The Proposed Capital Reduction does not entail any outflow of cash or change in the net assets of the Company. The Proposed Capital Reduction will also not involve the payment of any paid-up share capital of the Company to any Shareholder.

3.5 Financial Effects of the Proposed Capital Reduction

Please refer to the announcements made by the Company on 31 December 2021, 12 January 2022, 4 April 2022, 11 April 2022, 22 April 2022 and 26 April 2022 and the circular dated 19 March 2022 issued by the Company to Shareholders, which are available on SGXNET, for further details on the Proposed Share Consolidation and Rights cum Warrants Issue and the announcements made by the Company on 1 January 2022, 12 January 2022, 28 January 2022, 11 February 2022, 18 April 2022 and 28 April 2022 and the circular dated 6 April 2022 issued by the Company to Shareholders, which are available on SGXNET, for further details on the Proposed Issuance.

As there will be no changes to the number of issued ordinary shares in the Company (excluding treasury shares) following the Proposed Capital Reduction, the Proposed Capital Reduction will not have any effect on the net tangible assets per share, the earnings per share and the gearing of the Company.

4. The Proposed Distribution

4.1 Rationale for the Proposed Distribution

The Company intends to undertake the Proposed Distribution to reward Shareholders for their continued support in relation to the Company. In addition, Shareholders, who receive the Incredible Warrants and who exercise such Incredible Warrants, will be allotted and issued Incredible Exercised Shares and will become shareholders of Incredible. Such Shareholders will then be able to participate in the business growth and upside of the existing and new businesses of Incredible, thus further rewarding such Shareholders and enhancing Shareholders' value in the long run.

4.2 Terms of the Proposed Distribution

4.2.1 *Method of Distribution*

The Proposed Distribution is subject to, *inter alia*, the completion of the Proposed Subscription and the Proposed Capital Reduction.

The 300,000,000 Incredible Warrants will be distributed to Entitled Shareholders in proportion to their respective shareholdings in the Company (i.e. on a *pro-rata* basis) as at the Record Date, fractional entitlements to be disregarded.

The Directors will fix the Record Date at such time and on such date as they deem fit in the interests of the Company. An announcement will be made by the Company to notify Shareholders of the Record Date in due course.

4.2.2 *Distribution Ratio*

As the number of Incredible Warrants to be distributed pursuant to the Proposed Distribution is fixed, the distribution ratio for the Proposed Distribution will vary depending on the total number of issued ordinary shares in the Company (excluding treasury shares) as at the Record Date.

As at the date of this announcement, the Company has an issued and paid-up share capital of S\$30,925,588 comprising 522,168,711 ordinary shares (excluding treasury shares).

Assuming, for illustrative purposes only, that there is no change to the total number of issued ordinary shares in the Company (excluding treasury shares) as at the Record Date³, the Proposed Distribution will be effected on the basis of 0.575 Incredible

³ Shareholders should note that the total number of issued ordinary shares in the Company (excluding treasury shares) as at the Record Date may differ from the total number of issued ordinary shares in the Company (excluding treasury shares) as at the date of this announcement in view of the various corporate actions to be undertaken by the Company, including (a) the Proposed Share Consolidation and Rights cum Warrants Issue; and (b) the

Warrants for every one (1) ordinary share in the Company held by Entitled Shareholders as at the Record Date, fractional entitlements to be disregarded.

Shareholders should note that the number of Incredible Warrants which they will be entitled to pursuant to the Proposed Distribution, based on their respective shareholdings in the Company as at the Record Date, will be rounded down to the nearest whole Incredible Warrant and any fractions of an Incredible Warrant will be disregarded. Fractions of an Incredible Warrant will be aggregated and dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company and no Shareholder shall have any claim whatsoever against the Company, the Directors or any other person in connection therewith.

For the avoidance of doubt, in the event that the 300,000,000 Incredible Warrants are distributed in full to Entitled Shareholders pursuant to the Proposed Distribution, the Company will not exercise such number of Incredible Warrants which were not distributed to Entitled Shareholders.

4.2.3 *No Payment required from Entitled Shareholders*

Entitled Shareholders will not be required to pay for any Incredible Warrants received from the Proposed Distribution. The Incredible Warrants will be distributed to Entitled Shareholders on the Proposed Distribution Completion Date (as defined hereinafter) free and clear from any encumbrances, together with all rights and entitlements that attach (or may in the future attach) to the Incredible Warrants on or after the Proposed Distribution Completion Date. The date of completion of the Proposed Distribution (the “**Proposed Distribution Completion Date**”) shall be determined by the Directors and announced by the Company via SGXNET.

