's business operations and finances. It should be noted, in the opinion of the Board, that no cost effective internal control system will preclude all errors and irregularities, as a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The AC selects and approves the appointment of the internal auditor ("IA"). The IA function of the Group is outsourced to BDO LLP ("BDO"). The IA reports to the AC. The AC had reviewed and approved the internal audit plan and reviewed the results of the internal audit. The AC is satisfied that the internal audit work is carried out in accordance with the International Standards for the Professional Practice of Internal Auditing set by The Institute of Internal Auditors.

---

# CORPORATE GOVERNANCE REPORT

---

The Group's IA conduct review in accordance with the audit plans of the Group and its key internal controls, including financial, operational and compliance controls. Any material non-compliance or failures in internal controls and recommendations for improvement are reported to Management and to the AC. The audit conducted by internal auditors will assist the AC in the assessment of and obtaining assurance on the adequacy, efficiency and effectiveness of the Group's internal control environment. The AC is satisfied that the internal audit function is adequately resourced and has appropriate standing within the Company. The AC conducted a review and concluded that the Internal Audit function is adequately resourced, effective and independent for FY2020 and is also satisfied that the IA is staffed by suitably qualified and experienced personnel.

During the financial year, Management had taken remedial actions recommended by the internal and external auditors in prior financial year so as to enhance certain internal control procedures. New areas of improvement were also recommended and implemented during the current financial year.

The Board also recognises the importance of establishing a risk management framework to facilitate the governance of risks and monitoring the effectiveness of internal controls. Accordingly, to facilitate the compliance of the Listing Manual, a Risk Advisory Committee comprising key senior management executives has been established to advise the Board of the various financial, operational and compliance risks affecting the Group. Weightage were assigned to these risks and appropriate actions were taken to mitigate or avoid these risks. In addition, the Board sets the appropriate risk tolerance limits for each risk by considering the relative importance of the objectives. The responsibility of overseeing the Company's risk management framework and policies is undertaken by the AC.

The Company has previously commissioned a big four auditing firm to perform a risk assessment review and subsequently established a risk identification and management framework. In the Company, risks are identified and addressed, with the Board and senior management personnel of the Group and its subsidiaries taking ownership of these risks. Action plans to manage the risks are continually being monitored by Management and the Board.

The internal auditors will review policies and procedures as well as key controls over the selected areas as approved by the Audit Committee, and will highlight any issues to the Directors and the AC. Additionally, in performing their audit of the financial statements, the external auditors perform a review of the adequacy and effectiveness of the Group's key internal controls to the extent of their scope as laid out in their audit plan. Significant non-compliance and internal control weaknesses noted during the audit are reported to the AC together with the recommendations of the external auditors.

Based on the internal control framework established and maintained by Management, the reports from the internal and external auditors, and assurance reviewed from Management, the Board opines, with the concurrence of the AC, that the system of internal controls including financial, operational, compliance and information technology controls and risk management systems maintained by the Group's Management that was in place throughout the financial year up to the date of this report, is adequate and effective to meet the needs of the Group in its current business environment. The Board, together with the AC and Management, will continue to enhance and improve the existing internal control framework to identify and mitigate these risks.

## Audit Committee – Principle 10

The AC comprises the following members:

Name	Role in AC	Role In Board
Mr Chay Yiowmin	Chairman	Lead Independent Non-Executive Director
Ms Gn Jong Yuh Gwendolyn	Member	Independent Non-Executive Director
Datuk Phang Ah Tong	Member	Independent Non-Executive Director

The AC members have many years of experience in their respective fields of accounting, audit, financial management, law and business. The Board considers that the members of the AC are appropriately qualified to discharge the responsibilities of the AC.

---

# CORPORATE GOVERNANCE REPORT

---

The AC has the authority to investigate any matters within its terms of reference and the discretion to invite any Director to attend its meetings. The management shall grant full cooperation and resources to enable it to discharge its functions properly. The roles and responsibilities of the AC are to:

- Recommend to the Board, the external auditors to be appointed and the remuneration and terms of engagement letter therein;
- Review with the internal and external auditors, the audit plan, including the nature and scope of the audit and its cost effectiveness before the audit commences;
- Review with the internal auditors and external auditors, their evaluation of the adequacy and effectiveness of the system of internal accounting controls and compliance functions;
- Review the Group's audited annual report and other quarterly financial statements and related notes and formal announcements thereto; accounting principles adopted and the external auditors' report prior to recommending to the Board for approval;
- Review the nature, scope, extent and cost effectiveness of non-audit services provided by the external auditors and ensuring that these do not affect the independence and objectivity of the external auditors;
- Review any significant financial reporting issues, judgment and estimates made by the Management, so as to ensure the integrity of the financial statements of the Company;
- To review the cooperation given by the Management to the external auditor;
- Discuss problems and concerns, if any, arising from the interim and final audits, and any matters which the auditors may wish to discuss (in the absence of the Management where necessary);
- Review the adequacy and effectiveness of the Company's material internal controls, including financial, operational and compliance controls via reviews carried out by the internal auditors; and
- Review interested party transactions on a regular basis.

In respect of the overall audit process, the AC has:-

- Provided an open avenue of communication between the external auditors, internal auditors, the Management and the Board; and
- Kept under review the scope and results of the external audit, internal audit, and their effectiveness and reported to the Board on any significant findings.

The AC is guided by its terms of reference which provides explicit authority to investigate any matters within its terms of reference, full access to and co-operation by the Management and full discretion to invite any Director and executive officer to attend its meetings, and reasonable resources to enable it to discharge its functions properly.

The AC has also put in place an anti-fraud policy, whereby staff and business associates of the Group may raise concerns about possible improprieties in matters of financial reporting, fraudulent acts and other matters and ensure that arrangements are in place for independent investigations of such matters and appropriate follow up actions.

The AC meets with external auditors, and with internal auditors, without the presence of the Company's Management, at least once a year.

The AC has reviewed the key audit matters disclosed in the independent external auditors' report and is of the view that there is no material inconsistency between the audit procedures adopted by the independent external auditors and Management's assessment and is satisfied that the key audit matters have been appropriately dealt with.

The Company has appointed a suitable auditing firm to meet its audit obligations, having regard to the adequacy of the resources and experience of the auditing firm and the audit engagement partner assigned to the audit. Moore Stephens LLP was appointed as the Company's external auditors on 7 November 2007. Mr Neo Keng Jin was appointed with effect from financial year ended 31 December 2018 as the audit engagement partner in charge of the audit of the Company. The Company confirms that Rule 712 of the SGX-ST's Listing Manual is complied with.

The auditors of the Company's subsidiaries are disclosed in the notes to the financial statements in this annual report. The Company confirms that the Company and the Group has complied with Rule 715 of the SGX-ST's Listing Manual.

For FY2020, the total amount of fees in respect of statutory audit services provided by the external auditors for the Group amounted to approximately S\$196,000. No non-audit fee paid to external auditors in FY2020.

---

# CORPORATE GOVERNANCE REPORT

---

The AC is satisfied with the independence and objectivity of the external auditors during the financial year and has recommended to the Board the re-appointment of Moore Stephens LLP as external auditors at the forthcoming Annual General Meeting of the Company.

No former partner or Director of the Company's existing auditing firm or auditing corporation, within a period of 2 years from the date of his/her ceasing to be a partner of the auditing firm or Director of the auditing corporation, is appointed to the AC.

## **Shareholder Rights and Conduct of General Meetings – Principle 11**

### **Engagement with Shareholders – Principle 12**

### **Engagement with Stakeholders – Principle 13**

#### **Shareholder Rights**

The Company is fully committed to treat all shareholders fairly and equitably. All shareholders enjoy specific rights under the Constitution and the relevant laws and regulations. The Company ensures that all material information is disclosed on a comprehensive, accurate and timely basis via SGXNet. The Company recognises that the release of timely, regular and relevant information regarding the Company's performance, progress and prospects aids shareholders in their investment decisions.

Shareholders are entitled to attend the general meetings and are accorded the opportunity to participate effectively in and vote at general meetings (including through the appointment of up to two proxies, if they are unable to attend in person or in the case of a corporate shareholder, through its appointed representative). Shareholders are also informed of the rules, including the voting procedures that govern the general meetings. Indirect investors who hold the Company's shares through a nominee company or custodian bank or through a CPF agent bank may attend and vote at the AGM.

#### **Conduct of General Meetings**

Shareholders are informed of general meetings through notices sent to all shareholders or at the shareholder's election, made available electronically. Shareholders may download the Annual Report and Notice of AGM from SGXNet as well as the Company's IR Website. The general meeting procedures provide shareholders the opportunity to raise questions relating to each resolution tabled for approval.

Shareholders or their appointed proxies are given the opportunity to vote at the general meetings of shareholders. The Company has been conducting electronic poll voting for all the resolutions passed at the general meetings of shareholders for greater transparency in the voting process. An independent external consultant is also appointed as scrutineer for the electronic poll voting process. Prior to the commencement of the general meeting of shareholders, the scrutineer would review the proxies and the proxy process. A proxy verification process agreed upon with the scrutineer is also in place. Votes cast for, or against, each resolution will be tallied and displayed live-on-screen to shareholders or their appointed proxies immediately after each poll conducted at the meeting. The Company maintains an audit trail of all votes cast at the general meeting of shareholders. The outcome of the general meeting of shareholders (including total numbers and percentage of votes cast for or against the resolutions) are also promptly disclosed on SGXNet on the same day after the general meeting. Each share is entitled to 1 vote. The Company currently does not provide for voting in absentia.

All Directors, including the Chairman of each of the AC, NC and RC, external auditor, senior management and legal advisors (where necessary), are present at general meetings to address queries from the meeting attendees.

The Company provides for separate resolutions at general meetings of shareholders on each distinct issue. All the resolutions at the general meetings are single item resolutions. Detailed information on each resolution in the AGM agenda is in the explanatory notes to the AGM Notice in the Annual Report.

The Company Secretary prepare minutes of the general meetings, which capture the essence of the comments or queries from meeting attendees and responses from the Board and Management. These minutes will not be published on the Corporate website but will be made available to shareholders upon their requests.

---

# CORPORATE GOVERNANCE REPORT

---

In light of the COVID-19 pandemic, the Company's AGM will be held via electronic means. Shareholders will not be able to attend the AGM in person, but may participate at the AGM by watching and/or listening to the proceedings via a "live" webcast. Shareholders will also be given the opportunities to submit their questions related to the resolutions to be tabled for approval in advance of the AGM. The responses to those substantial and relevant questions received from shareholders will be published via SGXNet before the AGM. In addition, the Company will publish the minutes of the forthcoming AGM within one month from the AGM in accordance with the Guidance on the Conduct of General Meetings Amid Evolving COVID-19 situation issued by Accounting and Corporate Regulatory Authority, Monetary Authority of Singapore and SGX.

## **Disclosure of Information on a Timely Basis**

The Company is committed to disclosing to its shareholders as much relevant information as is possible, in a timely, accurate, fair and transparent manner.

In addition to comprehensive, accurate and timely disclosure of information that is material or that may influence the price of the Company shares on SGXNet in compliance with the requirements of the Listing Manual, the Company adopts the practice of regularly communicating major developments in its businesses and operations through the appropriate media. Such channels include news releases, annual reports, shareholder circulars, shareholders' meetings, and direct announcements.

The Company released its results for the first three quarters to shareholders no later than 45 days from the end of the quarter. Annual results are released within 60 days from the financial year-end.

Briefings to present quarterly and full-year results are held for the media and analysts.

## **Interaction with Shareholders**

At each AGM, the Directors (including the Chairman of the respective Board committees), are in attendance to address queries and concerns about the Company. The Company's external auditor also attends to address shareholders' queries relating to the conduct of the audit and the preparation and content of the external auditor's report.

## **Dividend Policy**

The Company has adopted a dividend policy since 15 May 2012 to declare dividends on a quarterly basis. The form, frequency, the amount of any dividend will depend on the Group's earnings and financial position, results of operation, capital expenditure requirements, future expansion and investment plans, profit after tax position, other funding requirements, and other factors. The Directors will continually review the dividend policy and reserve the right to update, amend, modify or cancel this dividend policy.

Over the past five years, the Group has declared total annual dividends at the rate of approximately 51% to 114% of the net profit after tax based on the audited consolidated financial statements. Any dividend payments are clearly communicated to shareholders via announcements on SGXNET.

## **Corporate Website**

The Group adopts transparent, accountable and effective communication practices as a key means to enhance standards of corporate governance. We aim to provide clear and continuous disclosure of our corporate governance practices through efficient use of technology. The following information is made available on SGX's corporate website:

- (a) Board of Directors profiles;
- (b) Notice of AGM and Proxy Forms;
- (c) Annual Report;
- (d) Letter/Circular to Shareholders;
- (e) Company announcements;
- (f) Press releases; and
- (g) Financial Results.

---

# CORPORATE GOVERNANCE REPORT

---

The latest Annual Report, financial and company announcements are posted on the website following their release to the market, to ensure fair dissemination to shareholders.

The Company's corporate website ([www.umsgroup.com.sg](http://www.umsgroup.com.sg)) has a dedicated 'Investor Relations' link. The contact details of the Investor Relations team are available on the dedicated link to enable shareholders to contact the Company easily. Investor Relations has procedures in place for addressing investors' queries or complaints as soon as possible.

## **Managing Stakeholder Relationships**

The Company has in place an Investor Relations Policy which sets out the process and mechanism to engage its stakeholders, including the channel of communication (as described above) for questions to be posed by shareholders and through which the Company may respond accordingly.

Through the Investor Relations team, the Company engages its shareholders, investors and analysts through investor roadshows, and participation in major investor conferences. The Company is committed to actively engaging the investment community to convey its investment proposition, as well as obtain feedback on its expectations.

Please refer to the section on "Stakeholder Engagement" in the sustainability report for more information on how the Company manages its stakeholder relationships.

## **Dealing in Company's Securities**

An internal Code on Dealings in Securities is also in place to prescribe the internal regulations pertaining to the securities of the Company and its listed subsidiaries. The code prohibits securities dealings by Directors and employees while in possession of unpublished price-sensitive information of the Group. The Company, all Directors and employees are also prohibited from dealing in the securities of the Company during the period beginning two weeks before the announcement of the Company's financial statements for each of the first three quarters of its financial year and one month before the announcement of the Company's full year financial statements and ending on the date of the announcement of the financial results. Directors and officers are also advised not to deal in the Company's securities for short term considerations and they are expected to observe insider-trading laws at all times. The Company issues regular internal memorandums to the Directors and officers of the Group to remind them of the aforementioned prohibitions.

## **Interested Person Transactions and Material Contracts**

The Company has an internal policy to deal with interested person transactions. All interested person transactions will be documented and submitted to the AC on a quarterly basis for their review and approval to ensure that the transactions are carried out at arm's length.

During the current year, there were interested person transactions involving Mr Luong Andy and Sure Achieve Consultant Pte Ltd, a company in which Mr Luong's wife, Mrs Sylvia SY Lee Luong is a shareholder and Director. There were also interested person transactions with Kalf Engineering Pte Ltd ("Kalf") in which both Mr Luong Andy and Mr Stanley Loh have an interest. All interested person transactions were conducted on arm's length basis and on normal commercial terms within the regulatory guidelines. The Company has established procedures to ensure that all transactions with interested persons are reported on a timely manner to the Audit Committee and the transactions are carried out on normal commercial terms and will not be prejudicial to the interest of the Company and its minority shareholders. Details of the interested person transactions are found on the supplementary financial information disclosures page of this Annual Report.

