PROFIT GUIDANCE FOR FULL YEAR ENDED 31 MARCH 2021

The Board of Directors (“**Board**”) of UnUsUaL Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) wishes to issue a profit guidance regarding the financial results for the full year ended 31 March 2021 (“**FY2021**”) based on a preliminary assessment of the Group’s unaudited consolidated financial results for FY2021.

On 16 October 2020, the Group announced that it is expected to report a net loss for 1H FY2021 as compared with a net profit for the corresponding period in 1H FY2020 due primarily to the negative impact of COVID-19. Further to the said announcement, the Company wishes to provide the following update for the unaudited financial results for FY2021.

The ongoing pandemic continues to disrupt operations. Businesses across the regions and round the globe have been adversely impacted in an unprecedented manner. The Group is not spared given the fact that large-scale live events and concerts in Singapore and the region have been suspended and/or scaled down, and there have been material repercussions on our financial performance.

The Group is expected to record a further net loss for FY2021 as compared with a net profit for the corresponding year in FY2020. Included in this loss, the Group is also expected to record an impairment loss on financial assets during the year which contributed significantly to the net loss for FY2021.

The Group is in the process of finalising its unaudited financial results for FY2021. Further details of the Group’s financial results will be disclosed when the Company announces its unaudited financial results for FY2021.

In the meantime, shareholders of the Company are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