Proposed Issuance. Please refer to the announcements made by the Company on 31 December 2021, 12 January 2022, 4 April 2022, 11 April 2022, 22 April 2022 and 26 April 2022 and the circular dated 19 March 2022 issued by the Company to Shareholders, which are available on SGXNET, for further details on the Proposed Share Consolidation and Rights cum Warrants Issue and the announcements made by the Company on 1 January 2022, 12 January 2022, 28 January 2022, 11 February 2022, 18 April 2022 and 28 April 2022 and the circular dated 6 April 2022 issued by the Company to Shareholders, which are available on SGXNET, for further details on the Proposed Issuance.

4.2.4 *Eligibility of Shareholders to Participate in the Proposed Distribution*

Only Shareholders whose registered addresses with The Central Depository (Pte) Limited (“**CDP**”) or the Company are in Singapore as at the Record Date (the “**Entitled Shareholders**”) will be entitled to participate in the Proposed Distribution.

The distribution of Incredible Warrants to persons who have registered addresses outside Singapore may be prohibited or restricted (either absolutely or subject to various relevant securities requirements, whether legal or administrative, being complied with) in certain jurisdictions under the relevant securities laws of those jurisdictions.

For practical reasons and in order to avoid any violation of the securities laws applicable in jurisdictions other than Singapore, Shareholders whose registered addresses with CDP or the Company are outside Singapore as at the Record Date (the “**Foreign Shareholders**”) will not be entitled to participate in the Proposed Distribution. Foreign Shareholders may provide CDP or the Company with addresses in Singapore for the service of notices and documents by 5.00 p.m. at least three (3) market days prior to the Record Date. Notwithstanding the foregoing, the participation by such persons in the Proposed Distribution could still violate the securities laws of jurisdictions where such persons are located or resident or could otherwise be restricted or prohibited by the laws of such jurisdictions, and such persons are advised to inform themselves of, and to observe, any such restriction or prohibition at their own expense and without liability to the Company. For the avoidance of doubt, the Company reserves the absolute discretion in determining whether any person may participate in the Proposed Distribution.

If it is practicable to do so, the Company may, at its absolute discretion, arrange for the Incredible Warrants, which would otherwise have been distributed to Shareholders other than Entitled Shareholders (“**Ineligible Shareholders**”), to be sold on the SGX-ST. Such sales may, however, only be effected if the Company, in its absolute discretion, determines that a premium can be obtained from such sales, after taking into account the expenses expected to be incurred in relation thereto. The net proceeds from all such sales, after deduction of all expenses therefrom, will be pooled and thereafter distributed to Ineligible Shareholders in proportion to their respective shareholdings in the Company as at the Record Date, provided that where the amount of net proceeds to be distributed to any single Ineligible Shareholder is less than S\$10.00, the Company shall be entitled to retain or deal with such net proceeds as the Directors may, in their absolute discretion, deem fit in the interests of the Company and no Ineligible Shareholder or persons acting to the account or benefit of any such persons shall have any claim whatsoever against the Company, the Directors or any other person in connection therewith.

Shareholders should note that the special arrangements described above will apply only to Ineligible Shareholders.

4.2.5 *Effect of the Proposed Distribution*

On completion of the Proposed Distribution, the Company will have distributed 300,000,000 Incredible Warrants. The Incredible Warrants are expected to be listed and quoted on Catalist. Shareholders should note that the Incredible Warrants may not be listed and quoted on Catalist in the event of an insufficient spread of holdings of the Incredible Warrants to provide for an orderly market in the Incredible Warrants. Accordingly, in such event, holders of the Incredible Warrants will not be able to trade their Incredible Warrants on Catalist. However, if the Incredible Warrants are exercised

in accordance with its terms, the Incredible Exercised Shares will be listed and quoted on Catalist. For the avoidance of doubt, in the unlikely event that the Company decides not to proceed with the Proposed Distribution or that the Proposed Distribution is aborted and not completed, the Company will not exercise the 300,000,000 Incredible Warrants and the 300,000,000 Incredible Warrants will be returned to Incredible.