Except as disclosed in the interested person transactions note found on the supplementary financial information disclosures page of this Annual Report, there was no material contract or loan entered into between the Company and any of its subsidiaries involving interests of any of the CEO, Director or controlling shareholder, either still subsisting at the end of FY2020 or if not then subsisting, entered into since the end of the previous financial year.

# DIRECTORS' STATEMENT

For the financial year ended 31 December 2020

The directors present their statement to the members together with the audited consolidated financial statements of UMS Holdings Limited (the "Company") and its subsidiaries (collectively the "Group") for the financial year ended 31 December 2020, and the statement of financial position of the Company as at 31 December 2020.

In the opinion of the directors,

- (a) the consolidated financial statements of the Group and the statement of financial position of the Company are drawn up so as to give a true and fair view of the financial position of the Group and of the Company as at 31 December 2020 and the financial performance, changes in equity and cash flows of the Group for the financial year ended on that date; and
- (b) at the date of this statement, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

## Directors

The directors of the Company in office at the date of this statement are:

Mr Luong Andy	Executive Director
Mr Loh Meng Chong Stanley	Executive Director
Mr Chay Yiowmin	Independent Director
Ms Gn Jong Yuh Gwendolyn	Independent Director
Datuk Phang Ah Tong	Independent Director

## Arrangements to Enable Directors to Acquire Shares or Debentures

Except as described in this statement, neither at the end of nor at any time during the financial year was, the Company a party to any arrangement whose object was to enable the directors of the Company to acquire benefits by means of the acquisition of shares or debentures of the Company or any other body corporate.

## Directors' Interests in Shares or Debentures

The directors of the Company holding office at the end of the financial year had no interests in the shares, share options, performance shares or debentures of the Company and related corporations (other than wholly-owned subsidiaries) as recorded in the register of directors' shareholdings kept by the Company under section 164 of the Singapore Companies Act, Chapter 50 (the "Act"), except as follows:

Name of Directors and the Company	Holdings registered in the name of director		Holdings in which a director is deemed to have an interest	
	as at 1.1.20	as at 31.12.20	as at 1.1.20	as at 31.12.20
<b>UMS Holdings Limited (the Company)</b>				
				<b>No. of Ordinary shares</b>
Mr Luong Andy	3,556,800	–	107,323,750	109,023,750
Mr Loh Meng Chong Stanley	500,000	500,000	–	–
Ms Gn Jong Yuh Gwendolyn*	–	–	–	14,120,823

\* Ms Gn Jong Yuh Gwendolyn is the interim trustee of "The 71 Trust" – a personal trust of Mr Luong Andy, Chairman and CEO of UMS Holdings Limited. As part of his estate planning measures, Mr Luong Andy has transferred a total of 14,120,823 shares in the Company to "The 71 Trust" whose key beneficiaries include his family members. Ms Gn Jong Yuh, Gwendolyn is an Independent Director of the Company.

---

# DIRECTORS' STATEMENT

---

For the financial year ended 31 December 2020

## Directors' Interests in Shares or Debentures (cont'd)

By virtue of Section 7 of the Act, Mr Luong Andy is deemed to have an interest in the shares held by the Company in all its wholly-owned subsidiary companies.

There was no change in any of the above-mentioned interests between the end of the financial year and 21 January 2021.

## Options to Take Up Unissued Shares

During the financial year, no option to take up unissued shares in the Company or any corporation in the Group was granted.

## Options Exercised

During the financial year, there were no shares of the Company or any corporation in the Group issued by virtue of the exercise of options to take up unissued shares.

## Unissued Shares Under Option

At the end of the financial year, there were no unissued shares of the Company or any corporation in the Group under option.

## Audit Committee

The Audit Committee ("AC") comprises all independent directors. The members of the AC at the date of this report are as follows:

Mr Chay Yiowmin (Chairman)  
Ms Gn Jong Yuh Gwendolyn  
Datuk Phang Ah Tong

The AC carried out its functions in accordance with Section 201B(5) of the Singapore Companies Act, Chapter 50, including the following:

- (a) Reviewed the audit plans of the internal and external auditors of the Group and the Company, and reviewed the internal auditor's evaluation of the adequacy of the Company's system of internal accounting controls and the assistance given by the Group and the Company's management to the external and internal auditors;
- (b) Reviewed the quarterly financial information and annual financial statements and the auditor's report on the annual financial statements of the Group and the Company before their submission to the board of directors;
- (c) Reviewed the effectiveness of the Group and the Company's material internal controls, including financial, operational and compliance controls and risk management via reviews carried out by the internal auditor;
- (d) Met with the internal and external auditors, other committees, and management in separate executive sessions to discuss any matters that these groups believe should be discussed privately with the AC;
- (e) Reviewed legal and regulatory matters that may have a material impact on the financial statements, related compliance policies and programmes and any reports received from regulators;
- (f) Reviewed the cost effectiveness and the independence and objectivity of the external auditor; and the nature and extent of non-audit services provided by the external auditor;

---

# DIRECTORS' STATEMENT

---

For the financial year ended 31 December 2020

## Audit Committee (cont'd)

- (g) Recommended to the board of directors the external auditor to be nominated, approved the compensation of the external auditor, and reviewed the scope and results of the audit;
- (h) Reported actions and minutes of the AC to the board of directors with such recommendations as the AC considered appropriate; and
- (i) Reviewed interested person transactions in accordance with the requirements of the Singapore Exchange Securities Trading Limited's Listing Manual.

The AC having reviewed the external auditors' non-audit services, was of the opinion that there were no non-audit services rendered that would affect the independence and objectivity of the external auditors.

The AC has held four meetings since the last directors' statement with full attendance from all members. In performing its functions, the AC has also met with the Company's internal and external auditors, without the presence of the Company's management, at least once a year.

The Company confirms that Rules 712 and 715 of the Singapore Exchange Securities Trading Limited's Listing Manual have been complied with.

Further information regarding the AC are detailed in the Corporate Governance Report set out in the Annual Report of the Company.

## Independent Auditors

The auditors, Moore Stephens LLP, have expressed their willingness to accept re-appointment as auditors.

On behalf of the Board of Directors,

# INDEPENDENT AUDITORS' REPORT

---

To the Members of UMS Holdings Limited  
(Incorporated in Singapore)

## Report on the Audit of the Financial Statements

### Opinion

We have audited the financial statements of UMS Holdings Limited (the "Company") and its subsidiaries (collectively the "Group") which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Company as at 31 December 2020, and the consolidated income statement, consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group and the statement of financial position of the Company are properly drawn up in accordance with the provisions of the Companies Act, Chapter 50 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)s") so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 31 December 2020 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group for the financial year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

# INDEPENDENT AUDITORS' REPORT

To the Members of UMS Holdings Limited  
(Incorporated in Singapore)

## Key Audit Matters (cont'd)

Key Audit Matter (cont'd)	How our audit addressed the key audit matter
<p><b>Valuation of Inventories</b></p> <p>We refer to Note 3(h), Note 4(b) and Note 15 to the consolidated financial statements.</p> <p>The carrying value of inventories amounted to S\$53,938,000, which accounted for 17% of the Group's total assets as at 31 December 2020.</p> <p>Inventories are carried in the consolidated financial statements at the lower of cost and net realisable value. The Group writes down the cost of inventories whenever the net realisable value of inventories becomes lower than cost due to damage, physical deterioration, obsolescence, changes in price levels or other causes.</p>	<p><b>Our response</b></p> <p>We focused on this area because of the high degree of management judgement required in determining the allowance for inventory obsolescence and the net realisable value of the inventories.</p> <p>We designed and performed the following key procedures, among others:</p> <ul style="list-style-type: none"> <li>- Evaluated the appropriateness of the Group's accounting policies on the valuation of its inventories.</li> <li>- Checked and analysed the ageing of the inventories.</li> <li>- Tested the unit cost of the inventories.</li> <li>- Evaluated and tested management's assessment of inventories to state them at the lower of cost and net realisable value.</li> <li>- Reviewed management's assessment of the allowance for inventory obsolescence, taking into consideration inventory ageing, physical condition of the inventories, past and expected future sales.</li> </ul> <p><b>Our findings</b></p> <p>We found the Group's inventories are recorded in accordance with the Group's accounting policies and management's assessment of inventory obsolescence is reasonable.</p>

# INDEPENDENT AUDITORS' REPORT

To the Members of UMS Holdings Limited  
(Incorporated in Singapore)

## Key Audit Matters (cont'd)

Key Audit Matter (cont'd)	How our audit addressed the key audit matter
<p><b>Impairment of Goodwill</b></p> <p>We refer to Note 3(b), Note 4(a) and Note 21 to the consolidated financial statements.</p> <p>As at 31 December 2020, the carrying amount of the Group's goodwill amounted to S\$80,083,000, after recognising an impairment loss of S\$2,118,000.</p> <p>The Group is required to perform an impairment test on goodwill of the cash generating unit ("CGU") by comparing its carrying amount with its recoverable amount as at the current year end. The recoverable amount is determined based on value in use calculations which includes discounted cash flow projections of the CGU to which the goodwill is allocated to.</p> <p>The impairment test involves significant judgement in determining the allocation of goodwill to the relevant CGU and in estimating the underlying assumptions to be applied in the discounted cash flow projections. The recoverable amounts are highly sensitive to key assumptions applied in respect of gross margin, the long term growth rate and discount rate. A small change in the assumptions can have a significant impact to the estimation of the recoverable amounts.</p>	<p><b>Our response</b></p> <p>We designed and performed the following key procedures, among others:</p> <ul style="list-style-type: none"> <li>- Conducted a detailed discussion with the Group's key management and finance key personnel and reviewed the impairment assessment process over the determination of the relevant cash generating units and estimates for forecasted revenues, growth rates, profit margin, tax rates and discount rates.</li> <li>- Challenged management's estimates applied in the value-in-use models based on our knowledge of the Group's business activities and trends, and compared them against historical forecasts and performance, management plans and industry benchmarks.</li> <li>- Evaluated the Group's planned strategies around revenue growth and cost controls and the sensitivity analysis of the possible increase or decrease in the estimated growth rates and discount rates used in the value-in-use models.</li> </ul> <p><b>Our findings</b></p> <p>We concluded that the identification of cash generating units was appropriate.</p> <p>Based on the procedures performed, we found the estimated future cash flows and the rates used to be reasonable.</p> <p>Based on our procedures, we noted that management's analysis and assessment, including sensitivity analysis, on the recoverability of goodwill can be supported.</p> <p>Furthermore, we evaluated the adequacy of the Group's disclosures regarding the impairment testing of goodwill. We found the disclosures included in Note 21 to the consolidated financial statements to be appropriate in describing the impairment assessment performed in relation to goodwill.</p>

---

# INDEPENDENT AUDITORS' REPORT

---

To the Members of UMS Holdings Limited  
(Incorporated in Singapore)

## Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I)s, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

---

# INDEPENDENT AUDITORS' REPORT

---

To the Members of UMS Holdings Limited  
(Incorporated in Singapore)

## Auditor's Responsibilities for the Audit of the Financial Statements (cont'd)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiaries incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Mr Neo Keng Jin.

The accompanying notes form an integral part of the financial statements

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

These notes form an integral part of and should be read in conjunction with the accompanying financial statements:

## 1 General

UMS Holdings Limited (the “Company”) is a public limited company incorporated and domiciled in Singapore, and is listed on the Mainboard of the Singapore Exchange Securities Trading Limited (“SGX-ST”). The controlling shareholder of the Company is Mr Luong Andy.

The principal activity of the Company is investment holding. The principal activities of the subsidiaries are disclosed in Note 16 to the consolidated financial statements.

The registered office address and principal place of business of the Company is at 23 Changi North Crescent, Singapore 499616.

The financial statements for the financial year ended 31 December 2020 were approved and authorised for issue by the board of directors in accordance with a resolution of the directors on the date of the Directors’ Statement.

## 2 Basis of Preparation

The financial statements have been prepared in accordance with the provisions of the Singapore Companies Act, Chapter 50 and Singapore Financial Reporting Standards (International) (“SFRS(I)”).

The financial statements, which are expressed in Singapore Dollar (“S\$”), are rounded to the nearest thousand dollar (S\$’000), except as otherwise indicated. The financial statements have been prepared on a historical cost basis, except as disclosed in the summary of accounting policies set out in Note 3 to the consolidated financial statements.

The preparation of financial statements in conformity with SFRS(I) requires management to exercise its judgement in the process of applying the Group’s accounting policies. It also requires the use of certain critical accounting estimates and assumptions. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 4 to the consolidated financial statements.

## 3 Summary of Significant Accounting Policies

### (a) Basis of Consolidation

#### *Subsidiaries*

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

### (a) Basis of Consolidation (cont'd)

#### *Subsidiaries (cont'd)*

When the Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give power, including:

- the size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Company, other vote holders or other parties;
- rights arising from other contractual agreements; and
- any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

The Group applies the acquisition method to account for business combinations when the acquired set of activities and assets meets the definition of a business and control is transferred to the Group. In determining whether an integrated set of activities and assets is a business, the Group assesses whether the set of assets and activities acquired includes, at a minimum, an input and substantive process that together significantly contribute to the ability to create output. A business can exist without including all of the inputs and processes needed to create output. The Group has an option to apply a 'fair value concentration test' that permits a simplified assessment of whether an acquired set of activities and assets is not a business. The concentration test can be applied on a transaction-by-transaction basis. The optional concentration test is met if substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or group of similar identifiable assets. If the test is met, the set of activities and assets is determined not to be a business and no further assessment is needed. If the test is not met, or if the Group elects not to apply the test, a detailed assessment must be performed applying the normal requirements in SFRS(I) 3.

The consideration transferred for the acquisition of a subsidiary is the fair values of the assets transferred, the liabilities incurred to the former owners of the acquiree and the equity interests issued by the Group. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. The Group recognises any non-controlling interest in the acquiree on an acquisition-by-acquisition basis, either at fair value or at the non-controlling interest's proportionate share of the recognised amounts of acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is re-measured to fair value at the acquisition date; any gains or losses arising from such re-measurement are recognised in profit or loss.

Any contingent consideration to be transferred by the Group is recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration that is deemed to be an asset or liability is recognised in accordance with SFRS(I) 9 Financial Instruments either in profit or loss or as a change to other comprehensive income. Contingent consideration that is classified as equity is not re-measured, and its subsequent settlement is accounted for within equity.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

### (a) Basis of Consolidation (cont'd)

#### Subsidiaries (cont'd)

The excess of the consideration transferred, the amount of any non-controlling interest in the acquiree and the acquisition-date fair value of any previous equity interest in the acquiree over the fair value of the identifiable net assets acquired is recorded as goodwill. If the total of consideration transferred, non-controlling interest recognised and previously held interest measured is less than the fair value of the net assets of the subsidiary acquired in the case of a bargain purchase, the difference is recognised directly in profit or loss.

Inter-company transactions, balances and unrealised gains on transactions between the group companies are eliminated. Unrealised losses are also eliminated. When necessary, amounts reported by subsidiaries have been adjusted to conform with the Group's accounting policies.

#### Change in ownership interests in subsidiaries without change of control

Transactions with non-controlling interests that do not result in loss of control are accounted for as equity transactions – that is, as transactions with the owners in their capacity as owners. The difference between fair value of any consideration paid and the relevant share acquired of the carrying value of net assets of the subsidiary is recorded in equity. Gains or losses on disposals to non-controlling interests are also recorded in equity.

