

**FOR IMMEDIATE RELEASE**

## **Wong Fong's unit appointed as Public Training Organisation for New Courses**

- ***Appointment by Skills Future Singapore (SSG) further establishes Wong Fong Academy as a leading training provider for the infrastructure development and manufacturing industries***

**SINGAPORE, 7 November 2016 – Wong Fong Industries Limited** (黄芳工业有限公司) (the “Company” and together with its subsidiaries, the “Group”), one of Singapore’s leading providers of land transport engineering solutions and systems, today announced that its wholly-owned subsidiary, Wong Fong Academy Pte Ltd (“WFA”) has been appointed as a Public Training Organisation under the Workforce Skills Qualifications Framework (Construction Sector).

This appointment, by Skills Future Singapore, allows WFA to conduct new courses that caters the construction sector for a period of 5 years which include:

1. Apply Workplace Safety and Health in Construction Sites [previously known as Construction Safety Orientation Course for Workers (CSOC)];
2. Apply Workplace Safety and Health in Metal Work [previously known as Metalworking Safety Orientation Course for Workers (MSOC)];
3. Supervise Construction Work for WSH [previously known as Building Construction Supervisors Safety (BCSS) Course]; and
4. Supervise Tunnelling Work for WSH [previously known as Building Construction Supervisors Safety (BCSS) (Tunnelling) Course].

**Mr Eric Lew (刘振荣), Executive Director of the Group**, said, “This appointment is an endorsement of our capabilities, facilities and resources to support learning as we are one of the few organisations that have been appointed. The expansion of our course offerings further establishes WFA as a full-fledged training centre for the infrastructure development sector, and we are confident that the demand for these courses will provide the Group with a growing revenue stream.”

Currently, WFA conducts 10 Workforce Skills Qualification courses relating to, among others, the operation of industrial equipment, risk management implementation and supervision of safe lifting operations.
