3A. Where the latest financial statements are subject to an adverse opinion, qualified opinion or disclaimer of opinion:-

a) Updates on the efforts taken to resolve each outstanding audit issue.

1. Auditor's report for the financial period ended 31 March 2019

(i) Discontinued operations and Disposal group classified as held for sale

The auditors' report dated 24 June 2019 on the financial statements for the financial period ended 31 March 2019 contained a modified opinion as the auditors were denied access by the new owners to the financial information and management accounts of the Discontinued operations and Disposal group classified as held for sale that were disposed of in May 2018. The auditors stated that they were unable to carry out the procedures to satisfy themselves as to the extent of the loss of RMB17.1 million on discontinued operations for the 5-months period prior to the disposition of the subsidiaries and the reported gain on disposal of subsidiaries to the sum of RMB27.2 million arising from the disposal that has been included in the consolidated statement of profit or loss and comprehensive income of the Group for the 15-month period ended 31 March 2019.

The Company's Executive Director had contacted the head office of the Purchaser several times, but they responded that they were not allowed to provide the financial management information and related books and records to our auditor due to their company's ongoing technology and onsite developments which is confidential. Despite the efforts made by management, the denial of access by the Purchaser is beyond the control of the Company's Board and management.

- (ii) Occurrence and accuracy of payroll expenses for redundant employees of RMB 3.4 million incurred by a subsidiary of the Group for the year ended 31 December 2017 (“FY2017 Payroll Expenses”)

Management considers this issue to be resolved as the disposal of subsidiaries was completed in May 2018 and is of the view that the FY2017 Payroll Expenses did not have any impact on the current or comparative figures for the current financial year ending 31 March 2020.

- b) Confirmation from the Board that the impact of all outstanding audit issues in the financial statements have been adequately disclosed.

The Board confirmed that the impact of all outstanding audit issues in the financial statements have been adequately disclosed.