#### Disposal of subsidiaries

When the Group ceases to have control, any retained interest in the entity is re-measured to its fair value at the date when control is lost, with the change in carrying amount recognised in profit or loss. The fair value is the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognised in other comprehensive income in respect of that entity are accounted for as if the Group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in other comprehensive income are reclassified to profit or loss.

### (b) Goodwill on Consolidation

Goodwill on acquisitions of subsidiaries and businesses, represents the excess of (i) the sum of the consideration transferred, the amount of any non-controlling interest in the acquiree and the acquisition-date fair value of any previous held equity interest in the acquiree over (ii) the fair value of the investee's identifiable net assets acquired. Goodwill on acquisitions of subsidiaries is initially measured at cost. Following initial recognition, goodwill is measured at cost less any accumulated impairment loss. Goodwill is reviewed for impairment annually or more frequently if events or changes in circumstances indicate that the carrying amount may be impaired.

For the purpose of impairment testing, goodwill acquired is allocated to each of the Group's cash-generating units that are expected to benefit from the synergies of the combination. The cash-generating unit ("CGU") to which goodwill has been allocated is tested for impairment annually and whenever there is an indication that the CGU may be impaired, by comparing the carrying amount of the CGU, including the allocated goodwill, with the recoverable amount of the CGU. Where the recoverable amount of the CGU is less than the carrying amount, an impairment loss is recognised in profit or loss. Impairment losses recognised for goodwill are not reversed in subsequent years.

When goodwill forms part of a CGU and part of the operation within that CGU is disposed of, the goodwill associated with the operation disposed of, is included in the carrying amount of the operation when determining the gain or loss on disposal of the operation. In this circumstance, goodwill disposed of is measured based on the relative fair values of the operations disposed of, and the portion of the CGU retained.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

### (c) Investments in Subsidiaries

In the Company's separate financial statements, the investments in subsidiaries are stated at cost less any impairment losses. An assessment of the investments in subsidiaries is performed when there is an indication that the investments may have been impaired.

On disposal of the investments in subsidiaries, the difference between the net disposal proceeds and the carrying amount of the investments is recognised in the profit or loss.

### (d) Investment in an Associate

Associate is the entity over which the Group has significant influence but not control, generally accompanying a shareholding of between 20% and 50% of the voting rights. If the Group holds, directly or indirectly, less than 20% of the voting rights, it is presumed that the Group does not have significant influence, unless such influence can be clearly demonstrated.

Goodwill on acquisition of associate represent the excess of the cost of acquisition over the Group's share of the fair value of the identifiable net assets acquired. Goodwill on associate is included in the carrying amount of the investment. Gains and losses on the disposal of associate include the carrying amount of goodwill relating to the entity sold.

Investment in an associate is accounted for using the equity method of accounting less impairment losses, if any. Under the equity method, the investment is initially recognised at cost, and the carrying amount is increased or decreased to recognise the investor's share of the profit or loss of the investee after the date of acquisition.

When the Group reduces its ownership interest in an associate, but the Group continues to apply the equity method, the Group reclassifies to profit or loss the proportion of the gain or loss that had previously been recognised in other comprehensive income relating to that reduction in ownership interest if that gain or loss would be required to be reclassified to profit or loss on the disposal of the related assets or liabilities.

The Group's share of post-acquisition profit or loss is recognised in the income statement, and its share of post-acquisition movements in other comprehensive income is recognised in other comprehensive income with a corresponding adjustment to the carrying amount of the investment. When the Group's share of losses in an associate equals or exceeds its interest in associate, the Group does not recognise further losses, unless it has incurred legal or constructive obligations or made payments on behalf of the associate.

The Group determines at each reporting date whether there is any objective evidence that the investment in the associate is impaired. If this is the case, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate and its carrying value and recognises the amount in profit or loss.

Profits and losses resulting from upstream and downstream transactions between the Group and its associate are recognised in the Group's financial statements only to the extent of unrelated investor's interests in the associate. Unrealised losses are eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of associate have been changed where necessary to ensure consistency with the policies adopted by the Group.

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

### (e) Property, Plant and Equipment

#### Measurement

Property, plant and equipment are stated at cost less accumulated depreciation and any impairment losses.

#### Depreciation

Depreciation is calculated on a straight-line method to write off the cost of the property, plant and equipment over their estimated useful lives. The estimated useful lives are as follows:

Freehold buildings	-	50 years
Leasehold property	-	30 to 60 years or the term of the lease, whichever is shorter
Plant and equipment	-	3 to 10 years

Freehold land has an unlimited useful life and therefore is not depreciated.

Construction-in-progress is stated at cost less any accumulated impairment losses and include any borrowing cost incurred during the period of construction. No depreciation is provided on construction-in-progress and upon completion of construction, the cost will be transferred to property, plant and equipment.

The carrying amounts of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying amount may not be recoverable.

The estimated residual values, useful lives and depreciation method are reviewed annually, with the effect of any changes in estimate accounted for on a prospective basis. This ensures that the method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the item of property, plant and equipment.

#### Subsequent expenditure

Subsequent expenditure relating to property, plant and equipment that has already been recognised, is added to the carrying amount of the asset when it is probable that future economic benefits, in excess of the standard performance of the asset before the expenditure was made, will flow to the Group and the cost of the item can be reliably measured. Other subsequent expenditure is recognised as an expense during the year in which it is incurred.

#### Disposal

Property, plant and equipment are derecognised upon disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds (if any) and the carrying amount of the asset, and is recognised in profit or loss.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

### (f) Investment Property

Investment property comprises significant portions of leasehold property that is held for long-term rental yields and/or for capital appreciation.

Investment property is measured initially at cost, including transaction costs, and subsequently carried at cost less accumulated depreciation and any impairment loss. The carrying amount includes the cost of replacing part of an existing investment property at the time that cost is incurred if the recognition criteria are met; and excludes the costs of day-to-day servicing of an investment property.

Depreciation is calculated on a straight-line basis over a period of 30 years.

The residual values, useful lives and depreciation method of the investment property are reviewed, and adjusted as appropriate, at each balance sheet date. The effects of any revision are included in profit or loss when the changes arise.

Investment property is derecognised when either they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. Any gain or loss on the retirement or disposal of an investment property is recognised in profit or loss in the year of retirement or disposal.

When the cost model is applied, the fair value of the investment property is disclosed at each reporting date.

### (g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and deposits with financial institutions that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. For the purpose of presentation in the consolidated statement of cash flows, cash and cash equivalents consist of cash and cash equivalents (as defined above) less any restricted deposit balances that are pledged to secure banking facilities.

### (h) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost is determined on the weighted average method. The cost of finished goods and work-in-progress comprises raw materials, direct labour, other direct costs and related production overheads (based on normal operating capacity) but excludes borrowing costs. Net realisable value represents the estimated selling price in the ordinary course of business less all estimated costs of completion and costs necessary to make the sale.

### (i) Impairment of Non-financial Assets Excluding Goodwill

Non-financial assets excluding goodwill are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If such indication exists, the recoverable amount (i.e. the higher of the fair value less cost to sell and value in use) of the asset is estimated to determine the amount of impairment loss.

For the purpose of impairment testing of these assets, recoverable amount is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. If this is the case, the recoverable amount is determined for the cash-generating unit ("CGU") to which the asset belongs.

If the recoverable amount of the asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. The impairment loss is recognised in profit or loss unless the asset is carried at revalued amount. In this case, such impairment loss of a revalued asset is treated as a revaluation decrease.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

### (i) Impairment of Non-financial Assets Excluding Goodwill (cont'd)

An impairment loss for an asset is reversed if, and only if, there has been a change in the estimates used to determine the assets' recoverable amount since the last impairment loss was recognised. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss for an asset is recognised in profit or loss, unless the asset is carried at revalued amount, in which case, such reversal is treated as a revaluation increase. However, to the extent that an impairment loss on the same revalued asset was previously recognised in profit or loss, a reversal of that impairment is also recognised in profit or loss.

### (j) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and net amount reported in the balance sheets, when and only when, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the financial assets and settle the financial liabilities simultaneously.

### (k) Financial Assets

#### (i) Classification and measurement

The Group classifies its financial assets in the following measurement categories:

- Amortised cost;
- Fair value through other comprehensive income ("FVOCI"); and
- Fair value through profit or loss ("FVPL").

The classification depends on the Group's business model for managing the financial assets as well as the contractual terms of the cash flows of the financial asset.

#### (ii) Initial Recognition

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset.

Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets measured at amortised costs are presented as "cash and bank balances", "trade receivables and other current assets (excluding prepayments and advance to suppliers)" and "loan to subsidiaries" on the balance sheets.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

(k) Financial Assets (cont'd)

(iii) Subsequent Measurement

The Group and the Company only have debt instruments in the balance sheets.

There are three subsequent measurement categories, depending on the Group's business model for managing the asset and the cash flow characteristics of the asset:

- **Amortised cost:** Debt instruments that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt instrument that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in interest income using the effective interest rate method.
- **FVOCI:** Debt instruments that are held for collection of contractual cash flows and for sale, and where the assets' cash flows represent solely payments of principal and interest, are classified as FVOCI. Movements in fair values are recognised in Other Comprehensive Income (OCI) and accumulated in fair value reserve, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses, which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and presented in "other income / other expenses". Interest income from these financial assets is recognised using the effective interest rate method and presented in "interest income", if any.
- **FVPL:** Debt instruments that are held for trading as well as those that do not meet the criteria for classification as amortised cost or FVOCI are classified as FVPL. Movement in fair values and interest income is recognised in profit or loss in the period in which it arises and presented in "other income / other expenses", if any.

Debt instruments mainly comprise cash and bank balances and trade and other receivables (including loan to subsidiaries) measured at amortised cost.

(iv) Recognition and derecognition

Regular way purchases and sales of financial assets are recognised on trade date - the date on which the Group commits to purchase or sell the asset.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Group has transferred substantially all risks and rewards of ownership.

On disposal of a debt instrument, the difference between the carrying amount and the sale proceeds is recognised in profit or loss. Any amount previously recognised in other comprehensive income relating to that asset is reclassified to profit or loss.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

### (k) Financial Assets (cont'd)

#### (v) Impairment

The Group assesses on a forward looking basis the expected credit losses ("ECL") associated with its debt financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. ECL are probability-weighted estimates of credit losses. Credit losses are measured at the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Group expects to receive). ECL are discounted at the effective interest rate of the financial asset.

For trade receivables, lease receivables, if any, and contract assets, if any, the Group applies the simplified approach permitted by SFRS(I) 9, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

#### (vi) Credit-impaired financial assets

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. At each reporting date, the Group assesses whether financial assets carried at amortised cost are credit-impaired.

Evidence that a financial asset is credit-impaired includes the observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due;
- the lender(s) of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower or a concession(s) that the lender(s) would not otherwise consider (e.g. the restructuring of a loan or advance by the Group on terms that the Group would not consider otherwise);
- it is becoming probable that the borrower will enter bankruptcy or other financial reorganisation; or
- the disappearance of an active market for a security because of financial difficulties.

#### (vii) Write-off policy

The Group writes off a financial asset when there is information indicating that the counterparty is in severe financial difficulty and there is no realistic prospect of recovery, e.g. when the counterparty has been placed under liquidation or has entered into bankruptcy proceedings. Financial assets written off may still be subject to enforcement activities under the Group's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in income statement.

### (l) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in profit or loss in the period using the effective interest method in which they are incurred.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

### (m) Financial Liabilities

An entity shall recognise a financial liability on its balance sheets when, and only when, the entity becomes a party to the contractual provisions of the instrument.

Financial liabilities, which include bank borrowings, trade and other payables, loans from related parties and lease liabilities are initially measured at fair value, plus transaction costs and are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integrated part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period to the net carrying amount on initial recognition.

Borrowings are presented as current liabilities unless the Group has an unconditional right to defer settlement for at least 12 months after the reporting period.

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or they expired. The difference between the carrying amount of the financial liabilities derecognised and the consideration paid and payable is recognised in profit or loss.

### (n) Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

### (o) Employee Benefits

Employee benefits are recognised as an expense, unless the cost qualifies to be capitalised as an asset.

Defined contribution plans are post-employment benefit plans under which the Group pays fixed contributions into separate entities such as the Central Provident Fund/Employees Provident Fund on a mandatory, contractual or voluntary basis. The Group has no further payment obligations once the contributions have been paid.

Employee entitlements to annual leave are recognised as a liability when they accrue to the employees. The estimated liability for leave is recognised for services rendered by employees up to the balance sheet date.

### (p) Share Capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital account.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

### (q) Treasury shares

When any entity within the Group purchases the Company's ordinary shares ("treasury shares"), the carrying amount which includes the consideration paid including any directly attributable incremental cost is presented as a component within equity attributable to the Company's equity holders, until they are cancelled, sold or re-issued.

When treasury shares are subsequently cancelled, the cost of treasury shares are deducted against the share capital account if the shares are purchased out of capital of the Company, or against the retained earnings of the Company if the shares are purchased out of the earnings of the Company.

When treasury shares are subsequently sold or re-issued, the cost of treasury shares is reversed from the treasury share account and the realised gain or loss on sale or re-issue, net of any directly attributable incremental transaction costs and related income tax, is recognised in the capital reserve.

### (r) Dividends to Company's Shareholders

Dividends to the Company's shareholders are recognised when the dividends are approved for payment.

### (s) Revenue Recognition

Revenue is measured based on the consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Revenue is recognised when the Group satisfied a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

#### (i) Sale of goods and services

Revenue from sale of goods and services in the ordinary course of business is recognised when the Group satisfies a performance obligation ("PO") by transferring control of a promised good or service to the customer. The amount of revenue recognised is the amount of the transaction price allocated to the satisfied PO.

Transaction price is the amount of consideration in the contract to which the Group expects to be entitled in exchange for transferring the promised goods or services. The transaction price is allocated to each PO in the contract on the basis of the relative stand-alone selling prices of the promised goods or services. The individual standalone selling price of a good or service that has not previously been sold on a stand-alone basis, or has a highly variable selling price, is determined based on the residual portion of the transaction price after allocating the transaction price to goods and/or services with observable stand-alone selling prices.

Revenue is recognised at a point in time upon satisfaction of the PO, which generally coincides with the delivery of goods and when services are rendered. The transaction price allocated is recognised as a contract liability at the time of the initial sales transaction and is released upon satisfaction of the PO.

#### (ii) Rental income

Rental income from operating leases (net of any incentives given to the lessees) is recognised on a straight-line basis over the lease term as set out in specific rental agreements.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

(s) Revenue Recognition (cont'd)

(iii) Interest income

Interest income is recognised on a time proportion basis using the effective interest method.

(t) Leases

(i) When the Group is the lessor:

Leases of investment properties where the Group retains substantially all risks and rewards incidental to ownership are classified as operating leases. Rental income from operating leases (net of any incentives given to the lessees) is recognised in income on a straight-line basis over the lease term. Initial direct costs incurred by the Group in negotiating and arranging operating leases are added to the carrying amount of the leased assets and recognised as an expense in profit or loss over the lease term on the same basis as the lease income. Contingent rents are recognised as income in profit or loss when earned.

Sub-lease arrangements where the Group acts as an intermediate lessor are classified as finance or operating lease with reference to the right-of-use asset arising from the head lease, rather than the underlying asset. Where the Group has applied the short-term exemptions to the head lease, then the sub-lease will be classified as an operating lease.

(ii) When the Group is the lessee:

At the inception of the contract, the Group assesses if the contract contains a lease. A contract contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Reassessment is only required when the terms and conditions of the contract are changed.

The Group recognises right-of-use assets and lease liabilities at the date which the underlying assets become available for use. Right-of-use assets are measured at cost, which comprises the initial measurement of lease liabilities adjusted for any lease payments made at or before the commencement dates, plus any initial direct costs incurred and an estimate of restoration costs, less any lease incentives received. Any initial direct costs that would not have been incurred if the lease had not been obtained are added to the carrying amount of the right-of-use assets.

Right-of-use assets are subsequently depreciated using the straight-line method from the commencement dates to the earlier of the end of the useful lives of the right-of-use assets or the end of the lease terms. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment with average tenure of between 2 and 39 years. In addition, the right-of-use assets are periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the corresponding lease liabilities.

The Group presents its right-of-use assets as "Right-of-use assets" and lease liabilities in "Lease liabilities" in the balance sheets.

The initial measurement of lease liabilities is measured at the present value of the lease payments discounted using the implicit rate in the lease, if the rate can be readily determined. If that rate cannot be readily determined, the Group uses its incremental borrowing rate.

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

(t) Leases (cont'd)

(ii) *When the Group is the lessee: (cont'd)*

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed payments (including in-substance fixed payments), less any lease incentives receivables;
- Variable lease payments that are based on an index or rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under residual value guarantees;
- The exercise price of a purchase option if it is reasonably certain to exercise the option; and
- Payment of penalties for terminating the lease, if the lease term reflects the Group exercising that option.

For contracts that contain both lease and non-lease components, the Group allocates the consideration to each lease component on the basis of the relative stand-alone price of the lease and non-lease components. The Group has elected not to separate lease and non-lease components for property leases; instead, these are accounted for as one single lease component.

Lease liabilities are measured at amortised cost, and are remeasured when:

- There is a change in future lease payments arising from changes in an index or rate;
- There is a change in the Group's assessment of whether it will exercise lease extension and termination options;
- There is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee; or
- There is a modification to the lease term.

When lease liabilities are remeasured, corresponding adjustments are made against the right-of-use assets. If the carrying amounts of the right-of-use assets have been reduced to zero, the adjustments are recorded in profit or loss. The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have lease terms of 12 months or less, as well as leases of low value assets, except in the case of sub-lease arrangements. Lease payments relating to these leases are expensed to profit or loss on a straight-line basis over the lease term.

Variable lease payments that are based on an index or a rate are included in the measurement of the corresponding right-of-use assets and lease liabilities. Other variable lease payments are recognised in profit or loss when incurred.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

(t) Leases (cont'd)

(ii) *When the Group is the lessee: (cont'd)*

### Short-term lease and lease of low-value assets

The Group applies the short-term leases recognition exemption to its short-term leases (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payment on short-term leases and leases of low-value assets are recognised as an expense on a straight-line basis over the lease term.

(u) Income Tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

### Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the profit or loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

### Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Such deferred tax assets and liabilities are not recognised if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

### (u) Income Tax (cont'd)

#### *Deferred tax (cont'd)*

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its tax assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Group intends to settle its current tax assets and liabilities on a net basis.

The Group will recognise a previously unrecognised deferred tax asset to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Tax benefits acquired as part of a business combination, but not satisfying the criteria for separate recognition at the date, would be recognised subsequently if new information about facts and circumstances changed. The adjustment would either be treated as a reduction to goodwill (as long as it does not exceed goodwill) if it is incurred during the measurement period or in profit or loss.

#### *Current and deferred tax for the year*

Current and deferred tax are recognised as an expense or income in profit or loss, except when they relate to items that are recognised outside profit or loss (whether in other comprehensive income or directly in equity), in which case the tax is also recognised outside profit or loss, or where they arise from the initial accounting for a business combination. In the case of a business combination, the tax effect is taken into account in the accounting for the business combination.

### (v) Foreign Currencies

#### *Functional and presentation currency*

The individual financial statements of each Group entity are presented in the currency of the primary economic environment in which the entity operates ("functional currency"). For the purpose of the consolidated financial statements, the results and financial position of each Group entity are expressed in Singapore Dollar ("S\$"), which is the functional currency of the Company and the presentation currency for the consolidated financial statements.

#### *Transactions and balances*

In preparing the financial statements of the individual entities, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions.

At the end of reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

Currency translation differences resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the closing rates at the balance sheet date are recognised in profit or loss, unless they arise from borrowings in foreign currencies and other currency instruments designated and qualifying as net investment hedges and net investment in foreign operations.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

### (v) Foreign Currencies (cont'd)

#### *Transactions and balances (cont'd)*

Those currency translation differences are recognised in the foreign currency translation reserve in the consolidated financial statements and transferred to profit or loss as part of the gain or loss on disposal of the foreign operation.

Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

#### *Translation of Group entities' financial statements*

The results and financial position of each group entity that has a functional currency different from the presentation currency is translated into the presentation currency as follows:

- Assets and liabilities are translated at the closing exchange rate at the balance sheet date;
- Income and expenses are translated at average exchange rates (unless this average is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated using the exchange rates at the dates of transactions); and
- All resulting exchange differences are recognised in other comprehensive income and accumulated in the foreign currency translation reserve.

On the disposal of a foreign operation (i.e. a disposal of the Group's entire interest in a foreign operation, or a disposal involving loss of control over a subsidiary that includes a foreign operation), all of the accumulated exchange differences in respect of that operation attributable to the Group are reclassified to profit or loss.

In the case of a partial disposal (i.e. no loss of control) of a subsidiary that includes a foreign operation, the proportionate share of accumulated exchange differences is re-attributed to non-controlling interests and are not recognised in profit or loss.

Goodwill and fair value adjustments arising on the acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the closing rate at the balance sheet date. Exchange differences arising are recognised in other comprehensive income.

### (w) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the executive personnel whose members are responsible for allocating resources and assessing performance of the operating segments.

### (x) Related Parties

A related party is defined as follows:

A related party is a person or entity that is related to the entity that is preparing its financial statements (referred to as the "reporting entity").

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 3 Summary of Significant Accounting Policies (cont'd)

### (x) Related Parties (cont'd)

- a. A person or a close member of that person's family is related to a reporting entity if that person:
  - i. has control or joint control over the reporting entity;
  - ii. has significant influence over the reporting entity; or
  - iii. is a member of the key management personnel of the reporting entity or of a parent of the reporting entity.
- b. An entity is related to a reporting entity if any of the following conditions applies:
  - i. the entity and the reporting entity are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
  - ii. one entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member);
  - iii. both entities are joint ventures of the same third party;
  - iv. one entity is a joint venture of a third entity and the other entity is an associate of the third entity;
  - v. the entity is a post-employment benefit plan for the benefit of employees of either the reporting entity or an entity related to the reporting entity. If the reporting entity is itself such a plan, the sponsoring employers are also related to the reporting entity;
  - vi. the entity is controlled or jointly controlled by a person identified in (a);
  - vii. a person identified in (a) (i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity); or
  - viii. the entity, or any member of a group of which it is a part, provides key management personnel services to the reporting entity or to the parent of the reporting entity.

### (y) Government Grants

Grants from the government are recognised as a receivable at their fair value when there is reasonable assurance that the Group will comply with the conditions attaching to them and that the grants will be received. Government grants receivable are recognised as income over the periods necessary to match them with the related costs which they are intended to compensate, on a systematic basis. Government grants relating to expenses are shown separately under "other charges" in the consolidated income statement.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 4 Critical Accounting Estimates and Judgements

In the application of the Group's accounting policies, which are described in Note 3 to the consolidated financial statements, management are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

### (a) Key Sources of Estimation Uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of reporting period that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

#### *Useful lives of property, plant and equipment and investment property*

The Group determines the estimated useful lives and related depreciation charges for its property, plant and equipment and investment property. This estimate is based on the historical experience of the actual useful lives of property, plant and equipment and investment property of a similar nature and function. It could change significantly as a result of technical innovations and competitor actions. Management will increase the depreciation charge where the useful lives are less than previously estimated, or it will write-off or write-down technically obsolete assets that have been abandoned or sold.

There is no change in the estimated useful lives of property, plant and equipment and investment property during the financial year. The carrying amounts of property, plant and equipment and investment property of the Group as at 31 December 2020 amounted to S\$56,318,000 (2019: S\$52,307,000) and S\$1,748,000 (2019: S\$1,832,000) respectively. A 5% difference in the expected useful lives of these assets from management's estimates would result in an approximate 1% (2019: 1%) change in the Group's net profit for the year. Further details are given in Notes 17 and 18 to the consolidated financial statements.

#### *Impairment of goodwill*

The Group determines whether goodwill is impaired at least on an annual basis. This requires an estimation of the value in use of the cash-generating unit to which goodwill has been allocated. Estimating the value in use requires the Group to make an estimate of the expected future cash flows from the cash-generating unit and also to choose a suitable discount rate in order to calculate the present value of those cash flows.

The Group recognised an impairment loss of S\$1,128,000 (2019: S\$990,000) on its goodwill during the financial year ended 31 December 2020. The carrying amount of goodwill amounted to S\$80,083,000 (2019: S\$81,211,000) as at 31 December 2020. Further details are given in Note 21 to the consolidated financial statements.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 4 Critical Accounting Estimates and Judgements (cont'd)

### (a) Key Sources of Estimation Uncertainty (cont'd)

#### *Impairment of investments in subsidiaries and associate*

The Group and the Company follow the guidance of SFRS(I) 1-36 in determining the recoverability of their investments in subsidiaries and associate.

This requires assessment as to whether the carrying amount of their investments in subsidiaries can be supported by the net present value of future cash flows derived from such investments using cash flow projections which have been discounted at an appropriate rate. This determination requires significant judgement and the Group and the Company determine forecasts of future cash flows based on its estimates of future revenues and operating expenses using historical and industry trends, general market conditions, forecasts and other available information.

The Group and the Company have considered the fair value of the investment in an associate based on its market capitalisation and fair value of its assets and liabilities as at 31 December 2020.

The Group recognised an impairment loss of S\$5,900,000 for investment in an associate during the financial year ended 31 December 2020. The Company recognised an impairment loss of S\$990,000 and S\$2,712,000 for investments in subsidiaries and associate respectively during the financial year ended 31 December 2020. Further details are given in Note 16 for investments in subsidiaries and Note 19 for investment in an associate to the consolidated financial statements.

#### *Impairment of loan and receivables*

As at 31 December 2020, the trade and other receivables (excluding prepayments and advance to suppliers and including loan to subsidiaries) of the Group and the Company as at 31 December 2020 amounting to S\$21,094,000 (2019: S\$19,558,000) and S\$22,128,000 (2019: S\$9,384,000) (Notes 14 and 20) respectively.

The Group measures the loss allowance for trade receivables at an amount equal to lifetime expected credit losses ("ECLs"). The ECLs on trade receivables are estimated using a provision matrix which involves grouping receivables according to historical loss patterns (e.g. customer rating or product or by geographical location) and applying a historic provision rate which is based on days past due for groupings of various customer segments that have similar loss patterns. In devising such a provision matrix, the Group uses its historical credit loss experience with forward-looking information (adjusted as necessary to reflect current conditions and forecast economic conditions) to estimate the lifetime expected credit losses on the trade receivables and contract assets. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions. The Group's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future. The information about the ECLs on the Group's and the Company's loan and receivables are disclosed in Note 14 to the consolidated financial statements.

Loss allowance for non-trade debts of S\$372,000 had been recognised during the financial year ended 31 December 2020 (Note 14).

The Group's and the Company's credit risk exposure for loan and receivables are set out in Note 33(a)(ii) to the consolidated financial statements.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 4 Critical Accounting Estimates and Judgements (cont'd)

### (b) Critical Judgements in applying Accounting Policies

In the process of applying the Group's accounting policies, the application of judgements that are expected to have a significant effect on the amounts recognised in the financial statements are discussed below.

#### Allowance for inventories obsolescence

Reviews are made periodically by management on inventories for excess inventories, obsolescence and decline in net realisable value below cost. The Group writes down the cost of inventories whenever the net realisable value of inventories becomes lower than cost due to damage, physical deterioration, obsolescence, changes in price levels or other causes. Allowances are recorded against the inventories based on historical obsolescence of slow-moving inventories.

During the financial year ended 31 December 2020, the Group recognised an allowance for inventories obsolescence of S\$972,000 (2019: S\$1,611,000) (Note 8).

## 5 Revenue

	Group	
	2020	2019
	S\$'000	S\$'000
Sale of goods and services	164,423	131,763
Rental income	15	149
	<b>164,438</b>	131,912

#### Disaggregation of revenue from contracts with customers

The Group derives revenue from the transfer of goods and services at a point in time in the following major geographical regions. Revenue is attributed to countries by location of customers.

	Group	
	2020	2019
	S\$'000	S\$'000
Singapore	112,495	84,368
USA	21,836	21,903
Taiwan	24,232	20,727
Malaysia	4,097	2,660
Others	1,778	2,254
Total	<b>164,438</b>	131,912

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 5 Revenue (cont'd)

### Contract liabilities

	Group	
	31 Dec 2020 S\$'000	31 Dec 2019 S\$'000
- Customised equipment contracts (Note 23)	<b>3,327</b>	1,973

Contract liabilities for the customised equipment contracts has increased due to more contracts in which the Group has billed ahead of the provision of services.

Significant change in the contract liabilities balance during the reporting period is disclosed as follows:

	Group	
	2020 S\$'000	2019 S\$'000
Revenue recognised in current year that was included in the contract liabilities balance at the beginning of the year	<b>429</b>	267
Billings/cash received, excluding amounts recognised as revenue during the year	<b>1,783</b>	1,973

No significant revenue is recognised during the financial year ended 31 December 2020 from performance obligations satisfied (or partially satisfied) in the previous periods, due to changes in transaction price.

### Transaction price allocated to contracts that are partially or fully unsatisfied

	Group	
	31 Dec 2020 S\$'000	31 Dec 2019 S\$'000
Aggregate amount of the transaction price allocated to contracts that are partially or fully unsatisfied as at 31 December	<b>13,161</b>	3,258

Management expects the transaction price of S\$13,161,000 allocated to the unsatisfied performance obligations as of 31 December 2020 to be recognised as revenue during the next financial year. The amount disclosed above does not include variable consideration which is subject to significant risk of reversal, if any.

As permitted under SFRS(I) 15, the aggregated transaction price allocated to unsatisfied contracts of periods one year or less, or are billed based on time incurred, is not disclosed.

	<b>2,844</b>	2,767
Deferred taxation:		
- current year	(183)	(526)
- over provision in respect of prior years	(60)	-
	<b>(243)</b>	(526)
	<b>2,601</b>	2,241

A reconciliation of the applicable tax rate to the Group's effective tax rate applicable to profit before income tax for the financial year is as follows:

	Group	
	2020 S\$'000	2019 S\$'000
Profit before income tax	38,894	35,455
Share of profit of associate	(89)	(2,574)
	<b>38,805</b>	32,881
Tax at the applicable tax rate of 17%	6,597	5,590
Tax effect of non-deductible items*	2,122	594
Income not subject to taxation*	(240)	(307)
Over provision of income tax in respect of prior years	-	(47)
Over provision of deferred tax in respect of prior years	(60)	-
Deferred tax assets not recognised	94	309
Utilisation of tax losses	(123)	-
Tax exemption	(8,099)	(5,273)
Singapore statutory stepped exemption	(69)	(87)
Effect of different tax rates operating in other jurisdictions	2,379	1,462
	<b>2,601</b>	2,241

\* Mainly relates to expenses of / income derived by those entities of the Group, whose principal activities are those of investment holding that do not qualify for deduction and impairment losses which are not deductible / are not taxable as they are capital in nature, in accordance with the relevant tax regulation.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 11 Income Tax (cont'd)

The applicable tax rate used for the reconciliations above is the corporate tax rate of 17% (2019: 17%) payable by corporate entities in Singapore on taxable profits under tax law in that jurisdiction.

The tax exemption relates to subsidiaries in Malaysia which have been granted pioneer status by the Inland Revenue Board of Malaysia for a period of five years with an option to apply for another five-year extension and ten years, respectively. During this period, all trading income of the subsidiaries is exempted for income tax purposes.

The Malaysian statutory tax rate used remained at 24% in the current financial year ended 31 December 2020.

The deferred tax assets and liabilities as at the end of reporting period are as follows:

	At the beginning of the year S\$'000	Credited to income statement S\$'000	At the end of the year S\$'000
<b>Group</b>			
<u>31 Dec 2020</u>			
Deferred tax liabilities:			
- Excess of net book value of property, plant and equipment	1,796	(215)	1,581
- Acquisition of subsidiary	340	–	340
Total deferred tax liabilities	2,136	(215)	1,921
Deferred tax assets:			
- Provisions	(9)	(4)	(13)
Net deferred tax liabilities	2,127	(219)	1,908
Deferred tax assets			
- Capital allowances	(47)	(24)	(71)
<u>31 Dec 2019</u>			
Deferred tax liabilities:			
- Excess of net book value of property, plant and equipment	2,198	(402)	1,796
- Acquisition of subsidiary (Note 16)	415	(75)	340
Total deferred tax liabilities	2,613	(477)	2,136
Deferred tax assets:			
- Provisions	(7)	(2)	(9)
Net deferred tax liabilities	2,606	(479)	2,127
Deferred tax assets			
- Capital allowances	–	(47)	(47)

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 11 Income Tax (cont'd)

Deferred tax assets are to be recovered after one year.

	2020 S\$'000	2019 S\$'000
Deferred tax liabilities:		
- to be settled within one year	80	128
- to be settled after one year	1,841	2,008
	<b>1,921</b>	<b>2,136</b>

As at 31 December 2020, the Group has unutilised tax losses of approximately S\$7,356,000 (2019: S\$6,890,000) available for offset against future taxable income, subject to agreement with the tax authorities on the relevant tax regulations. The tax losses have no expiry date. The deferred tax assets arising from these unutilised tax losses totalling approximately S\$1,250,000 (2019: S\$1,171,000) have not been recognised in accordance with the accounting policy in Note 3(u).

As at 31 December 2020, no deferred tax liability (2019: Nil) has been recognised for taxes that would be payable on the undistributed earnings of the Group's overseas subsidiaries as:

- No withholding tax is imposed on dividends from Malaysia subsidiaries due to the double tax agreement between Malaysia and Singapore.
- The USA subsidiary has minimal undistributed earnings, thus the Group does not foresee any distribution of earnings.

## 12 Earnings Per Share

The earnings per share is calculated by dividing the Group's net profit for the year attributable to the owners of the Company by the weighted average number of ordinary shares outstanding in issue during the financial year:

	Group	
	2020 S\$'000	2019 S\$'000
Net profit attributable to the owners of the Group (S\$'000)	36,471	33,556
Number of ordinary shares:		
Weighted average number of ordinary shares for the purpose of computation of basic and diluted earnings per share	534,067,935	536,429,579
Basic earnings per share (Singapore cents)	6.83	6.26
Diluted earnings per share (Singapore cents)	6.83	6.26

Diluted earnings per share is the same as basic earnings per share as there were no dilutive potential ordinary shares outstanding as at 31 December 2020 and 2019.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 14 Trade Receivables and Other Current Assets (cont'd)

The movement in credit loss allowance is as follows:

	Group	
	2020	2019
	S\$'000	S\$'000
<u>Trade debts</u>		
At 1 January per SFRS(I) 9	(90)	(90)
Written off during the year	90	–
At 31 December per SFRS(I) 9	–	(90)
<u>Non-trade debts</u>		
At 1 January per SFRS(I) 9	–	–
Loss allowance recognised in income statement during the year on:		
Assets acquired/originated	(372)	–
At 31 December per SFRS(I) 9	(372)	–

The average credit period generally granted for trade receivables is between 30 and 90 days(2019: between 30 and 90 days).

### Trade receivables

Loss allowance for impairment for trade receivables has always been measured at an amount equal to lifetime expected credit losses ("ECL") as disclosed in the accounting policy in Note 3(k). The Group regards as defaulted and recognises a loss allowance of 100% against certain receivables (credit-impaired) when historical experience has indicated that these receivables are generally not recoverable. There has been no change in the estimation techniques or significant assumptions made during the current reporting year. None of the trade receivables that have been written off is subject to recovery process.

The Group uses a provision matrix to measure the lifetime expected credit loss allowance for trade receivables. In measuring the expected credit losses, trade receivables are grouped based on shared credit risk characteristics and days past due.

In calculating the expected credit loss rates, the Group considers historical loss rates for each category of customers and adjusts to reflect current and forward-looking macroeconomic factors affecting the ability of the customers to settle the receivables.

The Group's credit risk in relation to trade receivables under SFRS(I) 9 as at 31 December 2020 are set out in the provision matrix as presented in Note 33(a)(ii). The Group's provision for loss allowance is determined based on the default rate by credit rating of customers, obtained from independent credit rating companies.

The Group's trade receivables due from third parties include an outstanding receivable which amounted to approximately S\$11.7 million (2019: S\$10.5 million) from a key customer which accounted for more than 50% (2019: more than 50%) of the Group's total revenue for the current financial year. Management have considered these facts and have assessed that the Group's exposure to this key customer would not have an impact on the Group's financial performance and its ability to continue as a going concern in the foreseeable future. Management has assessed this key customer as low credit risk.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 14 Trade Receivables and Other Current Assets (cont'd)

### Other receivables

The non-trade receivables from subsidiaries (Company level) and related parties (Group level) are unsecured, interest-free and repayable in cash. Other receivables from third parties are considered to have low credit risk as they are not due for payment at the end of the reporting period and there has been no significant increase in the risk of default on the receivables since initial recognition.

For the purpose of impairment assessment, amounts due from subsidiaries and related parties are considered to have low credit risk as the timing of payment is controlled by the Company taking into account cash flow management within the Group and there has been no significant increase in risk of default on the amounts due from subsidiaries and related parties since initial recognition.

In determining the ECL, management has taken into account the historical default experience and the financial positions of the subsidiaries and related parties, adjusted for factors that are specific to the subsidiaries and related parties and general economic conditions of the industry in which the subsidiaries and related parties operate, in estimating the probability of default of each of these financial assets occurring within their respective loss assessment time horizon, as well as the loss upon default in each case.

There has been no change in the estimation techniques or significant assumptions made during the current reporting period in assessing the loss allowance for amounts due from subsidiaries and related parties. The above assessment is after taking into account the current financial positions of the entities.

Accordingly, for the purpose of impairment assessment for subsidiaries and related parties, including non-trade third parties receivables, the loss allowance is measured at an amount equal to 12-month expected credit losses ("ECL").

Please refer to Note 33(a)(ii) for ageing analysis of trade and other receivables of the Group.

Based on historical default rates, the Group believes that no impairment allowance is necessary in respect of trade and other receivables past due but not impaired. These receivables are mainly arising by customers that have a good credit record with the Group.

## 15 Inventories

	Group	
	31 Dec 2020	31 Dec 2019
	S\$'000	S\$'000
Lower of cost and net realisable values:		
Finished goods and goods for resale	8,550	10,768
Work-in-progress	17,458	9,416

### Transfer of a subsidiary, Integrated Manufacturing Technologies, LLC ("IMTUS")

On 15 December 2020, the Company transferred 100% equity interest in IMTUS to one of its wholly-owned subsidiary, UMS Aerospace Pte Ltd at a consideration of S\$6,611,000. The consideration amount to the Company remained outstanding as at 31 December 2020. After the transfer of ownership of a subsidiary, the Company does not hold any direct equity interest in IMTUS.

### Acquisition of a subsidiary, Allstar Manufacturing Sdn. Bhd. ("Allstar")

As at 31 December 2018, the Group held 10% equity interest in Allstar. On 13 August 2019, the Group acquired 2,470,000 ordinary shares representing the remaining 90% equity interest in Allstar from the existing shareholders at a purchase consideration of S\$5,240,000. The amount was settled by way of a contra against the amount owing to the Company and its subsidiary, Ultimate Machining Solutions (M) Sdn Bhd by Allstar of S\$3,345,000 and S\$1,895,000 respectively. After the acquisition and as at 31 December 2019, the Group holds 100% equity interest in Allstar.

For the financial year ended 31 December 2020

## 16 Investments in Subsidiaries (cont'd)

Acquisition of a subsidiary, Allstar Manufacturing Sdn. Bhd. ("Allstar") (cont'd)

Assets acquired and liabilities assumed at the date of acquisition were as follows:

	<b>2019</b>
	<b>S\$'000</b>
Property, plant and equipment	5,190
Trade and other receivables	408
Cash and bank deposits	28
Trade and other payables	(386)
Total identifiable net assets at fair value	<u>5,240</u>
Less: Consideration settled by way of a contra against amount owing to UMS Group	<u>(5,240)</u>
Gain on acquisition of a subsidiary	<u>–</u>

The Group accounted for the acquisition of Allstar as an asset acquisition.

The impact on acquisition of Allstar on the cash flows of the Group is as follows:

	<b>13 August 2019</b>
	<b>S\$'000</b>
<b><u>Impact on acquisition on the cash flows of the Group</u></b>	
Purchase consideration in cash	–
Less:	
Cash and bank balances	<u>28</u>
Net cash inflow on acquisition	<u><u>28</u></u>

Impact of acquisition on the results of the Group

From the date of acquisition on 13 August 2019 to the financial year ended 31 December 2019, Allstar contributed a net loss for the year of approximately S\$16,000 to the Group's results. There was no revenue recorded for the current year as Allstar is inactive.

Had this business combination been effected at 1 January 2019, the contribution by Allstar to the Group would not be significant.

Investment property relates to the leasehold property at 25 Changi North Crescent, Singapore 499617 held by a subsidiary under an operating lease to earn rental income. Rental income and direct operating expenses related to the investment property amounted to Nil (2019: Nil) and S\$71,750 (2019: S\$104,975) respectively, for the financial year ended 31 December 2020.

The tenure of the leasehold property is a 30-year lease from 1 February 2003.

The Group did not generate rental income for the financial year ended 31 December 2020 in relation to the above property as the previous tenant has vacated the space and management is seeking for new business opportunities.

The estimated fair value of the leasehold property amounted to S\$6,600,000 (2019: S\$7,500,000), classified under Level 2 of the fair value hierarchy (as defined in Note 33(b)(i)), as determined on the basis of management's review of similar properties in the market as at 31 December 2020. The key input applied in the estimation of the investment property is unit price per square foot. There has been no change to the valuation technique during the current financial year.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 18 Investment Property (cont'd)

Details of the Group's investment property and information about the fair value hierarchy as at 31 December 2020 and 31 December 2019 are as follows:

	Level 1 S\$'000	Level 2 S\$'000	Level 3 S\$'000	Total S\$'000
<u>31 Dec 2020</u>				
Leasehold property	–	6,600	–	6,600
<u>31 Dec 2019</u>				
Leasehold property	–	7,500	–	7,500

## 19 Investments in Associate

	Group		Company

Balance at the end of the year	<b>(5,900)</b>	<b>(2,712)</b>

During the financial year ended 31 December 2020, the Group and the Company acquired additional equity stake in JEP Holdings Limited ("JEP"), a company incorporated in Singapore and listed on the Singapore Exchange Securities Trading Limited, for S\$1,774,000 (2019: S\$7,322,000).

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 19 Investment in an Associate (cont'd)

The details of the investment in an associate as at 31 December 2020 are as follows:

Name of associate, place of business and incorporation	Principal activities	Effective percentage of equity interest held by the Group		cost of investment	
		2020 %	2019 %	2020 S\$'000	2019 S\$'000
<i>Held by UMS Holdings Limited</i>					
JEP Holdings Limited Singapore	Investment holding and the provision of management services to its subsidiaries	<b>40.69</b>	38.69	<b>38,072</b>	36,298
				<b>38,072</b>	36,298

As at 31 December 2020, the fair value of the Group's interest in JEP Holdings Limited, which is listed on the Singapore Exchange Securities Trading Limited, was S\$33.35 million (2019: S\$36.83 million). The fair value is classified within Level 1 of the fair value hierarchy.

Based on management's assessment in determining the recoverable amount to be the higher of its fair value less costs of disposal and its value in use, an impairment loss of S\$5,900,000 and S\$2,712,000 was recognised for the Group and the Company respectively during the financial year ended 31 December 2020. The recoverable amount is referenced to the fair value of the assets and liabilities of JEP Holdings Limited as at 31 December 2020.

The summarised financial information of the significant associate, not adjusted for the proportion of ownership interest held by the Group, is as follows:

	2020 S\$'000	2019 S\$'000
<u>JEP Holdings Limited</u>		
Current assets	<b>44,741</b>	47,930
Non-current assets	<b>62,130</b>	71,695
Current liabilities	<b>(11,229)</b>	(24,594)
Non-current liabilities	<b>(35,353)</b>	(34,971)
Net assets	<b>60,289</b>	60,060
Revenue	<b>73,284</b>	88,962
Profit for the year	<b>229</b>	6,518

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 19 Investment in an Associate (cont'd)

Reconciliation of the summarised financial information presented, to the carrying amount of the Group's interest in associate, is as follows:

	JEP Holdings Limited	
	31 Dec	
	2020	2019
	S\$'000	S\$'000
Net assets	60,289	60,060
Group's equity interest (%)	40.69	38.69
Group's share of net assets	24,532	23,237
Goodwill	10,828	16,160
Carrying value	35,360	39,397

The Group has recognised the share of profit of the associate (JEP Holdings Limited) amounting to S\$89,000 (2019: S\$2,574,000) during the financial year ended 31 December 2020.

## 20 Loan to subsidiaries

The loan to subsidiaries is non-trade in nature, unsecured and repayable on demand. The loan is denominated in United States Dollar and Singapore Dollar which bears interest at 2.17% and 1.5% respectively (2019: 2.4% and 2.5% respectively) per annum.

For the purpose of impairment assessment, loan to subsidiaries is considered to have low credit risk as the timing of payment is controlled by the Company taking into account cash flow management within the Group and there has been no significant increase in risk of default on the amount due from a subsidiary since initial recognition. Accordingly, for the purpose of impairment assessment for this receivable, the loss allowance is measured at an amount equal to 12-month expected credit losses ("ECL").

During the financial year ended 31 December 2020, the Company recognised an allowance for impairment loss of loan to subsidiaries of S\$2,300,000 (2019: Nil).

## 21 Goodwill

	Group	
	31 Dec 2020	31 Dec 2019
	S\$'000	S\$'000
Goodwill arising on consolidation	82,201	82,201
Less: Impairment loss on goodwill	(2,118)	(990)
	80,083	81,211

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 21 Goodwill (cont'd)

The movement in goodwill impairment loss is as follows:

	Group	
	31 Dec 2020	31 Dec 2019
	S\$'000	S\$'000
At the beginning of the year	(990)	–
Impairment loss recognised in income statement during the year	(1,128)	(990)
At the end of the year	<b>(2,118)</b>	(990)

(a) Allocation of goodwill to cash-generating units

Goodwill acquired through business combinations has been allocated for impairment testing purposes to the following cash-generating units ("CGUs"):

- Welding – United States of America (Welding-USA)
- Welding – Singapore (Welding-SG)
- Semiconductor
- Water treatment system

The goodwill arising on consolidation relates to the excess of the Group's share of net identifiable assets acquired in the following CGUs as set out below:

	Group	
	31 Dec 2020	31 Dec 2019
	S\$'000	S\$'000
Welding - USA	<b>1,586</b>	1,586
Welding - SG	<b>17,795</b>	17,795
Semiconductor	<b>60,702</b>	60,702
Water treatment system	–	1,128
	<b>80,083</b>	81,211

There was no significant exchange differences on translation of goodwill at the end of reporting period.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 21 Goodwill (cont'd)

### (b) Impairment testing of goodwill

The recoverable amounts of the CGUs have been determined based on value in use calculations using cash flow projections from financial budgets approved by management covering a five-year period. The post-tax discount rate applied to the cash flow projections, budgeted gross margins, and the forecasted growth rates used to extrapolate cash flow projections beyond the five-year period are as follows:

	31 Dec 2020	31 Dec 2019
Gross margin	<b>28% - 53%</b>	22% - 56%
Long term growth rate used for terminal value	–	–
Discount rates	<b>9.10% - 14.5%</b>	9.34% - 13.4%

Further information on the significant CGUs are as follows:

	Semiconductor		Welding - SG	
	31 Dec 2020	31 Dec 2019	31 Dec 2020	31 Dec 2019
Gross margin	<b>53%</b>	53%	<b>40%</b>	44%
Long term growth rate used for terminal value	–	–	–	–
Discount rates	<b>12.8%</b>	13.4%	<b>12.8%</b>	13.4%

The budgeted gross margin is based on past performance and expectations of market developments. The discount rates reflect specific risks relating to the relevant segments.

These assumptions were used for the analysis of the CGU. Management recognises the speed of technological change and the possibility of new entrants that can have a significant impact on the growth rate assumptions. The effect of new entrants is not expected to have a significant adverse impact on the forecasts included in the budget.

#### Impairment loss recognised in the CGU of water treatment system

During the financial year ended 31 December 2020, the Group recorded an impairment loss of S\$1,128,000 (2019: S\$990,000) in relation to goodwill attributable to the CGU of water treatment system. The recoverable amount of the CGU has been determined based on value in use calculations using cash flow projections from financial budgets approved by management covering a five-year period.

The main factors contributing to the impairment of the CGU of water treatment system were due to significant pressure on selling prices and a decrease in demand in both local and oversea markets. No write-down of the carrying amounts of other assets in the CGU of water treatment system was necessary.

The impairment loss has been included in the "other charges" line item in the consolidated income statement.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 21 Goodwill (cont'd)

(c) Sensitivity analysis

Management considered that any reasonable possible changes in the above key assumptions applied are not likely to materially cause the recoverable amounts of the CGUs to be lower than their respective carrying amounts, except as mentioned above.

## 22 Borrowings and Loan from Related Parties

	Group	
	31 Dec 2020 S\$'000	31 Dec 2019 S\$'000
<b>Unsecured</b>		
Short term bank loan - current (a)	15,710	9,334
Loans from related parties		
- Current (b)	1,403	1,403
- Non-current (c)	3,835	3,626
	5,238	5,029
	<b>20,948</b>	14,363

- (a) The unsecured bank loan bears fixed interest at 0.80% - 2.35% (2019: 0.95% - 2.50%) per annum and with a maturity period of less than 35 days.
- (b) The loans from related parties bear interest at 2.50% (2019: 2.50%) per annum and relates to an amount owing by a subsidiary to a director and a former director and repayable in the next 12 months.
- (c) The loans from related parties bear interest at 10% per annum (2019: 10%) and relates to an amount owing by a subsidiary to entities controlled by Mr Luong Andy and is classified as non-current liabilities as it is repayable only when the below conditions are met:
- (i) The subsidiary becomes profitable and is in a positive net asset position;
  - (ii) The board of directors of the Company approves the repayment after ascertaining the working capital sufficiency of the subsidiary at the time of repayment; and
  - (iii) Subject to points (i) and (ii) above being met, up to 50% of annual profits generated or cash generated from operations, whichever is lower, can be used to pay down the loan from related parties.

The undiscounted contractual cash flows of the loans from related parties amounted to S\$7,579,000 (2019: S\$7,243,000).

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 23 Trade and Other Payables

	Group		Company	
	31 Dec 2020 S\$'000	31 Dec 2019 S\$'000	31 Dec 2020 S\$'000	31 Dec 2019 S\$'000
Trade payables:				
Third parties	<b>9,309</b>	8,220	–	–
Related parties	<b>246</b>	79	–	–
	<b>9,555</b>	8,299	–	–
Other payables:				
A subsidiary	–	–	<b>25,044</b>	34,117
A director of the Company	<b>455</b>	463	–	–
Third parties	<b>1,985</b>	996	<b>578</b>	382
Accrued operating expenses	<b>9,925</b>	6,908	<b>5,315</b>	3,192
Employees and rental deposits	<b>109</b>	121	–	–
Contract liabilities (Note 5)	<b>3,327</b>	1,973	–	–
	<b>15,801</b>	10,461	<b>30,937</b>	37,691
Trade and other payables	<b>25,356</b>	18,760	<b>30,937</b>	37,691

The average credit period generally taken to settle trade payables is approximately 60 days (2019: 60 days).

The amounts payable to a subsidiary and a director of the Company are non-trade, unsecured, interest-free and repayable on demand.

Contract liabilities mainly represent amounts of consideration received for the customised equipment billed in advance to the Group's customers.

## 24 Long-Term Provision

	Group	
	31 Dec 2020 S\$'000	31 Dec 2019 S\$'000
Provision for dismantling and removing the item and restoring the site relating to leasehold and investment properties	<b>405</b>	405
Balance at the beginning and end of the year	<b>405</b>	405

The long-term provision is recognised as part of the initial cost of the right-of-use assets.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 24 Long-Term Provision (cont'd)

The Group makes full provision for the future cost of dismantling and removing the items and restoring the site relating to leasehold and investment properties on a discounted basis. The long-term provision represents the present value of the restoration costs relating to the two office/factory premises held by the Group.

As per the lease agreements, the Group is required to bear the cost of dismantling and removing the items and restoring the factory premises to its original state at the end of the lease period in year 2057 for 23 Changi North Crescent and 2033 for 25 Changi North Crescent.

## 25 Share Capital

	2020		2019	
	No. of ordinary shares	S\$'000	No. of ordinary shares	S\$'000
<b>Group and Company</b>				
Issued and fully paid:				
At the beginning and end of the year	<b>536,429,579</b>	<b>136,623</b>	536,429,579	136,623

### 25(a) Treasury shares

	2020	
	No. of ordinary shares	S\$'000
<b>Group and Company</b>		
At the beginning of the year	–	–
Purchase during the year	<b>3,000,000</b>	<b>1,919,000</b>
At the end of the year	<b>3,000,000</b>	<b>1,919,000</b>

## 26 Reserves

	Group	
	31 Dec 2020	31 Dec 2019
	S\$'000	S\$'000
Foreign exchange translation reserve	<b>10,683</b>	10,823

Movement in reserves for the Group is set out in the consolidated statement of changes in equity.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 26 Reserves (cont'd)

The foreign exchange translation reserve is used to record foreign exchange differences arising from the translation of the financial statements of foreign subsidiaries whose functional currencies are different from that of the Group's presentation currency.

## 27 Lease Liabilities

### Extension option

The leases of the leasehold land at 23 Changi North Crescent and 32 Gul Lane include a term extension option for 30 years till 2057 and 2052 respectively, of which the Group has the rights and expects to exercise these options. Accordingly, lease payments in the extension period have been capitalised in the Group's right-of-use assets and lease liabilities. The Group is restricted from assigning and subleasing the leased assets.

	Group		Company	
	31 Dec 2020 S\$'000	31 Dec 2019 S\$'000	31 Dec 2020 S\$'000	31 Dec 2019 S\$'000
Minimum lease payments due:				
- Not later than 1 year	499	470	-	-
- Later than 1 year but within 5 years	1,661	1,198	-	-
- Later than 5 years	6,302	5,957	-	-
	<b>8,462</b>	7,625	-	-
Less:				
Future finance charges	(3,947)	(3,707)	-	-
Present value of financial lease liabilities	<b>4,515</b>	3,918	-	-

The present value of lease liabilities is analysed as follows:

	Group		Company	
	31 Dec 2020 S\$'000	31 Dec 2019 S\$'000	31 Dec 2020 S\$'000	31 Dec 2019 S\$'000
Not later than 1 year	259	262	-	-
Later than 1 year but within 5 years	852	461	-	-
Later than 5 years	3,404	3,195	-	-
	<b>4,256</b>	3,656	-	-
	<b>4,515</b>	3,918	-	-

The effective interest rate is 5.25% (2019: 5.25%) per annum as at the end of the financial year. The Group has total cash outflows for leases of S\$512,000 (2019: S\$463,000) for the financial year ended 31 December 2020.

The amount of lease expenditure charged to the profit and loss during the current financial year is disclosed in Note 7. The Group applies the "short-term lease" recognition exemption for such leases.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 28 Dividends

	Group	
	2020 S\$'000	2019 S\$'000

	<b>26,671</b>	<b>18,775</b>
<u>Proposed but not recognised as a liability as at 31 December</u>		
Dividends on ordinary shares, subject to shareholders' approval at the Company's Annual General Meeting:		
- Special exempt (one-tier) dividend for 2020: Nil (for 2019: 0.5 cent) per share	–	2,682
- Final exempt (one-tier) dividend for 2020: 1 cent (for 2019: 2 cents) per share	5,334	10,729
	<b>5,334</b>	<b>13,411</b>

### Tax consequences of proposed dividends

The above-mentioned proposed dividends to the shareholders by the Company have no income tax consequences (2019: Nil).

## 29 Related Party Transactions

A related party is an entity or person that directly or indirectly through one or more intermediaries controls, is controlled by, or is under common or joint control with, the entity in governing the financial and operating policies, or that has an interest in the entity that gives it significant influence over the entity in financial and operating decisions. It also includes members of the key management personnel or close members of the family of any individual referred to herein and others who have the ability to control, jointly control or significantly influence by or for which significant voting power in such entity resides with, directly or indirectly, any such individual.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 29 Related Party Transactions (cont'd)

There are transactions and arrangements between the Group and related parties and the effects of these on the basis determined between the parties are reflected in these financial statements. In addition to the transactions and balances disclosed elsewhere in the consolidated financial statements, related party transactions include the following (income)/ expenses:

	Group	
	2020	2019
	S\$'000	S\$'000
<i>Transactions with related parties</i>		
Sale of goods	<b>(3,253)</b>	(2,499)
Services rendered	<b>(53)</b>	(51)
Purchase of goods	<b>1,189</b>	759
Rental income	–	(151)
Subcontracting services	<b>96</b>	–
Sale of machinery	<b>(168)</b>	(1,942)
Progress payment for plant and equipment	–	3
Gain on disposal of plant and equipment	<b>(168)</b>	(200)
Interest expenses	<b>274</b>	273
Consultancy fees	<b>1,782</b>	1,660

Related parties comprise mainly companies which are controlled by the Group's key management personnel and their close family members.

### Key Management Compensation

Key management personnel are directors and those persons having authority and responsibility for planning, directing and controlling the activities of the company, directly or indirectly. The below amounts for key management compensation are for all directors and five other key management personnel. Included in the above amounts are the following items:

	Group	
	2020	2019
	S\$'000	S\$'000
Salaries, bonuses and related benefits	<b>4,079</b>	4,839
Defined contribution plans	<b>86</b>	88
Fees to directors	<b>204</b>	221
	<b>4,369</b>	5,148
Comprised amounts paid to:		
Directors of the Company*	<b>3,525</b>	4,192
Other key management personnel*	<b>844</b>	956
	<b>4,369</b>	5,148

\* The amounts disclosed represent compensation received by key management personnel during the financial year.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 30 Capital Commitments

Capital expenditure contracted for at the end of reporting period but not recognised in the financial statements is as follows:

	Group	
	2020 S\$'000	2019 S\$'000
Authorised and contracted but not provided for	170	1,913

## 31 Operating Lease Commitments

For lease term that ends within 12 months of the date of initial application of SFRS(I) 16, the Group has elected to account for the lease in the same way as short-term lease and included the cost associated with the lease within the disclosure of short-term lease expense in the reporting period that includes the date of initial application.

As disclosed in Note 17(a) and Note 27, the Group has adopted SFRS(I) 16 on 1 January 2019. These lease payments have been recognised as right-of-use assets and lease liabilities on the balance sheets as at 31 December 2020, except for short-term leases.

## 32 Financial Information by Segments

The Group's businesses are organised into two main business segments, namely semiconductor and others. The semiconductor segment provides precision machining components and equipment modules for semiconductor equipment manufacturers. The others segment mainly provides shipment of water disinfection systems and trading of non-ferrous metal alloys.

The accounting policies of the reportable segments are the same as the Group's accounting policies described in Note 3 to the consolidated financial statements.

Intersegment sales and results include transfers between business segments. Such transfers are accounted for at competitive prices charged to external parties for similar goods. Those transfers are eliminated on consolidation. The revenue from external parties is measured in a manner consistent with that in the consolidated statement of comprehensive income.

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Segment assets consist principally of receivables and inventories. Segment liabilities include trade payables and accrued liabilities.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 32 Financial Information by Segments (cont'd)

### Business Segments (cont'd)

The recognition of right-of-use assets and lease liabilities on the balance sheets resulted in an increase in depreciation and interest expenses in the consolidated income statement in the current year as follows:

	Group		Group	
	31 Dec 2020	31 Dec 2019	31 Dec 2020	31 Dec 2019
	Depreciation		Interest expenses	
	S\$'000	S\$'000	S\$'000	S\$'000
Semiconductor	<b>319</b>	306	<b>197</b>	199
Others	<b>53</b>	31	<b>20</b>	12
	<b>372</b>	337	<b>217</b>	211

### Geographical Segments

The Group operates in four principal geographical areas - Singapore, Malaysia, Taiwan and the United States of America ("USA"). Other key geographical areas include People's Republic of China and South Korea. Sales to external parties in the individual country grouped under "others" did not contribute more than 5% of the total sales of the Group.

In presenting information on the basis of geographical segments, segment revenue is based on the countries of domicile of the customers. Segment assets are based on the geographical location of the assets.

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 32 Financial Information by Segments (cont'd)

### Geographical Segments (cont'd)

#### *Information about major customers*

Included in revenue arising from semiconductor segment of S\$153.0 million (2019: S\$120.7 million) is revenue of more than 50% (2019: more than 50%) which arose from sales to the Group's largest customer.

## 33 Financial Instruments

### (a) Financial Risk Management Policies and Objectives

The Group and the Company are exposed to financial risks arising from its operation and the use of financial instruments. The main risks include capital risk, credit risk, interest rate risk, liquidity risk and foreign currency risk. Management reviews and monitors policies for managing each of these risks.

The following sections provide details regarding the Group's and the Company's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

#### (i) *Capital risk*

When managing capital, the objectives of the Group and the Company are: (a) to safeguard the Group's and the Company's ability to continue as a going concern so that it can continue to provide returns for shareholders and benefits for other stakeholders, and (b) to provide an adequate return to shareholders by pricing products and services commensurate with the level of risk. The Group's and Company's overall strategy remains unchanged from 2019.

The Group and the Company set the amount of capital in proportion to risk. The Group and the Company manage the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group and the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

The Group and the Company monitor capital on the basis of net debt-to-total equity ratio. This ratio is calculated as net debt divided by total equity. Net debt is calculated as total liabilities (exclude income tax payable, deferred tax liabilities and long-term provision) less cash and bank balances. The total equity comprises all components of equity (i.e. share capital, treasury shares, reserves and retained earnings).

N.M.: Not meaningful

The Group and the Company do not have to comply with any externally imposed capital requirements for the financial years ended 31 December 2020 and 2019.

#### (ii) Credit risk

Credit risk is the risk of financial loss to the Group and the Company should there be a counterparty default on its contractual obligations. The Group's and the Company's exposure to credit risk arises primarily from trade and other receivables. For other financial assets, the Group and the Company minimise credit risk by dealing exclusively with high credit rating counterparties and/or obtain sufficient security where appropriate to mitigate credit risk. The Group mainly transacts with high credit quality counterparties which are considered to have low credit risk for the purpose of impairment assessment. The credit rating information is supplied by independent rating agencies where available and, if not available, the Group uses other publicly available financial information and its own trading records to rate its major customers. The Group's exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties. Credit exposure is controlled by counterparty limits that are reviewed and approved by management annually.

The Group's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. The Group trades only with recognised and creditworthy third parties. It is the Group's policy that all customers who wish to trade on credit terms are subjected to credit verification procedures. In addition, receivable balances are monitored on an ongoing basis. An ongoing credit evaluation is performed of the receivables' financial conditions.

The carrying amount of cash and bank balances, trade receivables and other current assets and loan to subsidiaries represents the Group's maximum exposure to credit risk. Cash and bank balances are placed with banks of good standing. The Group performs ongoing credit evaluation of its customers' financial conditions and maintains a loss allowance where necessary.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 33 Financial Instruments (cont'd)

### (a) Financial Risk Management Policies and Objectives (cont'd)

#### (ii) Credit risk (cont'd)

As disclosed in Note 14 to the consolidated financial statements, the Group uses a provision matrix to measure the lifetime expected credit loss allowance for trade receivables. In measuring the expected credit losses, trade receivables are grouped based on their shared credit risk characteristics and numbers of days past due. The expected credit losses on trade receivables are estimated using a provision matrix based on the Group's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money, where appropriate.

#### Credit risk grading guideline

Management has established the Group's internal credit risk grading to the different exposures according to their degree of default risk. The internal credit risk grading which are used to report the Group's credit risk exposure to key management personnel for credit risk management purposes are as follows:

<b>Internal rating grades</b>	<b>Definition</b>	<b>Basis of recognition of expected credit loss (ECL)</b>
i. Performing	The counterparty has a low risk of default and does not have any past-due amounts.	12-month ECL
ii. Under-performing	There has been a significant increase in credit risk since initial recognition (i.e. interest and/or principal repayment are more than 30 days past due).	Lifetime ECL
iii. Non-performing	There is evidence indicating that the asset is credit-impaired (i.e. interest and/or principal repayments are more than 90 days past due).	Lifetime ECL
iv. Write-off	There is evidence indicating that there is no reasonable expectation of recovery as the debtor is in severe financial difficulty.	Asset is written off

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 33 Financial Instruments (cont'd)

### (a) Financial Risk Management Policies and Objectives (cont'd)

#### (ii) Credit risk (cont'd)

The Group's provision for loss allowance is based on past due as the Group's historical credit loss experience does not show significantly different loss patterns for different customer segments. The Group's credit risk exposure in relation to trade receivables under SFRS(I) 9 as at 31 December 2020 and 31 December 2019 are set out in the provision matrix as follows:

Group	← Past due →					Total S\$'000
	Current* S\$'000	Within 30 days* S\$'000	30 to 60 days** S\$'000	60 to 90 days** S\$'000	More than 90 days^^ S\$'000

# Included in S\$1,279,000 is an amount of S\$1,195,000 pertaining to a project which has yet to be completed as at 31 December 2020.

^ The expected credit loss is not material.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 33 Financial Instruments (cont'd)

### (a) Financial Risk Management Policies and Objectives (cont'd)

#### (ii) Credit risk (cont'd)

For assessment of lifetime expected credit losses, management has applied the expected loss rates of between 0.14% and 1.09% (2019: between 0.06% and 0.62%) to the trade receivables for semiconductor and expected loss rates of between 0.28% and 1.58% (2019: between 0.45% and 36%) for the trade receivables for other segments. The expected credit loss is not material.

The Group's credit risk exposure in relation to other receivables under SFRS(I) 9 as at 31 December 2020 are set out in the credit risk rating grades as follows:

	Internal Credit rating	ECL	Gross Carrying Amount	Loss Allowance	Net Carrying Amount
<b>Group</b>					
<u>31 Dec 2020</u>					
Other receivables and deposits	<b>Performing</b>	<b>12-month ECL</b>	<b>644</b>	<b>–</b>	<b>644</b>
Other receivables and deposits	<b>Non-performing</b>	<b>Lifetime ECL</b>	<b>372</b>	<b>(372)</b>	<b>–</b>
<u>31 Dec 2019</u>					
Other receivables and deposits	Performing	12-month ECL	1,358	–	1,358

Management has assessed other receivables and deposits to have low credit risk as they are not due for payment yet. Management has periodically assessed for any significant increase in the risk of default on the receivables since initial recognition, with a rebuttable presumption that credit risk has increased for debts more than 30 days past due. A financial instrument is determined to have low credit risk if i) the financial instrument has a low risk of default, ii) the borrower has a strong capacity to meet its contractual cash flow obligations in the near term and iii) adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations. The Group considers a financial asset to have low credit risk when it has an internal or external credit rating that is typically equivalent to the investment grade market convention. Accordingly, the 12-month expected credit loss is not material.

Cash and bank balances, including fixed deposits, are subject to immaterial credit loss.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 33 Financial Instruments (cont'd)

### (a) Financial Risk Management Policies and Objectives (cont'd)

#### (ii) Credit risk (cont'd)

The Company's credit risk exposure in relation to other receivables under SFRS(I) 9 as at 31 December 2020 are set out in the credit risk rating grades as follows:

	Internal Credit rating	ECL	Gross Carrying Amount S\$'000	Loss Allowance S\$'000	Net Carrying Amount S\$'000
<b>Company</b>					
<u>31 Dec 2020</u>					
Loan to subsidiary	<b>Non-performing</b>	<b>Lifetime ECL</b>	<b>6,910</b>	<b>(2,300)</b>	<b>4,610</b>
Loan to subsidiary	<b>Performing</b>	<b>12-month ECL</b>	<b>2,664</b>	<b>–</b>	<b>2,664</b>
Subsidiaries	<b>Performing</b>	<b>12-month ECL</b>	<b>14,814</b>	<b>–</b>	<b>14,814</b>
Other receivables and deposits	<b>Performing</b>	<b>12-month ECL</b>	<b>40</b>	<b>–</b>	<b>40</b>
<u>31 Dec 2019</u>					
Loan to subsidiary	Performing	12-month ECL	3,791	–	3,791
Subsidiaries	Performing	12-month ECL	5,520	–	5,520
Other receivables and deposits	Performing	12-month ECL	73	–	73

In determining the ECL, management has taken into account the historical default experience and the financial positions of the subsidiaries and related parties, adjusted for factors that are specific to the subsidiaries and related parties and general economic conditions of the industry in which the subsidiaries and related parties operate, in estimating the probability of default of each of these financial assets occurring within their respective loss assessment time horizon, as well as the loss upon default in each case.

There has been no change in the estimation techniques or significant assumptions made during the current reporting period in assessing the loss allowance for amounts due from subsidiaries and related parties. The above assessment is after taking into account the current financial positions of the entities.

#### (iii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's financial instruments will fluctuate because of changes in market interest rate. The Group's exposure to interest rates arises primarily from interest-earning financial assets and interest-bearing financial liabilities.

The Group is not exposed to any significant interest-bearing financial liabilities as at year end except for bank borrowings, lease liabilities and loan from related parties.

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 33 Financial Instruments (cont'd)

(a) Financial Risk Management Policies and Objectives (cont'd)

(iii) *Interest rate risk (cont'd)*

The tables below set out the Group's exposure to interest rate risk. Included in the tables are the financial assets and financial liabilities at carrying amounts, categorised by the earlier of contractual repricing or maturity dates.

	Interest bearing S\$'000	Non- Interest bearing S\$'000	Total S\$'000
<b>Group</b>			
31 Dec 2020

Trade and other payables (excluding contract liabilities)	–	16,787	16,787
Lease liabilities	3,918	–	3,918
	18,281	16,787	35,068

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 33 Financial Instruments (cont'd)

### (a) Financial Risk Management Policies and Objectives (cont'd)

#### (iii) Interest rate risk (cont'd)

A 3% (2019: 3%) increase/(decrease) in the interest rates as at the end of reporting period, with all variables including tax rate being held constant, would not result in a significant impact in the Group's profit after tax.

#### (iv) Liquidity risk

Liquidity risk is the risk that the Group or the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Group's and the Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and financial liabilities. The Group's and the Company's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

The table below analyses the maturity profile of the Group's and the Company's financial liabilities based on contractual undiscounted cash flows.

	Carrying amount S\$'000	Contractual cash flows S\$'000	Within 1 year S\$'000	Within 2 to 5 years S\$'000
<b>Group</b>				
<u>31 Dec 2020</u>

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 33 Financial Instruments (cont'd)

(a) Financial Risk Management Policies and Objectives (cont'd)

(v) *Foreign currency risk*

The Group is exposed to foreign currency risk on sales and purchases that are denominated in a currency other than the respective functional currencies of the entities of the Group. The currency giving rise to this risk is primarily the United States Dollar ("USD").

To manage the aforesaid foreign currency risk, the Group maintains a natural hedge, whenever possible, by depositing foreign currency proceeds from sales into foreign currency bank accounts which are primarily used for payments of purchases in the same currency denomination.

The Group's and the Company's exposures to foreign currency risk are as follows:

	Singapore Dollar S\$'000	Japanese Yen S\$'000	Euro S\$'000	Malaysian Ringgit S\$'000	United States Dollar S\$'000	Chinese Renminbi S\$'000	Total S\$'000

# NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

## 33 Financial Instruments (cont'd)

### (a) Financial Risk Management Policies and Objectives (cont'd)

#### (v) Foreign currency risk (cont'd)

If the following currency strengthen by 10% (2019: 10%) against S\$ as at the end of reporting period, with all other variables including tax rate being held constant, the effect arising from the net financial assets position will be as follows:

	<b>Group Increase/(Decrease) profit after tax S\$'000</b>	<b>Company Increase/(Decrease) profit after tax S\$'000</b>
<u>31 Dec 2020</u>		
United States dollar	<b>4,275</b>	<b>392</b>
<u>31 Dec 2019</u>		
United States dollar	2,320	163

A 10% weakening of the above currency against the S\$ as at the end of reporting period would have had the equal but opposite effect on the amounts shown above, on the basis that all other variables remain constant.

### (b) Financial Instruments

#### (i) Fair value of financial instruments

Fair value is defined as the amount at which the financial instruments could be exchanged in a current transaction between knowledgeable willing parties in an arm's length transaction, other than in a forced or liquidation sale. Fair values are obtained from quoted prices, discounted cash flow models and option pricing models as appropriate.

The Group presents financial assets measured at fair value and classified by level of the following fair value measurement hierarchy:

- a. Level 1: quoted prices (unadjusted) in active markets for identical assets and liabilities;
- b. Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (that is as prices) or indirectly (i.e. derived from prices); and
- c. Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

#### (ii) Fair Value of the Group's financial assets and financial liabilities that are not measured at fair value on a recurring basis

The carrying amounts of financial assets and financial liabilities with a maturity of less than one year (including cash and bank balances, trade and other receivables, loan to subsidiaries, bank borrowings, trade and other payables, loans from related parties and lease liabilities) approximate their fair values due to the relatively short-term maturity of these financial instruments.

The carrying amounts of loans from related parties and lease liabilities approximate their fair values as they are subject to interest rates close to market rates of interest for similar arrangement with financial institutions.

---

# NOTES TO THE FINANCIAL STATEMENTS

---

For the financial year ended 31 December 2020

## 34 Adoption of New Standards

The accounting policies adopted are consistent with those of the previous financial year except that in the current financial year, the Group has adopted all the new and revised standards which are effective for annual financial periods beginning on or after 1 January 2020.

- Amendments to SFRS(I) 1-1 and SFRS (I) 1-8 *Presentation of Financial Statements and Accounting Policies, Changes in Accounting Estimates and Errors: Definition of Material*
- Amendments to SFRS(I) 3 *Business Combination: Definition of a Business*
- Interest Rate Benchmark Reform – Amendments to SFRS(I) 9 *SFRS(I) 1-39 Financial Instruments: Recognition and Measurement* and SFRS(I) 7 *Financial Instruments: Disclosures*

## 35 New Standards and Interpretations not yet adopted

A number of new standards and interpretations and amendments to standards are effective for annual periods beginning after 1 January 2021 and earlier application is permitted; however, the Group has not early adopted the new or amended standards and interpretations in preparing these financial statements.

The following new SFRS(I)s, interpretations and amendments to SFRS(I)s are effective for annual periods beginning after 1 January 2021:

Applicable to 2021 financial statements:

- Amendments to SFRS(I) 16 *Leases – COVID-19 Related Rent Concessions*

Applicable to 2022 financial statements:

- Amendments to SFRS(I) 1-16, Property, Plant and Equipment – Proceeds before Intended Use
- Amendments to SFRS(I) 1-37, Provisions – Onerous Contracts – Cost of Fulfilling a Contract
- Amendments to SFRS(I) 3, Business Combinations – Reference to the Conceptual Framework
- Annual improvements to SFRS(I)s 2018 – 2020

Applicable to 2023 financial statements:

- Amendments to SFRS(I) 1-1, Classification of Liabilities as Current or Non-current

# NOTICE OF ANNUAL GENERAL MEETING

---

NOTICE IS HEREBY GIVEN that the Annual General Meeting of UMS Holdings Limited (“the Company”) will be held by way of electronic means on Wednesday, 28 April 2021 at 10.00 a.m. for the purpose of considering and, if thought fit, passing with or without modifications, the resolutions as set out below:

## ORDINARY BUSINESS:

1. To receive and adopt the Directors’ Statement and Audited Financial Statements for the financial year ended 31 December 2020 together with the Auditors’ Report thereon.

### Resolution 1

2. To approve the payment of a final tax-exempt (one-tier) dividend of 1.0 cent per ordinary share in respect of the financial year ended 31 December 2020.

### Resolution 2

3. To re-elect Ms Gn Jong Yuh Gwendolyn, who is retiring by rotation in accordance with Regulation 89 of the Company’s Constitution, as Director of the Company.

[Ms Gn Jong Yuh Gwendolyn will, upon re-election as a Director of the Company, remain as the Chairman of the Remuneration Committee, a member of the Audit Committee and the Nominating Committee and will be considered independent for the purpose of Rule 704(7) of the Listing Manual of the Singapore Exchange Securities Trading Limited. Please refer to Corporate Governance Report on pages 27 to 29 in the Annual Report for the detailed information required pursuant to Rule 720(6) of the SGX-ST.]

### Resolution 3

4. To re-elect Datuk Phang Ah Tong, who is retiring by rotation in accordance with Regulation 89 of the Company’s Constitution, as Director of the Company.

[Datuk Phang Ah Tong will, upon re-election as a Director of the Company, remain as the Chairman of the Nominating Committee, a member of the Audit Committee and the Remuneration Committee and will be considered independent for the purpose of Rule 704(7) of the Listing Manual of the Singapore Exchange Securities Trading Limited. Please refer to Corporate Governance Report on pages 27 to 29 in the Annual Report for the detailed information required pursuant to Rule 720(6) of the SGX-ST.]

### Resolution 4

5. To approve the payment of Directors’ fees of up to S\$229,000 for the financial year ending 31 December 2021, to be paid quarterly in arrears. (FY2020: S\$214,000)

### Resolution 5

6. To re-appoint Moore Stephens LLP as Independent Auditors and to authorise the Directors to fix their remuneration.

### Resolution 6

7. To transact any other ordinary business which may properly be transacted at an Annual General Meeting.

---

# NOTICE OF ANNUAL GENERAL MEETING

---

## SPECIAL BUSINESS:

To consider, and if thought fit, to pass with or without any modifications, the following resolutions as Ordinary Resolutions:-

8. **Authority to allot and issue shares up to fifty per centum (50%) of the issued shares in the capital of the Company**

“That authority be and is hereby given to the Directors of the Company to:

- (a) (i) issue shares in the capital of the Company (“shares”) whether by way of rights, bonus or otherwise; and/or
- (ii) make or grant offers, agreements or options (collectively “Instruments”) that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into shares,

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may in their absolute discretion deem fit; and

- (b) (notwithstanding that the authority conferred by this Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors while this Resolution was in force,

provided that:

- (1) the aggregate number of shares to be issued pursuant to this Resolution (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) does not exceed 50 per cent of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with paragraph (2) below), of which the aggregate number of shares to be issued other than on a pro rata basis to shareholders of the Company (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) does not exceed 20 per cent of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with paragraph (2) below);
- (2) (subject to such manner of calculation as may be prescribed by the Singapore Exchange Securities Trading Limited (“SGX-ST”) for the purpose of determining the aggregate number of shares that may be issued under sub-paragraph (1) above, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time this Resolution is passed, after adjusting for:-
  - (i) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards, provided the options or awards were granted in compliance with Part VIII of Chapter 8; and
  - (ii) any subsequent bonus issue, consolidation or subdivision of shares;

adjustments in accordance with (2)(i) is only to be made in respect of new shares arising from convertible securities, share options or share awards which were issued and outstanding or subsisting at the time of passing of this Resolution.

- (3) in exercising the authority conferred by this Resolution, the Company shall comply with the provisions of the Listing Manual of the SGX-ST from the time being in force (unless such compliance has been waived by the SGX-ST), all applicable legal requirements under the Companies Act and otherwise, and the Constitution for the time being of the Company; and
- (4) (unless revoked or varied by the Company in General Meeting), the authority conferred by this Resolution shall continue in force until the conclusion of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier.”

**Resolution 7**

---

# NOTICE OF ANNUAL GENERAL MEETING

---

## Explanatory Note:

Resolution 7 is to authorise the Directors to issue shares in the capital of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments, up to a number not exceeding in total 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company, with a sub-limit of 20% for issues other than on a pro rata basis to shareholders. For the purpose of determining the aggregate number of shares that may be issued, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time that Resolution 7 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time that Resolution 7 is passed, and (b) any subsequent consolidation or subdivision of shares.

## NOTICE OF RECORD DATE FOR THE PROPOSED FINAL DIVIDEND

NOTICE IS HEREBY GIVEN THAT the Share Transfer Books and Register of Members of the Company will be closed on 5 May 2021, for the purpose of determining members' entitlements to the Proposed Final Dividend of 1.0 cent per ordinary share (tax-exempt one-tier) for the financial year ended 31 December 2020.

Duly completed registrable transfers received by the Company's Share Registrar, In.Corp Corporate Services Pte. Ltd. (F.K.A. RHT Corporate Advisory Pte. Ltd.), 30 Cecil Street #19-08 Prudential Tower Singapore 049712 up to the close of business at 5.00 p.m. on 4 May 2021 will be registered before entitlement to the Proposed Final Dividend are determined. Members whose Securities Accounts with The Central Depository (Pte) Limited are credited with shares at 5.00 p.m. on 4 May 2021 will be entitled to the Proposed Final Dividend.

The Proposed Final Dividend, if approved at the forthcoming Annual General Meeting of the Company, will be paid on 21 May 2021.

## BY ORDER OF THE BOARD

Siau Kuei Lian / Teo Chia Hui  
Company Secretaries

Singapore  
12 April 2021

## Notes:

1. Pursuant to the COVID-19 (Temporary Measures) Act 2020 (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020, the Company has the option to hold a virtual meeting, even where the Company is permitted under safe distancing regulations to hold a physical meeting. Due to the current COVID-19 situation and the Company's efforts to keep physical interactions and COVID-19 transmission risks to a minimum, the Annual General Meeting of the Company will be held by way of electronic means.
2. The Annual Report, Notice of Annual General Meeting and Proxy Form will be made available to members solely by electronic means via publication on the Company's website at the URL <http://www.umsgroup.com.sg/ir.html> and also on SGXNet at the URL <https://www.sgx.com/securities/company-announcements>. Printed copies of these documents will not be despatched to members.
3. Members (including a Relevant Intermediary) will not be able to attend the Annual General Meeting in person. Members may:-
  - (a) pre-register to participate at the Annual General Meeting by watching and/or listening to the proceedings via a "live" webcast via mobile phone, tablet or computer ("Live Webcast");
  - (b) submitting questions related to the resolutions to be tabled for approval in advance of the Annual General Meeting via email to the Company at [UMSAGM280421@umsgroup.com.sg](mailto:UMSAGM280421@umsgroup.com.sg); and/or
  - (c) appointing the Chairman of the Meeting as proxy to attend, speak and vote on their behalf at the Annual General Meeting.

# NOTICE OF ANNUAL GENERAL MEETING

4. A member of the Company (including a Relevant Intermediary) entitled to vote at the Annual General Meeting must appoint the Chairman of the Meeting to act as proxy and direct the vote at the Annual General Meeting.
5. An investor who holds shares under the Central Provident Fund Investment Scheme ("CPF Investor") and/or the Supplementary Retirement Scheme ("SRS Investor") (as may be applicable) and wishes to appoint the Chairman of the Meeting as proxy should approach their respective CPF Agent Banks and/or SRS Operators to submit their votes at least seven (7) working days before the Annual General Meeting.
6. The instrument appointing the Chairman of the Meeting as proxy must be under the hand of the appointor or of his attorney duly authorised in writing. Where the proxy form is executed by a corporation, it must be executed either under its seal or under the hand of an officer or attorney duly authorised. Where the proxy form is executed by an attorney on behalf of the appointor, the letter or power of attorney or a duly certified copy thereof must be lodged with the instrument.
7. The instrument appointing the Chairman of the Meeting as proxy must: (i) if sent personally or by post, be deposited at the registered office of the Company at 23 Changi North Crescent, Singapore 499616; or (ii) if submitted electronically, be submitted via email to the Company at [UMSAGM280421@umsgroup.com.sg](mailto:UMSAGM280421@umsgroup.com.sg) and in either case, by no later than 72 hours before the time appointed for the Annual General Meeting, and in default the instrument of proxy shall not be treated as valid.
8. In view of the current COVID-19 situation and the related safe distancing measures, members are strongly encouraged to submit completed proxy forms electronically via the UMS AGM Website.
9. The Annual Report for FY2020 may be accessed on the Company's website at the URL <https://www.umsgroup.com.sg/ir.html> and is also available on the SGXNet at the URL <https://www.sgx.com/securities/company-announcements>.

# NOTICE OF ANNUAL GENERAL MEETING

---

- B. Due to the constantly evolving COVID-19 situation in Singapore, the Company may be required to change its Meeting arrangements at short notice. Members should check the Company's website at the URL <http://www.umsgroup.com.sg/ir.html> for the latest updates on the status of the Annual General Meeting, if any.

## PERSONAL DATA PRIVACY:

By pre-registering for the Live Webcast, submitting the proxy form appointing the Chairman to attend, speak and vote at the Annual General Meeting and/or any adjournment thereof, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents) for the purpose of the processing and administration by the Company (or its agents) of the appointment of the Chairman as proxy for the Annual General Meeting (including any adjournment thereof) and the preparation and compilation of the attendance lists, proxy lists, minutes and other documents relating to the Annual General Meeting (including any adjournment thereof), and in order for the Company (or its agents) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "**Purposes**"), (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents) of the personal data of such proxy(ies) and/or representative(s) for the Purposes, and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

# UMS HOLDINGS LIMITED

(Incorporated in the Republic of Singapore)  
(Registration No. 200100340R)

## PROXY FORM ANNUAL GENERAL MEETING

### IMPORTANT:

1. Pursuant to the COVID-19 (Temporary Measures) Act 2020 (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020, the Company has the option to hold a virtual meeting, even where the Company is permitted under safe distancing regulations to hold a physical meeting. Due to the current COVID-19 situation and the Company's efforts to keep physical interactions and COVID-19 transmission risks to a minimum, the Annual General Meeting of the Company will be held by way of electronic means.
2. A member will not be able to attend the Meeting in person. A member will also not be able to vote online on the resolutions to be tabled for approval at the Meeting. A member (whether individual or corporate) who wishes to exercise his/her/its behalf at the Meeting if such member wishes to exercise his/her/its voting rights at the Meeting. In appointing the Chairman of the Meeting as proxy, a member must give specific instructions as to voting, or abstentions from voting, in the proxy form, failing which the appointment will be treated as invalid.
3. An investor who holds shares under the Central Provident Fund Investment Scheme ("CPF Investor") and/or the Supplementary Retirement Scheme ("SRS Investor") (as may be applicable) and wishes to appoint the Chairman of the Meeting as proxy should inform their respective CPF Agent Banks and/or SRS Operators to submit their votes at least 7 working days before the Meeting.
4. This Proxy Form is not valid for use by CPF and SRS Investors and shall be ineffective for all intents and purposes if used or purported to be used by them.

I/We, \_\_\_\_\_ NRIC/Passport/Co. Reg. No. \_\_\_\_\_

of \_\_\_\_\_ (Address)

being a member/members of UMS Holdings Limited (the "**Company**"), hereby appoint the **Chairman of the Meeting** as my/our proxy to attend, speak and vote for me/us on my/our behalf at the Annual General Meeting ("**Meeting**") of the Company to be held by way of electronic means on 28 April 2021 at 10.00 a.m. and at any adjournment thereof. I/We direct the Chairman of the Meeting to vote for, against or to abstain from voting the Resolutions proposed at the Meeting as indicated hereunder. If no specific direction as to voting is given or in the event of any other matter arising at the Meeting and at any adjournment thereof, the appointment of the Chairman of the Meeting will be treated as invalid.

*(If you wish to exercise all your votes "For", "Against" or to "Abstain" from voting, please indicate with a tick (✓) within the box provided. Alternatively, please indicate the number of votes as appropriate. If you mark the abstain box for a particular resolution, you are directing your proxy not to vote on that resolution on a poll and your votes will not be counted in computing the required majority on a poll.)*

No	Resolutions relating to:	For	Against	Abstain
	<b>Ordinary Business</b>			
1	To receive and adopt the Directors' Statement and Audited Financial Statements for the financial year ended 31 December 2020 and the Auditors' Report thereon

Dated this \_\_\_\_\_ day of \_\_\_\_\_ 2021

Total number of Shares in:	No. of Shares
(a) CDP Register	
(b) Register of Members	

\_\_\_\_\_  
Signature(s) of Shareholder(s)  
and/or Common Seal of Corporate Shareholder

**IMPORTANT: PLEASE READ NOTES OVERLEAF**

## Notes:

**The Proxy Form will be sent to members solely by electronic means via publication on the Company's website at the URL <https://www.umsgroup.com.sg> and will also be made available on the SGXNet at the URL <https://www.sgx.com/securities/company-announcements>. Printed copies of the proxy form will not be despatched to members of the Company.**

1. Please insert the total number of Shares held by you. If you have Shares entered against your name in the Depository Register (as defined in Section 81SF of the Securities and Futures Act, Chapter 289 of Singapore), you should insert that number of Shares. If you have Shares registered in your name in the Register of Members, you should insert that number of Shares. If you have Shares entered against your name in the Depository Register and Shares registered in your name in the Register of Members, you should insert the aggregate number of Shares entered against your name in the Depository Register and registered in your name in the Register of Members. If no number is inserted, the instrument shall be deemed to relate to all the Shares held by you.
2. A member of the Company (including a Relevant Intermediary\*) entitled to vote at the Meeting must appoint Chairman of the Meeting to act as proxy and direct the vote at the Meeting.
3. An investor who holds shares under the Central Provident Fund Investment Scheme ("CPF Investor") and/or the Supplementary Retirement Scheme ("SRS Investor") (as may be applicable) and wishes to appoint the Chairman of the Meeting as proxy should approach their respective CPF Agent Banks and/or SRS Operators to submit their votes at least seven (7) working days before the Meeting.
4. In appointing the Chairman of the Meeting as proxy, members must give specific instructions as to his/her/its manner of voting, or abstentions from voting, in the Proxy Form. Failing which, the appointment of the Chairman of the Meeting as proxy for that resolution will be treated as invalid.
5. The Chairman of the Meeting, as proxy, need not be a member of the Company. Proxy forms appointing such person other than the Chairman of the Meeting shall be deemed to appoint the Chairman of the Meeting as proxy.
6. The instrument appointing the Chairman of the Meeting as the proxy must be under the hand of the appointor or of his attorney duly authorised in writing. Where the instrument appointing the Chairman of the Meeting as proxy is executed by a corporation, it must be executed either under its seal or under the hand of an officer or attorney duly authorised. Where the instrument appointing the Chairman of the Meeting as proxy is executed by an attorney on behalf of the appointor, the letter or power of attorney or a duly certified copy thereof must be lodged with the instrument, failing which the instrument may be treated as invalid.
7. The instrument appointing the Chairman of the Meeting as proxy must (i) if sent personally or by post, be deposited at the registered office of the Company at 23 Changi North Crescent, Singapore 499616; or (ii) if submitted electronically, be submitted via email to the Company at [UMSAGM280421@umsgroup.com.sg](mailto:UMSAGM280421@umsgroup.com.sg), and in either case, not less than 72 hours before the time appointed for the Meeting, and in default the instrument of proxy shall not be treated as valid.

**In view of the current COVID-19 situation and the related safe distancing measures, members are strongly encouraged to submit completed proxy forms electronically via email.**

## Personal Data Privacy:

By submitting this proxy form, the member accepts and agrees to the personal data privacy terms set out in the Notice of Annual General Meeting dated 12 April 2021.

## General:

The Company shall be entitled to reject an instrument appointing the Chairman of the Meeting as the proxy if it is incomplete, improperly completed or illegible, or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing the Chairman of the Meeting as the proxy. In addition, in the case of Shares entered in the Depository Register, the Company may reject any instrument appointing the Chairman of the Meeting as the proxy lodged if the member, being the appointor, is not shown to have Shares entered against his name in the Depository Register as at 72 hours before the time appointed for holding the Meeting, as certified by The Central Depository (Pte) Limited to the Company.
